A colorful graphic for Fontenelle Nature Camp. The background is a vibrant green with various forest elements like trees, leaves, and a winding road. In the center, there's a white rectangular area with a scalloped top edge. Inside this area, the text 'FONTENELLE NATURE CAMP' is written in a bold, orange, hand-drawn font. Below that, the phrase 'All the FUN, none of the poison ivy!' is written in a green, cursive font. Underneath, 'We're bringing the Forest to you at home with Virtual Summer Camp!' is written in an orange, sans-serif font. At the bottom of the graphic, there's a cartoon illustration of a smiling girl with long brown hair wearing a green scout hat and a green shirt with a red neckerchief. To her left, there's a small village with colorful houses (yellow, blue, orange) and a winding road. A bright sun is visible in the background of the village.

We're bringing the Forest  
to you at home with  
Virtual Summer Camp!

**Fontenelle Forest is offering virtual summer camps!**

Each week in June, Fontenelle Forest is offering a week-long virtual summer camp experience, featuring a different theme each day.

Fontenelle Nature Camp will provide fun and engaging adventures designed to foster the development of great life skills and a life-long love for the natural world. Your camper will participate in two live Zoom sessions each day, where they will interact with camp counselors and other camp participants.

Campers will be provided with nature-based activities to keep young naturalists busy and engaged, and encourage interactive, hands-on exploration around your home or in your own greenspace.

Each camper receives a camp-on-the-go bag, which includes all the tools and materials necessary to spark your young campers imagination. Bags will be available for pick up from 2:00 – 6:00 p.m. on the Saturday or Sunday the week before your camp begins.

**Fontenelle Forest Members:
