

TRINITY COLLEGE
Hartford, Connecticut

Since we know that most of you will be on campus Tuesday evening, September 13, we hope that you will stop by to meet informally with the active leaders of Trinity's clubs and extracurricular organizations. Some organizations, because of the nature of their activities, will have open meetings later in the academic year.

Members of the Trinity College Senate and the Medusa will be available in the Wean Lounge to talk with you about the role of extracurricular activities at Trinity. Refreshments will be served. At approximately 9:30 p.m. the Trinity Pipes, the Travelers, and the Trinidads will entertain.

We do hope that you will stop by.
