NTU CCA Singapore's guided tours for schools are a platform for learning about important issues and concerns of our times, through the lens of contemporary art. Led by the Centre's curators, key themes of the exhibitions will be discussed, providing opportunities for honing observation skills and interpretive thinking.

NTU CCA Singapore also offers school assembly presentations that introduce students to contemporary art. Tours and presentations are conducted free of charge. For enquiries and requests, please email NTUCCAEducation@ntu.edu.sg.
