

Move-Out Instructions

The safety of parents, students, and all members of the campus community is of utmost importance during the move out procedures. A staggered move out process will be implemented to maintain appropriate [social distancing](#). You need to arrive, pack, move-out, and depart from campus within your assigned date and time. Each student may bring a maximum of two non-students (e.g., parents, siblings) to assist with the move-out process.

Note: Moving out belongings is **NOT** mandatory at this time. Those who do not wish to or cannot come to campus during the scheduled move-out period will be rescheduled for May. However, if a student does come to retrieve their belongings, **ALL** belongings must be removed during move out. If you will not be returning to campus to move out within the timeline outlined below, please complete the [Campus Housing Exception Requests Form](#) no later than **Wednesday, March 18 at 1:00pm** to request a move out date in May.
