BULL'S

Compound Concentrated Fluid Extract

SARSAPARILLA,

Is unsurpassed in the cure of Scrofula or King's Evil, Rheumatism, obstinate Cutaneous Eruptions, Pimples or Pustules on the face, Blotches, Biles, Chronic Sore Eyes, Ring-Worm, Tetter, Scald-Head, Cancer, enlargement and pain in the Bones and Joints, stubborn Ulcers, Syphilitic Afflictions, Jaundice, Liver Complaint, diseases arising from an injudicious use of mercury, and from exposure and imprudence in life, and Incipient Consumption. In short, it is a valuable remedy in Chronic Diseases of the Stomach and Digestive Organs, Dyspepsia, General Debility, and all kinds of Chronic Diseases, arising from a derangement of the system and impurities of the Blood. It is invaluable as a cleansing Spring Medicine.

This preparation not only contains the highly concentrated virtues of the Sarsaparilla, but of several of the most safe, efficient medical agents in the Materia Medica, for the cure of the above diseases.

The following testimonials of its good effects are offered to the public:

LOUISVILLE, March 7, 1848.

MR. JOHN BULL—DEAR SIR: I must ever entertain the liveliest feelings of gratitude to you, for the incredible benefit and happy relief given me by your wonderful Compound Extract of Sarsaparilla. I do not write you this for publication, unless you may put it to such purposes; but write it to you simply to express a feeling of kindness to you, with which my bosom will, until the day of my death, remain full. The long and afflicting Rheumatism which beset me for years, and which the simple followers of the healing art term Chronic Rheumatism, was a thousand times worse than any thing else to which flesh is heir. The neuralgic pains and the general debility which ensued therefrom, compelled me to give up action, quit my business, a pleasure and a profit to me—and the mental pain arising from my bodily infirmity rendered me the most

miserable of all my Creator's handiwork. The most learned of our physicians in my judgment, do not know the philosophy of this disease, but your preparation of Sarsaparilla seemed to arrest my pains, and stop the ravages of disease immediately; it has made a cure in my case, and I believe will in all cases, for nothing else could have relieved me; you certainly should take great credit to yourself as the author of this medicine, for the appellation of quackery cannot apply to it; it answers the end for which it is given, and will effect a cure in Rheumatism, at any stage whatever of that disease. I shall be pleased to serve you at any time, in any way, and can never stop thanking you for the benefit I have received at your hands, and I would go a journey of twenty miles to see one afflicted with Rheumatism as I was, to, give him a bottle of your medicine, for I know it would give relief, and plant a rose where tears a thorn. Ever yours, at command,

CHARLES W. SMITH.

From Dr. J. M. Moore.

MR. J. BULL: I have no hesitation in saying that I believe your Sarsaparilla to be the best article ever manufactured for the cure of Scrofula, Syphilis, and many other Cutaneous and Glandular Affections, having used it with entire success in a number of the above cases.

JAMES M. MOORE, M. D.

Louisville, Dec. 26, 1847.

This medicine is daily grappling with disease through the Western country, restoring to blooming health and youthful vigor, the sick and afflicted—nay, those that are grievously tormented. Certificates are teeming from all directions, from men of truth and high moral standing, placing it, from its intrinsic worth, the very best of all remedies ever before the public.

Be it known to all unfortunate victims of indiscretion, that at the HUNTERIAN DISPENSARY, only, can be obtained all the most powerful and newly discovered remedies prepared by the most able professors and chemists of the world, for the total and speedy annihilation of all diseases arising from impurity of the blood and contracted in an unguarded moment. To those who desire health, in preference to misery and degradation, with a perfect and lasting constitutional cure, this information is respectfully given for the benefit of themselves and suffering humanity at large, when all other earthly means have been resorted to in despair.

Remember all preparations are warranted; and all genuine have the written signature of

The foregoing list comprises all the boats out at the time the list was closed, since which time I understand it has been ascertained that some new boats have come out, and several others are on the stocks and will soon be out—which will make near 450 boats—and tonnage about 100,000. I will not attempt an estimate of the amount of cost, for building or running—the number of men employed, or the amount of business they do annually, as the reader will be equally if not more capable than myself, to approximate much nearer to the truth.
