COVID-19 UPDATE

In compliance with the Governor's decision, we will be limiting dining availability to current and future quotas.

1: Meal Delivery: We will be prepared to start taking orders Tuesday the 17th, and begin delivery of prepared meals on Wednesday. We will also have select hours available to order single meals from the Bouillon menu available for delivery or curbside pick up.

We hope to manage as much delivery as possible with our displaced staff.

Find this under "DELIVERY" in the navigation at

www.bouillonomaha.com

2: Delivery of Wine and Liquor: As always, we have the ability to deliver wine, liquor, and beer. Any custom orders can be directed to info@howardstreetwine.com,

or browse our updated online selection on

www.howardstreetwine.com

3: Third-Party Food Delivery, operated by Grubhub will be made available, so diners may order from the regular Bouillon menu from the comfort of their home.

Best,

Your Friends from Bouillon

and Howard Street Wine Merchant
