We're #1 Again!

A.L. Williams/
MILICO

#1 — In Individual Life Insurance Protection Placed In Force

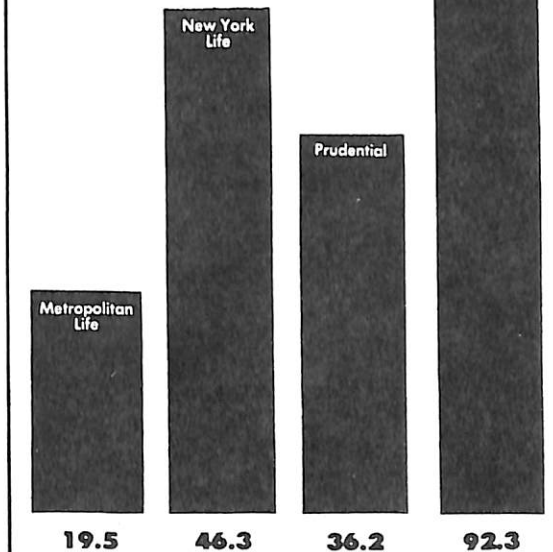

- \$92.3 billion in 1988
- More than the #2 and #3 companies combined
- #1 for the fifth consecutive year

Why is A.L. Williams winning? Because we answer the needs of families today. With "Buy Term and Invest the Difference," we offer a simple philosophy that people can understand — maximum protection for minimum dollars.

Competing companies might not like our phenomenal growth, but our clients sure do — all 1.8 million of them. They like what we stand for. They like what we do. They buy.

And they keep making us number one. Again and again and again.

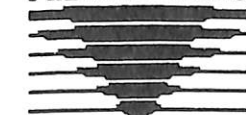

1988 Individual Life Insurance Issued (billions of dollars)

#1 — Five Years in a Row

In appreciation to all
our friends and clients
