

WE NEED A WOMEN'S CENTER !!!

Your paid membership will help us get one.

WE NEED

- a quiet place where our support groups can meet--older women, divorced women, single women, minority women, etc.--in an atmosphere that is friendly and homey
- a place of our own to party and have fun
- a safe place for the Women's Bulletin Board, which is now constantly censored and vandalized
- a safe womanspace on our campus.

OUR NEW 3-IN-1 STRUCTURE

Every woman who joins the Caucus is immediately a member of at least one other caucus group--student, staff, or faculty committee, each a committee of the whole. For cultural events and for issues that affect all IUSB women (security in buildings and parking lot, day care, etc.), the Caucus meets as a whole. For issues that affect only one group, the Caucus meets in committee. Your merely joining the Caucus is an active vote in favor of establishing a Women's Center, & will be used in that way. What will the Committees do for 1979-80? See below!

♀ STUDENT COMMITTEE OF IUSB WOMEN'S CAUCUS

- *Some students are suffering from sexual harrasment (from male professors). We will establish an effective mechanism for dealing with that problem.
- *Older women need to meet others and form a support group. We will form such a group (or groups).
- *Minority students will have support groups.
- *Newly divorced women need to meet others in that category to air their difficulties. We will form support groups BOTH for recently divorced women and for others, who (as years go by) continue to face problems.
- *AND we will do whatever else YOU want or need.

♀ STAFF COMMITTEE OF IUSB WOMEN'S CAUCUS

- *We will investigate ways of securing a better salary scale.
- *We will discuss improvement of benefits and of working conditions.
- *We will have MORE FUN--AND do whatever else YOU want to do.

♀ FACULTY COMMITTEE OF IUSB WOMEN'S CAUCUS

- *We will meet at different women's houses for presentations or discussions of research that individual colleagues are doing.
- *AND whatever else you want to do.

 *Together* our collective voice has power. Even if you cannot come to meetings, PLEASE JOIN, become a paid member (only 25 cents for students, \$1 for staff, \$2 for faculty), so that we can use your voice to get the Women's Center you will use.

To know the joys of female bonding, join the IUSB Women's Caucus!

We are now triply TOGETHER!
