

Motlow college spring semester enrollment still open for all sites

Spring enrollment at Motlow College reached 2,276 students following on-site registration at the Moore County campus, Fayetteville and McMinnville centers, and Rutherford County teaching site, according to college officials.

Students may continue to register for spring classes during the late registration period, which runs through Jan. 14.

Students may register at the three primary sites from 8 a.m. to 6 p.m. on Jan. 11, 12, 13 and 14, and on the same dates from 4 to 9 p.m. at Riverdale High School in Murfreesboro.

The bookstore and the admission and records, financial aid and business offices on the Moore County campus will remain open through late registration to help students with the enrollment process. Advisors are available for schedule consultation.

"Although registration was postponed a day because of the recent snowfall, we quickly adjusted our plans and the registration process preceeded smoothly," said Wanda Fruehauf, director of admissions and records.

"We encourage anyone wanting to take classes at the college to check out the many possibilities we have to offer and to register before the end of late registration on Jan. 14."

A breakdown of figures by site shows that 1,634 students

are enrolled at the Moore County campus; 672 at McMinnville Center; 427 at Fayetteville Center; 145 at Rutherford County Site at Riverdale High School; 95 at the Integrated Manufacturing Center in Tullahoma; 94 at Franklin County High School in Winchester; 51 at Central High School in Shelbyville; 48 at Cannon County High School in Woodbury; and five at AEDC.
