SUPERINTENDENT'S MESSAGE

class in number to have graduated from Nederland High School. Your success in life will indicate whether or not you have

From this day on resolve to push forward to the fullest of your capacity. Your life's work will be watched with much interest, and we hope that you will daily approach nearer and nearer to those high I have never played the role of a pessimist, but I should

ideals for which your school stands. like for you as Seniors to realize that you are about to enter a social and economic order in which the survival of the fittest is based on your capacity to absorb the hard knocks which are definitely coming; in the meantime, prepare for the greater action and competition at the top of the ladder of success. REMEMBRANCE

So long to dear old Nederland High.

So long to the many times we've tried,

To make a grade, to pass and stay

With all the kids. This to God we pray.

We love our school with all our heart,
And from Nederland High we hate to part.
No other spot along life's way,
No other place will be as gay.

No other love will capture our souls,
As you have done, N.H.S., my home, my goal.
Yes, Nederland High is our home,
For here we made our friends, we're not alone.

To a life of toil we may be faced,

On a ground of battle we may be placed.

But no matter as to where we lie,

We'll give our thanks to Nederland High.

We've learned from sports, from our fellow man,
From football we've learned, (those nights were grand!)
Although we didn't reach our goal,
For Nederland's sake, our work we've sold.

From sources other than books we've learned, For more than being a Senior we've burned. For more than love we've fought many times, For more than praise we've crossed the line.

During the years ahead we'll think,

Of how we've studied and made the links.

We'll see again the classrooms and play over the games,

We'll remember some faces and forget some names.

But wherever we wander, we'll never forget,
Our days at N.H.S. and the hours we've spent
A' working and a' planning the life we have ahead,
Of our sweet hard-working teachers and the things that they have said.

For ever we'll remember our dear, old Nederland High,
And maybe we'll shed a tear and some of us will sigh.
And we'll hope with all our heart, and to God up in the sky
We'll pray for Him forever, to protect our Nederland High.

Peering into the dim and distant future, into a world filled with mystery and uncertainty, we have unfolded before us the destinies of the members of the Senior Class of 1951. What have we seen? Well, read carefully that which follows:

HENRY APPERSON is another Bob Fellar in the Big Leagues.

EUGENE BARBIN is a dramatic coach to a group of Shakesperian actors in Houston.

MAX BEVIL is happily married and spends most of his spare time taking care of the children.

ARLENE CARLSON is still looking for her man.

DOYLE CHAMBERLAIN will become a football coach if he is not thrown in jail for rubbing noses in the shows. Shame on you!!

ANNELL CHESNUT is thinking seriously of taking Miss Earl's place if she ever retires. JOHN COFFMAN informed us that if anybody wanted to hear of the latest shoe news just go to Pat Frazer, his current wife.

SUE COLE and THAD SITTON (Mr. and Mrs.) have just started on a tour of South America by means of tricycle.

Being bored with Europe and America, JAMES COLLINS is now embarking for the South Pole.

I had a letter from SHIRLEY COLLINS and she is doing fine with her missionary work in China.

JESSIE COMMANDER is now in Beverly Hills and enjoys a large chicken farm for recreation.

PAT CONCIENNE is President of the "Speed Limit About Sixty Miles Club."

BETTY COOK'S dress shops, called "Look-at-me," combined with that of CAROLYN GOODWIN, and they promise amazing creations.

HURSHEL DEAN will soon be appointed to the Supreme Court.

How could this be? ENA DENNIS is a "Sob Sister" for the Boston Times!

FRANK HUFFSTETLER is making a life study of the natives of Africa.

VIRGINIA JENKINS is still waiting for Mark Bracken to get discharged so they can get married.

JERRY McGUIRE is now a football coach at French.

JACK McNEILL has just perfected a convertible station wagon with a portable bar and dance floor.

CHARLES MANNING finally confided that he will spend the rest of his days defleaing cats.

There is a good chance that LOUIS MAXWELL might soon manage the Rio Theatre.

J. R. MILLER and CLIFFORD SIMMONS are partners in a N.Y. Law office.

BETTY NOLAN is demonstrating cosmetics and "Mud Magic" for a leading cosmetic concern.

HELEN NUGENT has finally tied Kieth down to her apron string because he is still working at the Pure Oil.

CLAUDIE MAE PARISH is now on Broadway and her director is LEONARD MANNING.

JOHN PERKINS is a prominent lawyer in Nederland.

GAY PETZOLD'S Vim, Vigor, and Vitality will finally push Jane Powell off the stage. FRANKIE LOU PIKE and WANDA SANDERSON are still in the same old chorus line in California.

RUBY PICHOFF, who finally has her heart set on one man, is now living in Louisiana, in a little house around the corner.

Most of the boys of the Senior Class of '51 are in a swing band directed by GERALD PREMEAUX.

JACK PRICE just left for training, but he is not in the service—it's training fleas.

MARILYN RIENSTRA will become a nurse if by chance she doesn't marry an athlete.

Everyone knows that JACK SILKWOOD is the leading undertaker in this district.

DORTHA JEAN SIMMONS is a famous musician. She is now in Louisiana at the home of her ancestors.

ROBERT "CHOO CHOO" SMITH has finally become engineer of the Southern Bell.

MARTHA SORRELL and DOROTHY ROSE have finally proved that when a glass
has water in it to the halfway mark it is half empty—not half full.

JAMES SPENCER, an aviator, is seeking advice from BILL STURROCK, the "love lorn" editor of the "Well I Did It" Magazine.

BILLY VAN STARK is present manager of the Jefferson Amusement Company.

HELEN STARK is now staff artist for the Good Housekeeping Magazine.

Professor CARL STEPHAN has returned to Nederland to teach a course on flying low to a group of child prodigies.

WILLIAM THOMPSON finally gave up his music and is now running a taxi between Nederland and Port Neches.

PAT TOBY is in Paris creating styles for extremely tall thin women.

NANCY VAN RANDEN is a barker at the South Texas State Fair. We always knew that her talkativeness would get her somewhere.

Last, but surely not least, we can boast a President out of the Senior Class of '51 because BETTY LEE WALSH has finally defeated Truman.

BONNIE LOU WRIGHT is still looking at the two annuals that she helped produce and says, "Just look at the good work I did even in those young days!"

NORMAN YENTZEN has finally graduated from college and is working with the state highway department. He is chief engineer.

I went in the office of Dr. JERRY McGUIRE, specialist for aches and pains of all kinds, and I saw JOANNE PRATT, woman ice skating champion of the world, having a sprained wrist treated.
