

This is the Season We're All Quarantined

(to the tune of These are a Few of My Favorite Things)

Written by Miranda Burdo

Covid 19 comes and infects the nations 🌐
Pandemic proportions, is this Revelations? 📖
Invisible germs 🦠 that are on everything
This is the reason we're all quarantined! 🏠
Face shields and face masks 😷 and hand sanitizer 🧴
CDC updates to make us feel wiser ✅
Government 📄 mandates that close everything
This is the season we're all quarantined
Please don't cough or sneeze 🤧 in public!
It makes others mad 😡
I finally found one small bottle of bleach
And that makes me feel so glad! 🧼
Vacations all canceled 🚫 and gas prices fallen
Churches 🏛️ and classes are all meeting online
Staying at home just can't get more boring 😞
I'm going stir crazy 🤪 while quarantined
Six feet and cashless 💳 and following arrows
Touchless transactions, our choices are narrowed 🤖
Standing in lines while social distancing
When will we ever not be quarantined?!
CORONAVIRUS! 2020! It all makes me sad. 😭
But then I remember 🧼 my stash of T.P.!
And then I don't feel so bad! 🧴🧴🧴 😊
