**AN OPEN INVITATION TO
ALL AFRICAN AMERICAN STUDENTS**

Sometimes the life of a college student can be difficult. When you have to juggle classes, studying, a part-time job and other activities, you may at times feel overwhelmed. For an African American student on a predominantly white campus, surviving becomes even more of a challenge.

The African American faculty and administration here are not only familiar with many of the challenges you face, they also are ready to help you meet them head on. That's why we're inviting you to meet with us at 11 a.m., Thursday, September 5, in the University Center's OVC Room.

Among the topics we'll consider: (1) what you can expect from us, (2) what we expect of you, (3) our responsibility to you, and (4) your responsibility to us.

So mark your calendar and plan to join us at dead-hour (11 a.m.) on Thursday, September 5, in the OVC Room.
