

Kahoot Activity - Teacher/Facilitator Guide

One of the components of lesson 4 is a Kahoot quiz. You will need to create a Kahoot quiz yourself, the process is very simple, easy, and free. To make it easier the quiz question and answers are listed below. The Answer key is below. If you do not want to create a Kahoot quiz you can print off the quiz and distribute it to the learners as a handout.

Link to Kahoot website <https://kahoot.com/schools-u/>

1. You may need to make an account
2. If you have a Gmail you can create it through Gmail, if you do not have Gmail it is a standard online signup
3. Once you created your account and signed in successfully you should see a screen with the purple bar at the top
4. Click on 'Create' on the right side of the purple bar
5. A screen will appear with options, click the top left square where it says 'New Kahoot'
6. Your creation screen should appear, you can simply copy and paste the question into the bar which says 'Click to start typing your question'
