Memories
tucked away,
Upstairs in
a chest . . .

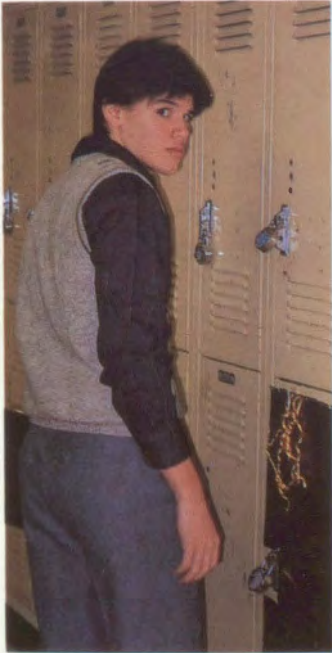

The times
we have spent . . .

The worst
and the best.

Smiling faces
and fallen tears —

Where
have
they
gone?

Where
are
the
years?

We spoke softly,
but yelled
ever louder . . .

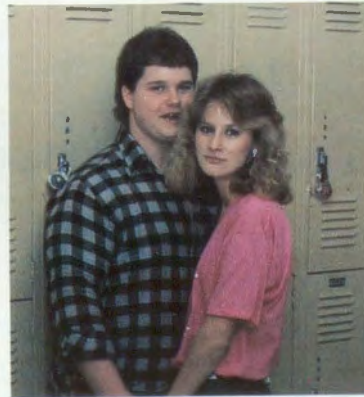

We were the Bulldogs and with this we were prouder.

We knew the game,
none of us shy,

The bite was back
and that was no lie!

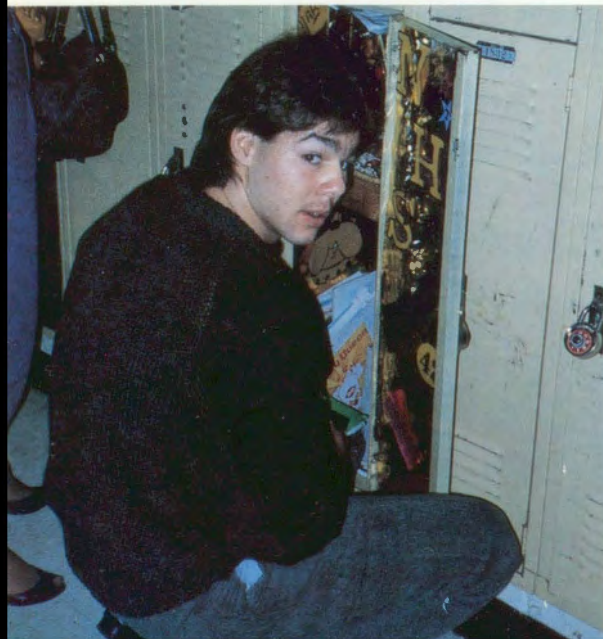

Now here we
stand before
the door . . .

The past is
behind us,

The future
holds more.

We say goodbye
 black and gold
 and all of N.H.S.
 We'll never forget you
 as we close the chest.

SPIRIT

Overwhelming enthusiasm was evident during Spirit Week. It began Monday October 28, and culminated on November 1, when we played our traditional rival, PNG.

Monday was Twin Day; many students doubled up with a twin. Original costumes were seen, including five different kinds of Coke, convicts, Alvin and the chipmunks, Heckyll and Jeckyll, salt and pepper, and Chinese women, in addition to several sets of housewives.

Tuesday everybody proclaimed their spirit by wearing black and gold. T-shirts, sweaters, jumpsuits, and other black and gold clothing were worn.

Everyone adorned themselves with hat and glasses on Wednesday. Many hats were worn including sombreros, party hats, hard hats, and hats of unknown origin.

Thursday, Halloween, was Spook Day, of course. Students dressed up not only as spooks, but also as angels, ballerinas, beer cans, gypsies, and punk rockers, to name a few.

Friday, the final day of spirit week, was mix-and-match day.

There was an exciting pep rally in which the traditional dance was performed by the senior cheerleaders, twirlers and Westernaires.

Raggedy Ann and Andy smile.

Key Club

On April 18, 19, and 20, twenty-six members of the Nederland High School's Key Club joined over 2300 other Key Clubbers for a fun-filled weekend. Members from across the state attended the annual Texas-Oklahoma District Convention held in the luxurious Dallas Hyatt-Regency Hotel. Besides making new friends and having lots of fun, Key Clubbers gained insight and ideas from other Key Club and elected new district officers. Mr. Ray Hill is the Key Club sponsor.

Juniors finish off "Conga."

The Spring Revue was the grand finale of the year. This night was the product of a whole month of nightly practices that sometimes lasted into the wee hours of the morning. The unique costumes were ideas and creations of the Westernaires themselves. Besides being a wonderful show for the audience, the presentation was a memorable experience for the senior Westernaires. It was their last. One of the more spectacular dances, "Big Noise," was achieved with a little help from Joe Istre, a famous dancer and choreographer. Overall, the Spring Revue was an honest representation of the immense Nederland Westernaire talent.

The 1985-86 Spanish Club was very active this year. They had select students attend the National Spanish Examination at Lamar. Out of the 8 students, Claudia Cabrera was the most successful. Her paper was graded a 76 out of a possible 80. The club also went out to eat at a local Spanish restaurant and had a traditional Spanish Christmas party to get a greater understanding of the Spanish culture. They had 2 guest speakers this year from Spanish speaking countries. They also had a banquet at the end of the school year to honor their officers. The sponsor of the club is the Spanish teacher, Mrs. Wind.

Future Homemakers of America is affiliated with the Home Economics department. The purpose of F.H.A. is to provide social service, fellowship, and cultural outlets. The F.H.A. made donations to the Adult Retardation Center and also made tray favors for sick children in the hospital. Their fund-raising activity was candy sales. In addition, they also had a tea and dinner for the members and their mothers.

FHA

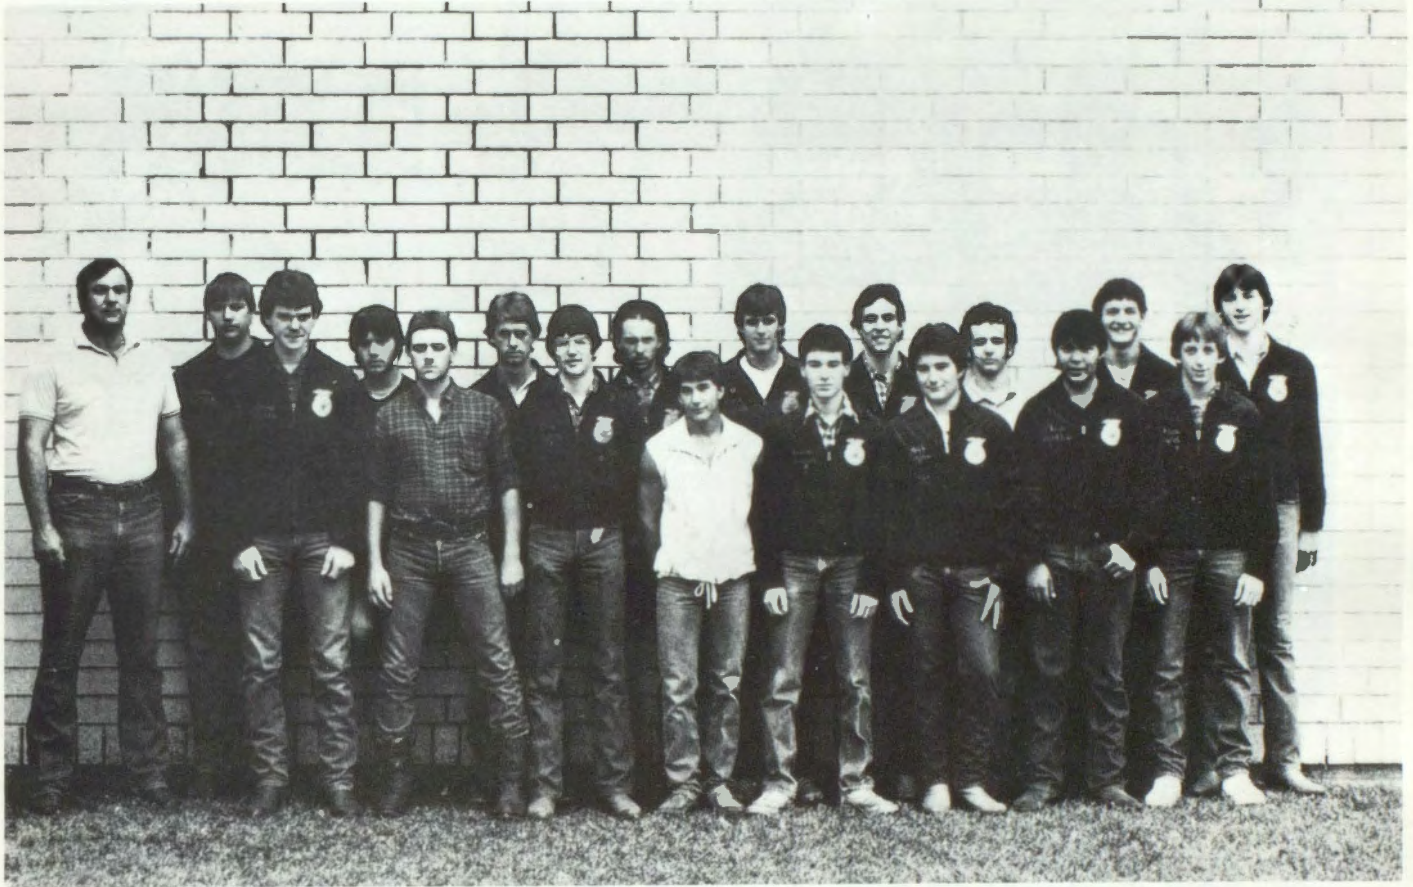

The Child Growth and Development semester course of the Home Economics program includes a mini-nursery school held in the department during the month of May.

Three-and-four-year-old children from the community are enrolled for a three week session, and the students of the course supervise them in all types of nursery school projects. This is one of the most interesting events of the semester course, and the most rewarding.

“STILL LOVING YOU”

Time, it needs time
To win back your love again
I will be there, I will be there
Love, only love
Can bring back your love someday
I will be there, I will be there

I'll fight, babe, I'll fight
To win back your love again
I will be there, I will be there
Love, only love
Can break down the walls someday
I will be there, I will be there

If we'd go again
All the way from the start
I would try to change
The things that killed our love
Your pride has built a wall, so strong
That I can't get through
Is there really no chance
To start once again
I'm loving you

Try, baby, try
To trust in my love again
I will be there, I will be there
Love, our love
Just shouldn't be thrown away
I will be there, I will be there

If we'd go again
All the way from the start
I would try to change
The things that killed our love
Your pride has built a wall, so strong
That I can't get through
Is there really no chance
To start once again

If we'd go again
All the way from the start
I would try to change
The things that killed our love
Yes, I've hurt your pride, and I know
What you've been through
You should give me a chance
This can't be the end
I'm still loving you
I'm still loving, I need your love
I'm still loving you
