To Our Broadmoor Family,

As the health crisis unfolds, Broadmoor continues to do everything we can to prevent the spread within our community. Therefore, the following common areas will remain closed until further notice:

- Fitness centers
- Business centers
- Clubrooms, including any scheduled events for April
- Dog wash stations
- Indoor pools
- Playgrounds
- All storm shelters – open and available
- Laundry rooms – open

Your health, safety and well-being is always a top priority. During these unprecedented times, it is important for us to work together in keeping our communities safe for everyone. We will continue to communicate with you as changes occur.
