THE
PILOT

As seniors we are now ready to set out upon the voyage of life. A successful voyage depends upon our knowledge of life. We have received understanding and skillful counsel from our parents, our teachers, and our friends. We should let the Master Pilot, God, be our Captain on this great voyage and we should chart our course by His Word, the Bible. If we face life with courage, faith, and a smile, success will surely be ours.

SUPERINTENDENT'S MESSAGE

Congratulations to the Class of 1950. As you enter into a new life, I wish for each of you success and happiness in all your endeavors. Aim for the top of the ladder. You may not quite reach your objective, but you will accomplish something valuable on the way. To be successful, choose your goal early in life and work unceasingly toward that end. You can accomplish whatever you have the power to imagine. Above all else, have faith in God, in your fellowman, and in yourself.

I sincerely hope that the members of this fine class will remember the administration and faculty as personal friends and will feel free to call upon us whenever we may be of further service to you.

Graduation

*Tonight after graduation has come and gone
And we've all received diplomas one by one,
We each will then go on our merry way,
But many is the time we'll remember this day.
We'll remember the friends we've made throughout
the years
The teachers who stayed beside us through smiles
and tears.
We'll remember our boys and the victories they've
won
In football, basketball, track and so on.
We'll remember them all with a sad little smile
Because we'll be thinking all the while
The joys we had as years went by
From the hours we spent at Nederland High.*

AND SO GOODBYE

*Fight, Fight, for Nederland!
Fight for the old gold and
black.
Hail, Hail, to Nederland;
Our friendship may she never
lack.
Ever faithful, ever true
As we sing our songs of you.
Black and gold, we're all
true blue.
All hail to Nederland!*
