It is not much fun ~~to~~ being monitor all there is pleasing in it is the honor of being first in the room. There is considerable to be done I have to open & shut the door, go to the office if Miss Willard wants to send, look over the department books at night, and wait on the teacher generally. I da, and I called on Louise Hill, & Emma Heard this evening, Emma fell on the pavement at school about a week ago & injured her knee so much that she cannot step on that foot.

Pleasant if it were not for
a strong wind all day.

Took a music lesson this
afternoon. I da, and I
have each written to
Aunt Jennette tonight.
I handed in my name the
other day for an Essay,
but I dont see when
I can possibly write it.
Miss Nash is no 4 has
been away a day or so,
and Miss Lizzy Chapman
took her place, I am glad
Miss Nash came back
tonight as she did on
the last train. I dont
like the way Miss C-
hears our grammar.

ing, rainy this afternoon.

Pa & I did not wear
our waterproofs this
noon as we ought to,

had another spell of rain,
we waited until almost
six, then we started, we
had no shawl or rubber,
went into Aunt Martha's, &
borrowed an umbrella,
she gave us some shawls
too, just as we reached the
gate, we saw Fred with our
waterproofs, we went back
& put them on, & finally
reached home without get-

If I had been at home this week I think I would have joined our church today. But it scarcely seems as if I ^{would have been} warranted in so doing not knowing that I ever experienced religion as I supposed others did. If I felt certain that I was accepted of Jesus I would not hesitate at all as it is I scarcely know how to do; Mr Cleveland wishes me to join & ²² I think I will next January.
