In Memoriam

In Memoriam

ELEVENTH ANNIVERSARY IN MEMORIAM BLAS MORENO, M.D

Dr. Moreno died on June 10, 2011. Rhode Island lost a Great Doctor; America lost a Great American, and a legion of us lost a Great Friend. Blas was born in Cuba, graduated from the University of Havana School of Medicine and came to the United States in the 1950's. He was most proud of his American Citizenship and his service of 27 years in the Rhode Island National Guard where he rose to the rank of Full Colonel. He never charged Guard members for his service and always treated the poor at no charge. He was kind and humble. Those of us who knew Doctor Moreno loved him and miss him dearly.

He was truly "A True Great American"
