FACULTY COUNCILS

I

EXECUTIVE COUNCIL

The Executive Council includes the following members: the President of the College, the Dean of the College, the Dean of Men, the Dean of Women, and four faculty members elected by the faculty for terms of four years each. One faculty member is chosen from the division of humanities, one from the division of natural sciences, one from the division of social sciences, and one from the faculty at large.

The Council acts for the faculty on matters which should not be postponed until the next full meeting of the faculty. It acts upon petitions of students for waivers of rules enacted by the faculty, or for the reversal of rulings made by officers of the College. It advises the faculty, the deans of the College, and the President, and it takes the initiative in considering major questions of educational policy, making suitable recommendations thereon to the faculty, or to any officer of the College. The Assistant Dean - Registrar is the executive secretary of the Council and will present petitions to the council for action.

II

COUNCIL ON ADMISSIONS, SCHOLARSHIPS, AND PRIZES

This council shall be responsible for recommending basic policy and maintaining general oversight of the administration of the college's programs of admissions, scholarships, prizes, and financial aid.

III

COUNCIL ON EDUCATIONAL PROGRAMS

This council shall consider and recommend action on all matters which are related to the formal educational program. Included in its responsibilities are the continuous examination and development of the curriculum, the college calendar, the library program, and co-curricular activities such as convocations.

IV

COUNCIL ON FACULTY DEVELOPMENT

This council shall consider and recommend ways and means of encouraging the continuous professional growth of the faculty. Among its duties are the review of proposals for summer research and study grants, innovations in teaching methods, and the accumulation and dissemination of information regarding research opportunities. The Tenure Committee is a standing committee of this council.

V

COUNCIL ON STUDENT LIFE

This council shall recommend basic policy and maintain general oversight of all student regulations, the calendar of social activities, and the college's programs of extracurricular activities, including athletics, student publications, and religious life.

COLLEGE DEANS

The Dean of the College is responsible for leadership of the faculty in the development and determination of academic policy, especially in curriculum development and instruction; and for administration of the program of instruction. He is responsible for encouraging and facilitating professional development of all members of the faculty. The Dean of the College is vice chairman of the faculty, the President being chairman.

The Assistant Dean for Student Affairs aids the Dean of the College in the development and coordination of policies and programs in co-curricular areas. He is specifically responsible for coordination of the functions of faculty advisers to student organ-

izations; for development and administration of convocations, lectures, concerts, chapel services, and other educational and cultural events, and for fostering programs to enrich the residential and social life of members of the student body. He serves also as college pastor and as general adviser to students in matters specifically served by other officers of the College.

The Assistant Dean-Registrar aids the Dean of the College in administering the instructional program. He is specifically responsible for coordination of the functions of the faculty as academic advisers to students. He is charged with the scheduling of courses of instruction and the registration of students therein, and the maintenance of permanent student records. He is responsible for the continuous conduct of statistical studies of faculty loads and of the academic performance of students, for the certification of transcripts of students, and for the maintenance of such rosters as the Dean's List, warning lists, etc. The Registrar also serves as secretary of the faculty and the Executive Council.

FACULTY ADVISORS

Each member of the freshman class is assigned a faculty advisor who will advise him during his freshman and sophomore years. The Advisor will counsel him on the plan of his courses, register him in classes, and give him help on other matters which are important while the student is a resident of the College.

At the end of his sophomore year, the student elects a major field of concentration, and the chairman of the major or a faculty member designed by him becomes the student's advisor.

FRESHMAN ORIENTATION

In addition to preliminary information which new students receive prior to the beginning of classes, orientation sessions are planned throughout the two long terms. Presentations to the entire freshman class and small discussion sections are held in which groups of freshmen have the opportunity to discuss issues arising from the presentation or other matters of concern with faculty advisors and student advisors.

COUNSELING SERVICE

The Student Counseling Center in College Hall helps students, upon request, regarding problems which arise during attendance

at Centre College. The counselors assist students having difficulty adjusting to the college community. They also attempt to help students to become more accurately informed about their aptitudes, abilities, and interests, and to arrive at intelligent decisions about their educational and occupational goals.

Students who wish to have help from these counselors may arrange for appointments at the counseling center. On the basis of information gained from discussion with the individual student, college personnel records, psychological tests, and inventories, the counselor attempts to help the student understand his problems, assume responsibility for them, and work out solutions. The Dean of the College, the Assistant Deans, the Dean of Men, the Dean of Women, and the College Pastor are also available for discussion of student problems.

PLACEMENT SERVICE

The placement office seeks to stimulate interest in the search for the most appropriate and rewarding career, gives encouragement and guidance in job selection and analysis, and attempts to provide information and background necessary to make individual decisions.

The placement office is located in the counseling office in College Hall. Students are encouraged to check with this office early in their senior year.

MEDICAL CARE

The College has made all reasonable provisions for student health and safety by means of the Parsons Health Center. The services of the college physician and staff nurses, the use of the infirmary, and ordinary medical care are provided at no cost to the student. However, the student will be expected to pay for special drugs or medications used in treating his illness.

MAIL SERVICE

A post office for all students is maintained in College Hall. Men and women students, including those who do not live in a college residence, will be assigned individual mail boxes. Students should have all mail addressed to their college post office box

number. All insured packages should be addressed to Centre College, with the student's college box number included. All uninsured parcel post for women should be addressed to their own dormitory house.

LAUNDRY SERVICE

Representatives from different laundries collect laundry and dry cleaning twice a week. The orders are usually returned within two to four days. Also for laundry purposes, coin-operated washing and drying machines are available in the basements of some of the residences.

CHAPEL AND CONVOCATION

The weekly chapel service is held at 6:15 p.m. on Sunday, usually in Sutcliffe Hall Ballroom. In this service, students and faculty members come together to join in the worship of God. Normally, the College Pastor leads the college community in corporate worship, although other faculty members, students, visiting speakers and films are used on occasion to enrich these services.

The 7:00 hour on Tuesday evenings is ordinarily reserved for a general convocation. Local and visiting speakers of general interest, films, and programs in the fine arts comprise the major portion of this series. Student recommendations are welcomed, and student organizations take charge of occasional convocations.

The College believes that chapel and convocations are vital parts of the student's experience. Attendance at chapel is encouraged on a voluntary basis. *Attendance is required at a given number of convocations.* (The total number is set by the Executive Council.) Each student turns in a signed convocation admission ticket when he attends so that a record of attendance may be kept. *A student who does not attend the required number of scheduled convocations is subject to disciplinary action. A student who continually absents himself from convocation may be asked to withdraw from the college.*

SUTCLIFFE HALL

Sutcliffe Hall is the student center with a ballroom, game room, snack bar, a small chapel, several student organization offices, and the office of the Assistant Dean of Student Affairs. Any organized student activity to be held at Sutcliffe Hall must be

LIBRARY

The Grace Doherty Library is a multi-purpose four-level structure which houses Centre's main library, fifteen rooms that can be used as both classrooms and library reading rooms, most faculty offices, a two-hundred seat auditorium, a language laboratory, and a special area for an audio-visual center with a closed circuit television installation.

The newspaper and government document collection on the first level, the reference and periodical collection on the second level, and the main library collection on the third level are maintained on an *open stack system* for the convenience of all users of the library. The convenience is based on the desire to offer the maximum service to the user and is balanced by an equal responsibility which involves reasonable check-out procedures and a system of fines.

Library hours for 1969-1970 are as follows:

Monday-Friday

8:30 A.M. — 5:30 P.M.

7:00 P.M. — 11:00 P.M.

Students who have satisfactorily completed the amount of work indicated herewith are classified as follows:

Freshmen — less than 8 courses

Sophomores — 8-17 courses

Juniors — 18-27 courses

GRADUATION REQUIREMENTS

Graduation requirements are as follows:

1. Satisfactory completion of 38 term courses.
 - a. A student must present no fewer than 10 courses numbered 30 or higher among the total of 38;
 - b. No student may present for graduation more than 10 courses numbered 30 or higher in any one discipline;
 - c. A senior may enroll in courses numbered under 20 only with the written consent of his advisor and approval by the Chairman of the Division in which the course is to be taken. In no case may a senior take more than 2 such courses except courses in language and mathematics are not included in this two-course restriction.
2. CEEB Achievement Examinations in foreign language and mathematics before the end of the sophomore year.
3. College Level Examinations of the CEEB in the spring of the sophomore year.
4. Completion of specified requirements in term courses as follows:

 - b. 4 term courses in the sophomore year, choosing the continuation of two programs taken in freshman year;
 - c. 3 term courses in the junior-senior program of Integrative Studies as follows:
 - (i) A two-term sequence (IS 31, 32) in Bible, philosophy of religion, moral philosophy, and Christian ethics;

5. Completion of a major program, including a senior seminar or a comprehensive examination.
6. Graduate Record Examination.
7. Satisfaction of participation requirements in college-wide convocations and in physical education.
8. Recommendation of the faculty.

ATTENDANCE

1. Students at Centre College have individual responsibility for class attendance. Instructors shall explain to students at the beginning of each course their expectations and grading policies with regard to attendance at class meetings.

2. The instructor shall make a reasonable effort to warn any student whose absences seem to adversely affect his standing in the course.

3. Instructors will keep an accurate record of each student's attendance which will be available to the student, his faculty advisor, and other officers of the college.

4. Prompt attendance at all classes and exercises is expected. The penalty for tardiness is left to the discretion of the instructor.

5. Subject to term-by-term review, the faculty imposes no extra-ordinary penalties for absences from classes which met immediately prior to or following College vacations or recesses. However, students are reminded that these class periods are integral parts of the term and are thus no less suitable for tests, etc., than are other class periods throughout the term.

In order to determine whether the educational program of the College is being weakened by excessive absences before and after holidays, the faculty shall, as a matter of course, report all absences on these days to the Office of the Assistant Dean-Registrar.

6. All students are required to attend a set number of convocation programs during each term. Failure to do so will result in disciplinary action (see Chapel and Convocation, page 9)

7. In the enforcement of these regulations, the Dean of the College shall have full administrative authority with advice when needed from the student's advisor and from the Executive Council.

COURSES

1. *Auditing Courses:* A student who wishes to audit a course must register for that course as an auditor. His registration is accepted only when approved by the appropriate instructor and the Assistant Dean-Registrar. The fee for auditing a course is the same as for a course taken for credit. A student, with the instructor's permission, may attend a course without registering or paying a fee.

2. *Change of Course:* A student who wishes to change a course must consult his advisor and then file with the Assistant Dean-Registrar a petition for the change.

3. *Correspondence Work:* (1) Ordinarily, no credit will be allowed for correspondence work begun, carried out, or completed at a time when the student is in residence at Centre College or any other college or university. (2) No more than two courses (or six credits) earned in correspondence work may be applied toward a degree to be granted by Centre College. (3) No credit for correspondence work will be allowed except when the student's registration has been approved in advance by his advisor and the Assistant Dean-Registrar. No such approval will be given unless the college or university in question is approved for correspondence work by its regional accrediting association.

4. *Registration in Courses:* A junior or senior may register for three courses in his major subject if he has completed his required courses and if no more than two of the three courses are given by the same instructor. All selections of courses must have the approval of the Assistant Dean-Registrar at the time of registration. No credit will be given for any course taken without approval.

5. *Course Load:* All candidates for a degree shall be required to register for a minimum of 3 term courses per long term and 1 term course per short term unless excused by the Executive Council. Any student with fewer than the required number of courses shall not be eligible for honors during that term, or represent the College in extra-curricular activities.

6. *Summer School:* (1) No credits earned by a Centre College student in summer school at a junior college, college, or university which is not accredited by one of the regional accrediting

ing associations will be entered upon the student's permanent record at Centre College. (2) No credits earned by a Centre College student through work in a summer school at another college or university will be entered upon the student's record at Centre unless approval was granted in advance by his advisor and the Assistant Dean-Registrar or the Executive Council. Such approval will not normally be granted to a student who is on academic probation.

7. *Withdrawal From Courses by Students:* (See Grading Systems and Reports below).

8. *Withdrawal of Courses Offered:* The College reserves the right to withdraw any course for which fewer than five students have registered.

GRADING SYSTEM AND STUDENT STATUS*

This grading system which was adopted for the *freshmen entering in the fall of 1967* and for all subsequent classes is based on the three-level pass, as described below.

<i>Symbol</i>	<i>Interpretation</i>
3	<i>Exceptional:</i> displays highest achievement on the broadest base.
2	<i>Distinctive:</i> displays creativity in concepts and expression which at times may be exceptional.
1	<i>Satisfactory:</i> possesses entirely satisfactory mastery of the subject and displays consistently sound scholarship with assurance of competence to proceed to the next higher level.
U	<i>Unsatisfactory:</i> failed to master the basic requirements of the subject; success in subsequent courses at the next higher level is doubtful.
P	<i>Pass:</i> a non-competitive passing mark awarded at the request of the student for work at the satisfactory level or higher.
WP (Withdrew Passing)	
WU (Withdrew Unsatisfactory)	
I (Incomplete)	

* Seniors should consult the 1968-1969 Handbook.

After attaining sophomore standing, a student may enroll for one course a term on a Pass-Unsatisfactory basis with a maximum of four such courses during his college career. Within two weeks after the beginning of a long term or one week after the beginning of a short term he may elect to change from a Pass-Unsatisfactory basis to a regularly graded status or from a regularly graded status to a Pass-Unsatisfactory basis. No change in grading status may be considered after that time.

No entry of courses attempted will be made for courses from which a student is allowed to withdraw without a grade (W) or withdraw passing (WP). WU has in every respect the same effect on a student's record as a failure at the end of a course.

Any student who withdraws from a course after mid-term shall be graded WU. If, however, the student is passing the course and feels that he has strong reasons for withdrawing, he may petition the Assistant Dean-Registrar for permission to withdraw with the mark of WP.

A grade of I (Incomplete) may be recorded by a faculty member for a student who for unavoidable cause (i.e. illness, death in family, accident or similar reasons) is unable to complete the course requirement or is absent from a final examination. If the work is not completed as soon as possible, but in any event within thirty days after the end of the term, the I automatically becomes a U unless the faculty member concerned has turned in a final grade before the end of the 30 day period. Exceptions or extensions of time may be granted only in exceptional circumstances by the Assistant Dean-Registrar.

THE RULES PERTAINING TO WARNING AND SUSPENSION ARE AS FOLLOWS:

In order to be proceeding in an orderly fashion toward a degree, a student should have a grade of Satisfactory or better on all work attempted at Centre College. According to present faculty legislation, subject to annual change without notice, a student who accumulates two Unsatisfactory grades *in any twelve-month period* is warned that he is in danger of suspension. A student who accumulates a total of four Unsatisfactory grades *in any twelve-month period* is suspended automatically. A student who ac-

cumulates three Unsatisfactory grades during any given term is suspended automatically.

A student under suspension may be considered for readmission after the lapse of one long term. However, readmission is not automatic; the student must show persuasive evidence of ability and desire to do satisfactory work at Centre College. Academic work at another institution may be used in support of the petition for readmission, but no transfer credit will be given for such work. Upon readmission he must pass all work for which he is registered in the term of his readmission and thereafter proceed toward graduation at a rate satisfactory to the Executive Council.

A student who has twice been suspended will not be considered for readmission to Centre College.

GRADE REPORTS AND CHANGES

Members of the faculty may not, except by action of the Executive Council, change a final grade after it has been filed with the registrar.

Each member of the faculty should notify his students of their final grades. Grade reports on each student are sent to the parents or guardian each term.

No credit is allowed nor is transcript of credit issued for any student whose account is unsettled at either the library or the business office.

EXAMINATIONS

1. *Final Examinations:* Final examinations are required in every course at the scheduled time, but, on consultation with the Assistant Dean-Registrar, a term paper or other requirement may be substituted for the final examination. A student absent without excuse from a final examination will receive a failing grade in the course.

2. *Graduate Record Examinations:* All seniors are required to take the Graduate Record Examinations. A student declaring more than one major shall take the advanced test of the Graduate Record Examination in each major.

3. *College Level Examination:* All sophomores are required

to take the College Level Examinations of the College Entrance Examination Board during the spring of the sophomore year.

DEGREES

1. *Application for:* Degrees are conferred only on those candidates who submit to the registrar, not later than four weeks before the date of commencement, applications for the degree, who complete all the requirements for the degree, and who are recommended for the degree by vote of the faculty.

2. *Graduation in Absentia:* Candidates who desire the degree to be awarded in absentia must petition the Executive Council for the privilege. The petition should reach the Executive Council no later two weeks prior to commencement.

3. *Graduation Fee:* Candidates for a degree who have not been in residence during either of the two long terms immediately preceding the date of graduation will be required to pay a graduation fee of \$20.00.

WITHDRAWAL FROM COLLEGE

Students who leave the College without signing an official withdrawal card in the Assistant Dean-Registrar's office shall receive the grade of U in each course. If the student signs the withdrawal card and is passing in his work and if there is satisfactory reason for his leaving the College, his record will indicate that he withdrew with a passing grade in the subjects in which he was currently registered. A student who withdraws from the College or who is suspended or dismissed for cause may be readmitted only by vote of the Executive Council.

PETITIONS

Petitions (appeals for exceptions to a rule) presented by a student to the Executive Council must be signed by the student's advisor and placed on the Council's agenda with the Assistant Dean-Registrar.

LATE REGISTRATIONS

Special attention is called to the registration days in the College Calendar. Students who do not avail themselves of the

opportunity to register on the days indicated will be charged a late registration fee of \$5.00.

TRANSCRIPTS

Current practice on all of a student's records is as follows: The records will only be made available to unauthorized persons on campus or to any persons off campus a) with the consent of the student, b) under legal compulsion, or c) in cases where the safety of persons or property is involved.

Two transcripts are furnished, upon request, without charge. A charge of \$1.00 is made for each additional complete or partial transcript, but no extra charge is made for supplementary transcripts or for various types of certificates.

WRITING STANDARDS

1. All written work, except as otherwise specified by the professor, must be done in ink or typed.
 - a. Dark colored ink or typewriter ribbon must be used.
 - b. No marginal or inter-line corrections may appear on term papers.
 - c. Except for unannounced quizzes, or in certain departments, pen and ink must be used in writing examinations and quizzes.
 - d. Corrections in quizzes and examinations must be made with one line drawn through the material to be deleted.
 - e. Writing must be legible.
2. The student must follow the basic rules of grammar and punctuation and use proper sentence and paragraph structure, diction, and spelling.

In writing papers for college courses, the student will be held strictly responsible for knowing the difference between legitimate and illegitimate use of source materials. Illegitimate use is called *plagiarism*, which is subject to disciplinary action. A clear explanation of the subject of plagiarism (and of proper documentation) can be found on pp. 357-360 of *Practical English Handbook*, a book required of all freshmen.

Cases of cheating on examinations or of plagiarism on assigned written work will be reported to the dean of the college. He or the faculty member concerned will ordinarily prosecute such cases before the men's or women's judicial board. That portion of the Constitution of the Student Government which concerns student judiciaries is Part Two, and is contained in this handbook. Decisions of these student judicial boards involving suspension or dismissal from the College take effect only after review and approval by the president of the College.

FINANCIAL ASSISTANCE REGULATIONS

1. A financial statement is required annually as the application for financial aid.
2. The following standards must be maintained by the student to be continued on financial aid:
 - a. High standards of personal conduct.
 - b. Prompt payment of college bills.
 - c. Maintain the following academic standards:
 1. Merit, Baker, and Honor Scholars are selected in competition, and superior performance in academics and conduct is expected of them. No specific grades are required, but recipients of these awards can expect to continue as named scholars only if scholarly work is being done.
 2. All aid recipients are required to maintain good academic standing as interpreted by the Faculty Committee on Financial Aids. A student who fails to meet this minimum requirement is no longer eligible for grant or loan funds. The Committee will review each record at the close of the academic year.
 3. An aid recipient who fails two or more courses for any term will have the case reviewed and may lose his assistance.
 - d. An aid recipient may not possess or maintain on campus an automobile, motorized bicycle, or similar motorized vehicle.

- e. Any occurrence which brings question to the determination of a student's need for financial aid for educational expenses will result in investigation and can lead to loss or alteration of aid.
3. The College must be informed at once if a student receiving aid from the College receives awards or aid from other sources, or if resources not indicated on the financial statement become available, since this can change the determination of need.

AUDITING FINANCIAL RECORDS

Any student organization or agency which receives funds from the Student Budget or otherwise, directly or indirectly, from the college treasury, must comply with provisions for the examination and auditing of its books of accounts, contained in the Constitution of the Student Government, Article V., Section 1, paragraphs e. and f.

EXTRACURRICULAR ACTIVITIES

In general any student may participate in any extracurricular activity and hold office, but a student organization may establish its own qualifications for office or membership. No student on social or conduct probation may hold any office in a college-sponsored organization, such as an agency of student government, a social fraternity chapter, or a department club.

No student may, on account of his participation in college sponsored activities, be permitted to miss more than three meetings of any one class in a term.

Student Information and Regulations

GENERAL SOCIAL REGULATIONS

CONDUCT OF STUDENTS

Centre College expects from its students a high level of personal honor and conduct. In all matters the best interests of the community as well as of its members must be considered. While the College undertakes to be scrupulously considerate in all matters of discipline, it reserves the ultimate right to exclude at any time students whose conduct or influence it regards as undesirable. Neither the College nor any of its officers shall be under any liability for such exclusion. Students dismissed or suspended for disciplinary reasons will not be entitled to refund or remission of fees.

The Student Congress and its subsidiary organizations, under the general supervision of the faculty, are vested with the authority to establish specific regulations not inconsistent with general college policies to govern student social life.

Administration of social regulations is subject to the jurisdiction of the Student Judiciary as set out in the Constitution and By-Laws of the Student Congress, which appear in the appendix of this book.

SOCIAL FUNCTIONS

All social activities are under the supervision of the Dean of Men and the Dean of Women, or someone designated by them and responsible to them. The activities are to be governed by the usual rules of good taste and propriety. Except by special permission all social functions of students groups must be held on campus, and these must be registered well in advance at the office of the Dean of Men.

Faculty chaperons will be required at social functions held at places other than fraternity houses. Chaperons will be selected by the Dean of Men from the list of those considered able to engage in such affairs. The student organization shall be responsible for paying the baby-sitting fees of official chaperons.

Responsibility for conduct of those attending a function, whether they are invited or uninvited, rests with the organization sponsoring the event. Student groups are expected to make every effort to insure that the event is a pleasant and enjoyable experience for chaperons who are guests at their functions. Chaperons will report to the Dean of Men, to the Dean of Women, or to the Social Chairman of the Student Congress instances of non-cooperation or lack of responsible behavior.

RESIDENCE VISITS

With the exception of the lower level and first floor of the fraternity houses and the public lounges in the men's and women's residence halls, students are not permitted to enter the permanent or temporary lodgings of members of the opposite sex, either on or off campus, aside from their family residence, except at times and under circumstances authorized by faculty action and promulgated through the Dean of Men and Dean of Women.

USE OF ALCOHOLIC BEVERAGES

The College urges its students to adopt a standard of abstinence from alcoholic beverages while they are a part of the academic community. Intoxication or disorderly conduct is sufficient cause for immediate suspension or dismissal.

The laws of the Commonwealth of Kentucky restrict the transportation and use of alcoholic beverages in local option territory, and prohibit possession for use of such beverages by any person under 21 years of age. Violations of these laws on the campus will be treated as violations of College regulations.

CENTRE COLLEGE POLICY ON DRUGS

Since rigorous professional training is requisite for the determination of safe and efficacious use of drugs, common sense—and the policy of the College—dictates that students should never use drugs except under the care of a physician.

The best available medical evidence also indicates that the misuse of some drugs—that is, use other than under the care of a physician—can produce severe and lasting physical and/or psychological effects. And increasingly, medical authorities are suspecting that the misuse of some drugs can produce long-term genetic effects.

The misuse of drugs is not solely a medical matter; Federal and State laws prohibit the possession of marijuana or the misuse of drugs such as barbiturates, amphetamines, prescription tranquilizers, LSD compounds, mescaline, psilocybin, DMT, narcotics and opiates—all of which are illegal except when taken under a doctor's prescription. Centre College will not condone the illegal possession or use of drugs and cannot and will not protect students from prosecution under Federal or State Laws.

Provision or merchandising of drugs, including marijuana, will ordinarily result in dismissal from the College; illegal possession or consumption will result in action by the College which may include dismissal or enforced medical withdrawal from the College, depending on the seriousness and extent of the offense. Action by the College is not dependent upon the status of a violation in the civil courts.

SMOKING REGULATIONS

Smoking is prohibited in the following places; all classrooms and laboratories, the chapel, library reading room, gymnasium playing floor, and all other places designated by No Smoking signs.

FREEDOM OF PROTEST

The right of peaceful protest within the Centre College community must be preserved. The college retains the right to assure the safety of individuals, the protection of property, and the continuity of the educational process.

Orderly picketing and other forms of peaceful protest are protected activities on college premises in the absence of interference with free passage through areas where members of the college community have a right to be. Interference with access to college facilities, interruption of classes or authorized college functions and damage to property exceed permissible limits.

Leaflets may be distributed in public corridors of college buildings and notices may be posted on designated bulletin boards. But distribution of leaflets and posting of notices in the classroom may be forbidden by the professor in charge.

College participation in the placement process is a service function commonly assumed by colleges in satisfaction of the wishes of the great majority of their students. So long as any recruitment is permitted on Centre's campus, any private or governmental organization which is not illegal under federal, state, or local law, shall be given an opportunity to recruit students on campus. Every student enrolled in the college has the right to be interviewed on campus by any legal organization which desires to recruit on the campus. Any student or group of students has the right to protest against the appearance on campus of any organization provided that the protest does not interfere with any other student's opportunity to have such an interview.

The rights and privileges enumerated in this statement apply only to members of the Centre College community. Unauthorized persons from outside the community who engage in protest activities may be asked to leave the campus and will be treated as trespassers if they fail to do so.

Students who violate these limitations shall be warned. Any who persist after being warned may be suspended from the College by an authorized officer of the faculty pending a hearing before the appropriate judicial board. Students subsequently found guilty by the appropriate board of violating these limitations shall be subject to penalties up to and including dismissal from the College.

MEN'S REGULATIONS

GENERAL GUIDELINES

In 1967 and 1968 the National Student Association, the American Association of University Professors, and the American Association of Colleges, together with other national groups, adopted a "Joint Statement on Rights and Freedoms of Students". The faculty and trustees of Centre College have approved this statement in general principle, with the qualifying definitions of the Association of America Colleges, and with the recognition that specific regulations, policies, and processes to assure clearly

understood relationships among students and between students and the College must be developed and administered on the campus. This document affords guidance for the continuing development of specific policies and regulations by the Student Congress and the faculty.

RESIDENCE REGULATIONS

Each resident student is required to live in college housing and to take his meals in the college dining hall.

The Dean of Men lives in Nevin Hall and has charge of all men's residences. Working under him is a student resident assistant on each floor. In order to make effective study possible, quiet hours are observed in and around each residence between 7:00 P.M. and 7:00 A.M., Sunday through Friday.

Reasonable consideration for one's fellow students suggests that radios and record players should be played so as not to disturb others and that doors should always be closed when radios and record players are in use or when a "bull-session" is in progress. Quiet hours apply particularly to halls and stairways, which readily transmit disturbing noises. *Each student has a direct interest and responsibility in seeing that the quiet hours are observed.*

CARE OF PROPERTY

Each student is responsible for college property in his own room. When unnecessary damage occurs, the person responsible will be charged for costs of replacement or repair. If damage is against common residence property, such as halls, baths, stairways, lounges, and the person or persons responsible cannot be determined, the charges will be divided equally among all occupants of the floor or residence.

No furniture may be removed from a room in any residence without permission of the Dean of Men.

Community living necessitates good habits of personal health and orderliness both in the student's own room and elsewhere in the residence. Since the janitor and maids cannot be on duty twenty-four hours a day, each resident is responsible for keeping his own room clean and orderly.

The College reserves the right to dismiss from residences any occupant whose room is not kept in good order, or who willfully misuses or damages college property.

If any occupant withdraws from college or transfers to quarters others than residences or changes rooms within a residence, his room will be checked for damage and missing furniture and equipment.

KEY AND DAMAGE DEPOSIT

All student residents are required to pay a \$25.00 key and damage deposit at the opening of the college year. At the end of each academic year, assuming the return of student keys and no room damage, the entire \$25.00 will be refunded. If damage to a room or building exceeds the amount of the deposit, the difference will be charged to the student.

ROOM CHANGES

No change may be made in room assignments in residences until after the first thirty days of any term, except with special permission of the Dean of Men. Moves from one floor to another or to a fraternity house must be authorized in advance.

ELECTRICAL APPLIANCES

The electrical circuits throughout the residences will not safely carry an excessive load of electrical appliances. Radios, electric fans, record players, electric razors, and bed lamps are allowed, but all other electrical appliances must be reported to the Dean of Men for clearance.

CASE OF FIRE

The general construction of the residences is relatively fire proof. There is, however, the possibility that a piece of furniture, a trash can, a door, or a window will catch fire. In case of fire, it is each student's responsibility to see that it is reported immediately and that all occupants of the residence leave the building.

It is also important that fire extinguishers be in the proper place at all times. *Fire extinguishers must not be tampered with. Persons found guilty of such tampering may be dismissed from college.*

FIREARMS

No firearms will be kept in the residences or fraternity houses at any time. All firearms are to be checked into the office of the Dean of Men, where they will be kept and removed only with permission of the Dean of Men. Having firearms in one's possession in the dormitory or fraternity house will be sufficient reason for disciplinary action.

Pellet guns, BB guns, etc., will not be permitted at Centre College at any time. Fireworks will not be kept or fired in or around the dormitory or fraternities. Possession or use of fireworks is sufficient grounds for suspension.

PETS

The maintenance of pets (animals, birds, or reptiles) in student residences is not permitted, except in fraternity houses.

PERSONAL HEALTH

If a student feels ill, he should at once see the college nurse or a physician. By failing to report his illness, the student may be responsible for ill health among other residents of the residence hall. A student who is sent to the infirmary or hospital should notify the resident assistant on his floor or the Dean of Men.

SALESMEN WITHIN THE RESIDENCES

One of the problems of any college or university is to keep "fast deal" salesmen out of residences. Some college students experience serious losses by dealing with such persons. Another reason for keeping salesmen out of the residences is the disturbance they cause.

No salesmen are allowed in residences or fraternities. If a salesman comes, report him to the Dean of Men. (The above regulation does not apply to general laundry pickup and delivery services).

STANDARD OF DRESS

The following is the minimum standard of dress in classrooms, laboratories, chapel, convocations, the library, the dining commons, Sutcliffe Hall, and in the faculty and administrative

offices:

1. For men: slacks, jeans or bermudas, and a shirt with a collar or a sweater over a shirt, and shoes.
2. For women: dress, skirt, slacks, bermudas or jeans, with blouse or sweater; and shoes.

AUTOMOBILE REGULATIONS

Resident sophomore, junior, or senior students may have the privilege of keeping automobiles, subject to the following regulations. No freshman may have the privilege during the fall and winter terms, except in the rare cases of necessity, specifically authorized in advance by the Dean of Men or the Dean of Women.

1. STUDENTS WHO ARE NOT ELIGIBLE TO REGISTER VEHICLES MUST LEAVE THEM AT HOME. Illegal possession of an automobile shall result in *at least a \$25.00 fine.*

2. An automobile must be registered in the office of the Dean of Men, at which time there will be a five dollar registration fee.

3. An appropriate decal (color to be changed each year) must be placed in the lower right-hand corner of the windshield as a means of identifying a registered automobile. There will be a ten dollar fine for those who do not display it.

4. No student may register an automobile without first providing a certificate of insurance, one copy of which is to be kept on file in the Office of the Dean of Men. The insurance policy must cover the period for which the student is enrolled. Liability insurance must cover the entire academic year and the minimum coverage shall be 10/20/5.

5. NO FINANCIAL AID RECIPIENT MAY POSSESS OR MAINTAIN AN AUTOMOBILE ON CAMPUS.

6. ANY STUDENT ENROLLED AT CENTRE COLLEGE WHO FAILS TO REGISTER HIS AUTOMOBILE AT THE TIME HE REGISTERS FOR CLASSES WILL BE SUBJECT TO SUSPENSION FROM THE COLLEGE FOR THE REMAINDER OF THE TERM. REGISTRATION OF AN AUTOMOBILE AT ANY OTHER TIME MUST BE AP-

PROVED BY THE DEAN OF MEN OR THE DEAN OF WOMEN. There will be a fine for late registration.

7. Student maintenance of a motor vehicle is a privilege and carries with it responsibilities for proper use of the vehicle. Common sense is the basic rule to be observed. However, the following requirements must be met:

a. The statutes of the state of Kentucky must be observed whenever a motor vehicle is operated, whether on or off campus. It is the responsibility of the student to familiarize himself with these laws.

b. No parking is permitted at any time on roads or drives on campus. No parking is allowed within ten feet of any fire plug.

c. The speed limit on college property is 15 miles per hour.

d. Unnecessary blowing of horns on campus, especially at night, and noisy mufflers are prohibited.

8. Citation for or conviction in a public court of any violation of motor vehicle laws may be sufficient cause for revocation of the student automobile privileges.

9. The Student Judicial Board may deprive a student of the privilege of operating a motor vehicle while on campus, or may assess other appropriate penalties, should he fail to comply with any of the regulations above.

STUDENT CONGRESS

The Student Congress, composed of thirty-two elected representatives, is the student governing body of the campus. It is responsible for sponsoring and integrating the various social events on campus and for promoting better communications between administration and students. The Congress also has the power to petition the faculty on issues which it feels are important in the growth and welfare of the student population. Interested students are welcome to attend the meetings of the Congress.

The officers are elected in a campus-wide election every spring and form the executive leadership for the following year.

The Student Congress Officers for 1969-1970 are:

President	Jayne Horkey
Vice-President	Lee White
Secretary	Forrest Roberts
Treasurer	Larry Hood
Social Chairman	Jim Freeman

SOCIAL EVENTS

ORIENTATION

The first dance during Orientation Week is now a Centre institution for welcoming new students. The occasion provides an important opportunity, especially for the freshmen, for making new friends, as well as initiating the fall social season. Dress for this is strictly informal—ordinary school clothes—and a combo provides entertainment.

HOMECOMING

Sponsored by the Student Congress, Homecoming, the first formal dance of the year, is held on the evening of the Homecoming football game. The weekend is always an important occasion for returning graduates, parents, and current students alike, and Centre's hospitality welcomes all. Dress for the dance is semi-formal, with cocktail dresses for the women and coats and ties for the men.

CHRISTMAS

The anticipation of the Christmas holidays lends a special sparkle to the Christmas Dance, which is usually held on the evening preceeding the vacation. The dance features a name band and is sponsored by the Student Congress. Dress is again semi-formal.

GARDENIA

Held in the spring just before vacation, the Gardenia Dance recognizes the freshman class and is entirely put on by them. A

freshman woman is chosen to reign as queen of the dance by the freshmen men. Dress is semi-formal.

TURNABOUT

There may be more than one Turnabout Dance featured during the year, but such a dance is generally held on Valentine's Day. This is the chance for the women to grab the date of *their* choice; it is an informal dance and is sponsored by the Student Congress.

CARNIVAL

Carnival weekend begins with Spring Sing, an inter-dorm and inter-fraternity contest judged by faculty members. The Carnival pageant is sponsored by the "C" Club, and it features the Carnival king and queen, their court, and the varsity lettermen. An all-night dance follows in their honor. Given by the Student Congress, the first half of the night is a formal dance—full length formals for the women and tuxedos for the men—while the latter half features an informal combo with games and other entertainment.

The group participates in the Kentucky Philosophical Association and in that body's annual philosophy essay contest. Membership in the group is open to all students who wish to participate.

THE ALL-CAMPUS FUND

Sponsored through CARE, the All Campus Fund is held every year to benefit special college projects which currently include The World University Fund, and The Save The Children Federation. Especially important to the students is the care of Vivien Pancho, a child "adopted" by the College through the Federation. The campus-wide drive depends on pledges from the students and also collects from many events, such as sloppy-dress in the dining hall, planned especially for the fund raising.

PITKIN CLUB

The governing body of the organization, the W.R.A. Council, is composed of the President, the Vice-President, the Secretary-Treasurer, the Social Chairman, and the presidents of recreational clubs. All women students are members in the organization; participation in one W.R.A.-sponsored activity entitles one to become an active member. All active members are awarded a certificate for their participation.

CHEERLEADERS

Any student is eligible to try out for the position of cheerleader of the Centre squad. The squad is composed of six or more members. Preliminary tryouts are held each spring before the "C" Club which selects seven to ten nominees depending on the number of vacancies. From these nominees the cheerleaders are chosen by a student-wide election. A cheerleader must try out every year.

Each cheerleader shall attend all home games, all games within traveling distance, and any other games in which there is general student interest. The cheerleaders for 1969-1970 are Peggy Combs, Betty Fowlkes, Susie Koch, Ann Davis Markwell, Margaret McDonald, Bev Rickett, and Karen Williams.

The publication attempts to stimulate and entertain by presenting a magazine containing contributions from students and faculty. WOMEN'S RULES

ABSENCES FROM RESIDENCE HALLS

Whenever a student leaves her house after 7:00 P.M., or expects to be out later than 7:00 P.M. (except for dinner on campus), she must sign out on the resident book. As soon as she returns, she signs in. If a girl is out after 7:00 P.M. but has failed to sign out, she must call the desk hostess, who will sign out for her. When signing someone also out, one should sign one's initials to the name also. "Late" should be written by the name of a person who has forgotten to sign out after 7:00 P.M.

No woman student may leave the campus alone after dark unless she is driving a car.

No student may leave the house before 6:00 A.M. without special permission.

The exact destination should be given if possible so that a student may be located for an emergency.

OVERNIGHT ABSENCES

For each overnight absence a student must sign a card in advance with the resident director. Before her departure, the student must also sign out on the resident book.

Each girl may have unlimited overnight absences but only on Friday and Saturday nights. Overnight visits may be taken

only in places where there is a chaperone accepted by the college.

BETA THETA PI

Beta Lullaby

Gonna rock-a-bye my baby to a Beta lullaby;
Gonna bring her up on Beta lore and Beta Theta Pi.
Gonna occupy that old porch swing and sing a Phi Chi Phi.
Gonna rock-a-bye my baby to a Beta lullaby.
Rock-a-bye, my baby; sandman is nigh.
Rock-a-bye, rock-a-bye, rock-a-bye, Ra da.

DELTA KAPPA EPSILON

Band of Brothers

A band of brothers in DKE, we march along tonight,
Two by two with arm locked firm and tight.
Our leader signals with hat in hand as we go marching on,
Singing Delta Kappa Epsilon.
So merrily sing we all to D K E,
The mother of jollity, whose children are gay and free.
We'll sing Iota, then we'll sing
To dear old Delta Kappa Epsilon — HEY!

PHI KAPPA TAU

Shiny Pin

He wore his shiny Phi Tau pin right above his heart,
And swore that from its resting place it would never part.
Through four long years of college his vow stood firm and tall,
And he wore his shiny Phi Tau pin in honor of Phi Tau.
Then 'long came a pair of big blue eyes, smiling baby face.
Two restless little dimpled hands removed it from its place.
Now they live in a bungalow with welcome on the wall,
And they pin the baby's diapers in honor of Phi Tau.

PHI DELTA THETA

Castle Painted Blue and White

Gonna build me a castle painted blue and white;
Gonna have a big beer feast every night;
Gonna inlay diamonds all over the floor
With a Phi Delta Theta crest over the door.
Gonna change my blood from red to blue;
Gonna marry a girl from KCW;
Gonna entertain royalty every night
In a castle painted blue, a castle painted white;
A castle painted blue and white.

SIGMA ALPHA EPSILON

Marching One by One

Marching one by one to Sigma Alpha Epsilon,
Honor loyally her name as we go marching on,
And ever shall we stand as brothers in her mighty band;
Centre College, hail to thee, and sing of dear old SAE.
Hail to the purple, hail to the gold;
Hail to hi Alpha, motto of old.
Minervas' true; the lion too; we're loyal sons of old C.C.,
So marching one by one to Sigma Alpha Epsilon.
Honor loyally her name as we go marching on,
And ever, ever shall we stand as brothers in her mighty band.
Centre College, hail to thee and sing of dear old SAE.

SIGMA CHI

Sweetheart of Sigma Chi

The girl of my dreams is the sweetest girl
Of all the girls I know.
Each sweet coed, like a rainbow trail
Fades in the afterglow.
The blue of her eyes, and the gold of her hair
Are a blend of the western sky;
And the moonlight beams on the girl of my dreams;
She's the sweetheart of Sigma Chi.
