I believe this info from Margaret "Fuzzy" Goodnow Howard is accurate (I, of course, knew her) as to the beginning of the chapel, with the exception that Bob Crew was the first Pastor followed by Jerry Huff...  
Blessings, Jay

**Terrific. May God bless you richly for providing this detailed information for the Boston Chapel archives, Mrs. Howard. Please write more when you can, with any Boston Chapel pictures that you may be able to find. We will make copies of the pictures and return originals to you, or place your pictures directly into the ENC Library Archives, whichever you wish. With great appreciation for your association with and service in Boston Chapel. Jim Tasker**

Boston Chapel started as a Sunday afternoon Sunday School for Dover Street children. The man who ran the Dover Street Rescue Mission asked the E.N.C. group that ministered at the Mission to start the SS since there were so many children in the area. From the Sunday School grew Boston Chapel. Jerry Huff '56 was the first pastor. Sam Henck '57 drove the carryall.  
As a student at Eastern Nazarene Academy I went in on Sunday afternoons, probably from 1952 or 1953 - 1956. The two little girls I brought each week lived several blocks from the Mission. The children I remember by name were a girl named Dallas, Phyllis, Philip and Pauline who were siblings and the Blakeleys.  
I remember helping to clean up the first building they rented for services, down the street from the Mission.

Probably in the early 1970's Ann Kimmel, who was either Dean of Women at E.N.C. or Assistant Dean of Women, became involved with Boston Chapel.
