

We need you to fill out the Census **TODAY!**

“The future of Central Falls depends on every single person being counted on the Census. A complete and accurate count helps ensure fair representation in Congress, enforcement of civil rights, and planning for Rhode Island’s and Central Falls’ future. Filling out the census is easy, confidential, and helps our community in so many ways. This is our chance—let’s make it count.”

– **Mayor James A. Diossa**

“An incomplete or inaccurate Census count would harm the people of Central Falls immensely. It’s important for all residents to understand that the survey is confidential and you won’t put yourself at risk by filling it out. Billions of dollars in federal funding for Rhode Island is at stake—money that supports Central Falls schools, housing, roads, health care programs and so much more. It’s urgent that all of you fill out the Census before October 31st!”

– **City Council President Maria Rivera**

“RI urge all Central Falls residents to fill out the Census immediately. The stakes are too high to risk losing an important seat in Congress and put more than \$3 billion in federal funding at risk. Our city and our state depend on this funding—and the consequences for us and our kids will be dire if we don’t all do our part.”

– **Senator Betty Crowley**

You can fill out the census in 3 different ways:

- 1** Fill out the Questionnaire that was mailed to you
- 2** Enter your address into a Computer or iPad or iPhone **my2020census.gov**
- 3** Call **English:** 844-330-2020 **Español:** 844-468-2020
