## HERE'S A GOOD TRIVIAL PURSUIT QUESTION FOR YA!!

In 1959, what surfboard manufacturer had a team with such members as Donald Takayama, Robert August, Henry Ford, Mike Purpose, Lance Carson and Kemp Aaberg? These were just a few members of one of the best teams in this era. The surf shop was located on Ardmore Street in Hermosa Beach California. (Send your answer to: L.B. Trivia, %Rob Autrey, P.O. Box 4109, St. Augustine, FL 32085. The first two people to submit the RIGHT answer will win a T-Shirt!!)

Rob Autrey of "Underground Longboards" reports getting a lot of orders for boards anywhere from 9'6" to 11'6". The classic look in LONGBOARDS is back. Big with basic colors, stripes and fabric inlays. Also T-Band stringers and Tri-Stringers are becoming the norm. CHECK 'EM OUT! ALL of the last batch that Rob shaped were SOLD OUT in just a couple of weeks. IF YOU SNOOZE, YOU LOOSE!!
