

“In Old Toledo” Scrapbooks Scope and Contents

“In Old Toledo” consists of two scrapbooks of photographs clipped from Toledo newspapers, which were an anonymous donation to the library in 2002. Most of the clippings lack identification of newspaper and/or date. However, the scrapbooks contain many photographs of groups of people who are identified in the captions. A Name/Subject index is included to facilitate use of the collection.

The extremely poor condition of the clippings and the paper of the scrapbooks led to the decision to photocopy the scrapbooks and to discard the originals.
