A couple updates:

-This weekend's meet at Army Will now only be allowed to have immediate family members attend to watch. Sorry if friends or others were looking to go! I need a list by noon time of your family member names that are planning on going!

-Springbreak has been extended a week. Everything should be operating as usual during these non in session times until I hear otherwise.

-I sent an email to parents last night and you with the updates but please let your parents know and keep updating them with the news as well.

-We definitely need to all keep working as right now we have a season to finish and we also have time to build towards the future. I know people are tired, sore, and mentally drained from school and everything going on. The best thing to do is to continue to use the little time in the gym wisely and even use it as a break from everything else going on in your life. Continue to work hard and we need to keep having fun and push each other each day to keep reaching for our goals! Keep reflecting back and think about what we/you can do better...myself included (and I have) see you all regular time later today...remember to wash your hands!! 👍

As promised I will keep you updated..
I wish this wasn't the case but NCAA
championships and ECAC
Championships has been cancelled. I
just heard from Doug that our meet
Saturday at Army is cancelled as well.
I'm very sorry and feel for all of you.
Please make any travel arrangements
as necessary to leave this weekend. If
you need to get stuff from the gym I
will be around for most of the day
tomorrow but we will not have
practice either.

Matt Davis

I'm currently at the offices and will have a recruit here for a bit in the morning. I will leave the gym unlocked for anyone that needs to grab anything. I'll try to be around the gym area for anyone that wants to see me before leaving! Hang in there guys it's hard right now for everyone but remember how far you all came this year and how far you each were able to push this program to new heights. #alwayscompete
