

Jaycees Sponsor Swisher Fun Day

SWISHER—The Swisher Jaycees will hold a fun day Saturday to raise \$2,000 which will match a federal grant for purchase of a news storm warning device and fire siren for the city.

The day's activities include a water ball fight between several fire departments, greased pig and tug-of-war contests.

Other plans call for a ring toss booth and other games, a baking contest and a 'dunk the dignitaries' tank, with local officials participating in the dunking.

At 8 p.m., a Hillbilly festival will include a dance, costume contest and old-fashioned shot-gun wedding. A refreshment tent will be open all day.
