Dear international F-1 student:

We hope you and your family are healthy and well.

Due to a rather short turnaround time for OISSS to issue updated applicable immigration documents (I-20) following the recent guidance from ICE -SEVP, we are requesting your assistance in providing us with time-sensitive information.

Kindly complete the survey attached at your earliest convenience. This OISSS survey is in addition to other surveys you may have received from Brown. Please understand that this survey allows us to prioritize the order in which your immigration documents need to be updated.

The questions are written for continuing undergraduate and graduate students as well as new initial graduate students. It should take only a couple of minutes to complete. Thank you for your assistance.

Best wishes,

Your OISSS team
