## NHS VARSTY basiball

The 1981 Bulldog baseball season may not have been very successful as far as wins and losses went, but the team shared many personal victories. One was Chip Heslep's 30 career strikeouts. Ray Hydes closed out a tremendous career as a 3 year starter hitting .357. Ricky Gobert made a major contribution by moving to short stop from center field and leading the team in RBI's. Although a 10 win -6 loss season is respectable, a closer look reveals that the Bulldogs were in command or tied in the last inning of each loss but just couldn't close the lid on a win.

The 1981 Junior Varsity baseball team enjoyed a successful year posting a 14-7 worksheet, while winning 9 of their first ten games. The highlight of the season was winning the WO-S Reserve Tourney posting victories over Vidor 8-7, French 7-0, WO-S Junior Varsity 8-1. The JV Dogs were led by pitchers Kevin Simon and Darin Rhoden. Offensive leaders were catcher Joe Street, outfielder Brad Broussard and third baseman Roger Litchfield. Also contributing at the plate was Mike Richard, James Meziere, Louis Fontenot and Jay Esclovon. Jerry Gibson did a fine job as second baseman. Also doing a fine job at first base was John Sveboda.

Best of Times Motto Yesterday is a Memory, Remember It.
Tomorrow is a Hope,

Today is a Life, Live it.

Tonights the night we'll make history Honey you and I
And I'Il take any risk
To tie back the hands of time
And stay with you here tonight
I know you feel these are the worst of times I do believe its true
When people lock their doors, and hide insilde
Rumor has it, its the end of Paradise
But I know if the world just passed us by
Baby I know I wouldn't have to cry
The best of times are when I'malone with you Some rain, some shine

We 'll make this a world for two Our memories of yesterday Will last a lifetime
We'll take the best forget the rest
And someday we 'll find
These are the best of times

Recently a bill passed the state Senate that would rasse the legal drinking age from 18 to 19 . Supporters of this bill think that raising the drinking age bne year will prevent minors from using alcohol and keep alcohol out of the high schools.
This task is ensler gald than done. As a high school student, I know that a good many studente/minots even under age 18, buy and use

A person of age 18 is conaldered mature enough to vote on the leaders that will control oup blate and nation. He la alse considered old enough to join the Army, Navy, of Alr Force, delend his country, and posslbly

Although this bill still has to pass the Mouse of Representatives to go into effect, many feel it has enough support to pass easily. Parhaps our State Representatives should remember that the 18 yeur old "minofa" being dahlad a drink today-will be mature enough to cast baltot come eleotion day

The Pilot Staff would like to thank all the people who helped to make the 1981 PILOT possible and would like to express a special thanks to the following people for all their help and patience.
Mr. Phil Hechler
Mr. Keith LeBlanc
Mr. and Mrs. Earl Richards Mr. J. R. Viterbo Dr. L. J. Broussard
"The time has come when we must
look to the future; face up to the world.
Each of us shall choose a different path in
life; we shall go our separate way.
In time, we shall have traveled far from
each other and our high school years.
Yet, each of us will soon realize that there was something back there that was left behind . . .

- the dreams that we worked to make real
- the friends that we grew to love
- the special times that we shared with others

We will find that the things we loved, the
things we learned, and the things
we have shared in the past can never be lost.
They are precious memories that will live forever

- in our minds
- in our hearts"
