

The Buena Vista High School
The Buena Vista High School is an accredited institution. It is on the list of the secondary schools of Colorado accredited by the University of Colorado.

This accreditation of the Buena Vista High School means that graduates of this school may be enrolled in colleges and universities of the state without an entrance examination, provided they meet the entrance requirements of the college concerned. It means that the outstanding student in the graduating class is entitled, in accordance with scholarship rules, to a scholarship at any of the Colorado collegiate institutions.

It means that certain definite standards set by the University have been met. Among these are the employment of qualified teachers, maintaining the standard length of school, planning and carrying out a required curriculum, upholding desirable standards of scholarship and citizenship, maintaining an up-to-date library and science laboratory, and a definite relationship between the school and the community.

The fact that the school has met these requirements gives it recognized standing in the higher institutions of learning in the state and in many institutions in other states. This accreditization assures the community that their school has been managed in such a way as to meet with the approval of their state university.

To the zyouttr ot today there citizens who will be the leaders of tomorrow and
in wolrom rests the trope of a better world the Seniors of 1950 dedicate this book

## CLASS HISTORY

Class Colors: Fuschia and White
Class Motto
"Nothing is impossible, but some things take longer."
In September, 1946, twenty-six thrill-seeking freshmen found themselves at the foot of a high mountain--High school. They chose as class officers the following: Bob Landes, president; Ruth Swanson, Vice President; Edward Stauffer, Secretary and Treasurer. Mr. Fred Rouse was class sponsor. Alma Bertschy was chosen candidate for Junior Carnival and Edward Stauffer wa: her manager. This year the class received a party for selling the most subscriptions to the U-Tellum.

The class combated stormy weather in its climb, but managed to reach successfully the milestone which indicated its accent of sophomoreship. Twentyseven students were now in the sophomore class. The class officers this year were: Patsy Shields, President; Gerry Kritzmire, Vice President; Dorothy Randall, Secretary and Treasurer. The class sponsor was Mrs. Mabel Hankins. Patsy Shields, who was elected Queen, was the Junior Carnival candidate with Bob Stranahan as her manager. Elsie German received the McGinnis Award for this year.

With the goal barely visible, twenty-one ambitious members of the party continued the course until they reached a bend in the road where they camped as juniors. Gerry Kritzmire, President; Margaret Fowler, Vice President; Dorothy Randall, Secretary; Patsy Shields, Treasurer, were chosen to lead over this difficult route. The class sponsor was Mrs. Celia Calhoun. The Junior Carnival was held October 23, 1948. The theme was "The Last Roundup." Gerry Kritzmire, the junior candidate was chosen Queen. Her manager was Bob Stranahan. The class sponsored a show at the Pine Theater this year. An outstanding event of the year, the Junior-Senior Prom, was held May 7, 1949 at Wright's Lodge. The theme was "South of the Border."

On the last lap of our tour, twenty members continued the journey. Class officers this year were: Bob Stranahan, President; Bob Boyd, Vice President; Elsie German, Secretary; Harold Little, Treasurer. Mrs. Celia Poplin was chosen class sponsor. The candidate for Homecoming Football Queen was Gerry Kritzmire. Harold Little was manager. Margaret Fowler was chosen Junior Carnival candidate with Bob Boyd as her manager. An April Fool's dance was sponsored by the senior class on April 1. The senior play, "Coming Around the Mountain," was presented April 29, 1950. Baccalaureate was held Sunday, May 1) 4 and Commencement exercises were held on Thursday, May 18, 1950.

## LAST WILL AND TESTAMENT OF THE SENIOR CLASS OF 1950

Beth Cogan leaves her "hot-rod" and fast driving to Jackie Determan. Bob Stranahan bequeaths to Marian Irwin his ability to write affectionate love letters.

Diana Rogers graciously leaves her advice on marriage to Dorothy Caughman. Dorothy may call for the sealed pamphlet after the ceremony.

To Barbara Morain go the phychic powers of Harold Little who does not have
to look in a text book to know the answer.
Mary Peacock bestows to Carol Packard her ability to beat Bill Behrman to
the Royal Typewriter.
Eeorge Wilcox bequeaths his excellent handwriting to Luanne Ranstrom. June Avery leaves her driving techniques to Jack Klugh.
B11I Behrman bequeaths to Bob Hankins his abllity to talk with his hands. Patsy Shields bestows her Amazonian strength to Barbara Brichacek.
JImmy Vickerson leaves his way with the girls to Richard Fakani.
Gerry Kritzmire generously bestows her gold "Digger" ability to Phyllis Bertschy.

Fo Joan Poplin goes the scientific mind of Elsie German. After Elsie's research is finished she feels there will be nothing to find.

Bob Burke leaves his angel-like ways to Richard Tinsley.
Dorothy Randall bequeaths her success in catching a man to Estelle Sandoval. Jim Ranstrom leaves his long legs to Buck Klugh.
Margaret Fowler graciously leaves her night Ilfe to Dorothy Brownlee.
Bob Boyd leaves the secret of his beard growing to Tominy Crocombe.
Ruth Swanson bequeaths her way with the men to Beth Cheeseman.
Ray Boomershing leaves his musical talent to Di ane Gregg.
Sadie Barmdicker leaves her height to Merna Savory.

As St. Peter opened the "Pearly Gates" to heaven we were greatly surprised to see what and who the inside consisted of. Since he told us things up here were about the same as they were down there we decided to take a look around.

We first decided to look up the seniors of '50 and here is what we found. We passed a theater and found Raymond Boomershine taking Errol Flynn's place in a current movie. The second feature was the "Great Lover" starring Bob Boyd. On down the street there was quite a different kind of theater. The bill board announced "Bubbles the Bubble Dancer" starring Mary Peacock. My! What a shock

A few blocks away we came across a French Lingerie Shop with Bob Stranahan the newest designer straight from Paris and Margaret Fowler as their newest model. Speaking of models we happened to notice mear the theater that Bill Berhman was a Charles Atlas model, but didn't you rather expect that?

St. Peter explained to us that it wasn't just play and no work up here. He said that they have schools just like any other place. Being from an educational group, we juniors decided to visit their schools. The first one we came to wasn't just what we expected to find, It was a school for illiterates with Beth Cogan their longest staying student. The second school interested us more, especially since Harold Little was an English Professor there with a Doctor's Degree. Down on Earth you wouldn't have guessed it would you? That school was famous for its sports because just last year Jim Vickerson was named All American Football Player. Also in this school we found Patsy Shields studying to be a professional crook.

There are also a few clubs up here, St. Peter mentioned. One was more outstanding than any, it was the "Poor Deserted Lovers" with Geraldine Kritzmire as its president. Every place must have a hospital, and in the one we visited we found Elsie German-of all things a "Toomer" specialist.

The more refine people seemed to be June Avery, George Wilcox, and Ruth Swanson. June was an old maid who lived by herself and was completely buried in her work as a social worker. George was a well-to-do bachelow and since he liked expensive entertainment he hired Bob Burke who seemed to be taking Woodie Herman's place to play for us. By the way, we never did find out how George made his money. Ruth seemed to be taking care of a lot of little "Buds", rose buds, that is.

We came upon two successful business women: Dorothy Randall and Diana Rogers. Dorothy had taken John L. Lewis' place in controlling coal. Diana was running her own brewery and her special was something called "Diana's Home Brew."

Doubling back in our tracks we found ourselves back at the theater. The bill had been changed and this time it announced Jim Ranstrom, the second Vaughn Monroe. They still haven't caught the Ghost Herd and Mule Train is still clopping along.

A favorite place of everyone is the circus. Off in the distance we heard a barker announcing; so we decided to investigate. Low and behold! Who do you think we saw? Sadie Baumdicker tipping the scales at 523 lbs.

All in all we decided this was a heavenly place infact it was heaven. Since all of our class-mates and friends were here we decided this would be a good place to settle down. As we turned to face St. Peter we saw his smile of welcome.

Back Row: L. To R. Mrs. Celia Poplin, George wilcox, Harold Little, Robert Stranahan, Elizabeth Cogan, Mary Peacock, Ruth Swanson, Diana Rogers, Pat Shields, Dorothy Randall, Elsie German, Bill Behrman.
Front Row: Robert Burke, Raymond Boomershine, James Vickerson, June Avery, Sadie Baumdicker. Reclining: Jim Ranstrom.

Hillbilly romance and music. Boys an' gals of the backwoods a-feudin', afightin' and a-fussin'. You found them all in "Comin' Round the Mountain," which was the interesting title of the three-act farce comedy that was presented by the Senior Class in the auditoruim on the evening of April 29.

The play was presented under the direction of Mrs. Poplin. Everybody concerned worked overtime in order to make "Comin' Round the Mountain" one of the greatest theatrical treats of recent years.

The Buena Vista High School Alumni Association was organized in 7932 for the purpose of assisting the high school in all of its activities. It has been active since that time and forms an important link between graduates and students. All graduates and their husbands or wives are eligible for membership in the Association.

The funds of the Association are used to assist the high school in ant ways which are deemed necessary or helpful. Each year the McGinnis Awards are presented to the boy and girl of the graduating class who are outstanding in scholarship, deportmeht, athletic value, sportsmanship, and papularity.

The Association maintains the Stanley Tomkins Memorial Fund, use of which is available to any graduate who wishes to continue his or her education. May we urge you to take advantage of this service at any time when it can be of use to you.

At this time we wish especially to extend to the class of 1950 our congratulations and best whshes $f$ or success in the future, and also to extend a hearty invitation to all the graduates to join the Association and become active participants in this important work of maintaining cordial relations among graduates, faculty, and students. Join in our activities and be rewarded by comradeship and a sense that you are doing your part in improving the opportunities of those who succeed you.

Class officers are as follows: President, Clara Belle Swanson; Vice
President, Norma Acree; Secretary, Diane Gregg; Treasurer, Rose Fink: Sponsor, $\mathrm{Mrs} . \mathrm{Wm}$. Peavler.

The sophomore class had an enrollment of 19 pupils at the beginning of the term. During the first semester we lost Roy Toomer.

Our candidate for homecoming queen was Rose Fink. Clara Belle Swanson, the sophomore candidate was elected Junior Carnival Queen. Her manager was Joe Cogan.

We initiated the freshman class by putting green $\mathrm{F}^{\prime}$ s on their foreheads, making the boys wear green bow-ties, and the girls large green bows in their hair.

The sophomore class rated second in the sale of season tickets for basketball games. Also all members donated to the Jr. Red Cross.

The boys in the class are very active in sports and most of the girls belong to the Pep Club and Glee Club. Several are on the U-Tellum staff. Every six weeks many sophomore names appear on the honor roll.

Back Row: L. to R. Kathleen Harms, Jon Burke, Dorothy Caughman, Richard Tinsley, Priscilla Gregg, Kenneth Fowler, Margaret Morgan.
Second Row: Jack Determan, Alverette Morain, Vernon Schmid, Merna Savory, Jack Acree, Louise Avery, Frank Anderson.

Class officers are as follows: President, Robert Dunn; Vice President, Beth Cheeseman; Secretary and Treasurer, Ginger Shields; Sponsor, William Peavier.

This year's freshman class started out with an enrollment of 23 pupils.
Both boys and girls have been interested in extra-curricular activities of the school. Several girls belong to glee club, band, pep club and U-Tellum Staff. The class was proved to have several boys out for football at the beginning of the season. We have a number of boys also out for basketball, some of which are on the first team.

The class ehose Ginger Shields as football queen candidate and nominated Loulse Avery candidate for Junior Carnival Queen.

The upper classmen initiated the freshmen for a few weeks before homecoming.
We have had quite a few members of the class on the honor roll during the year.

EIGHTH GRADE

Front Row: Forest Delongchamp, Marion Patton, Jimmy Schutz, Terry Peavler.
The First and Second Grades have kept a very steady attendance. Their attendance in January was less due to a large number having chicken pox. Work is progressing well. Good work was shown by the Standard Tests given early in December.

## Grade Three

THIRD GRADE

## Third Grade

Back Row: Larry Delongchamp, Louise willie, Harold Nelson, Linda Hubbard, Mike Weber, Alberta Garcia.
Second Row: Opal McElhiney, Jimmie Foreman, Suzanne Paulin, Patrick Feltus, Geraldine Toomer, Donald Dunn.
Pront Row: Juanita Schmid, Jennis Van Buren, Gail Kowaluk, Bonnie Baumdicker, Barbara Craven, Clay Stauffer.

During 1949-1950 there were nineteen pupils enrolled in the third grade. In September, two of this class, Elva Rae Connor and Jimmie Morrill were stricken with infantile paralysis. We were happy to welcome them back into our midst fully recovered after several weeks absence. Jeraldine Toomer recently moved to Golden, Colorado. We do miss your smiling face, Jerry.

The girls in this class definitely had sway this year, outnumbering the boys almost two to one. Our enrollment now stands at eighteen.

## Grade Four

FOURTH GRADE

Fourth Grade
Top Row: Freddie Langford, Barbara Nelson, Charles Bates, Nancy Thomas, Martin Shields, Erna Franzel.
Second Row: Maxie Stout, James Peavler, Connie Hubbard, Ernest Virgil, William Crymble, Johnnie Bertschy.

The seventh grade has an enrollment of twenty. It is taught by Thelia Curtis.

Some of the pupils of this grade are members of the high school band, while some play in the tonette band.

The boys participate in junior high school athletics.

Thelia Curtis Instructor

When the 1949 football squad checked out their uniforms, it was found that only two regulars from the last year's squad were present. George wilcox and Bob Stranahan, who with lettermen Jack Klugh and Bob Boyd, were the only boys with any experience on the squad. However, the younger boys worked hard and dispite many heartbreaking setbacks, continued to improve steadily throughout the season.

The season opened with a game against an experienced Minturn team, and though the young and light Demons fought desperately against great odds, they were soundly defeated. This game cost the services of Senior George Wilcox, who suffered a broken thumb.

Without Wilcox, who had been the power in the Minturn game, the squad fought on gamely by losing game after game to Moffat, Eagle, Saguache and Gypsum.

It was in their final game against the Upper Colorado River Champions that the Demons at last lived up to their cognomen and gave the league leading Gypsum boys the scare of their lives.

Forced by the hard charging Stranahan, the younger members of the squad fought and came into their own and very nearly upset the Champs. Outstanding in this game were: the running of Stranahan, Jack Klugh, and the vicious line play of Bill Behrman, Bob Burke, Tom Crocombe, and Richard Tinsley. When the final gun sounded, the score was " 54 " to " 44 ", and the Demons were in possession of the ball, rolling on toward another touchdown.

Although five seniors, Behrman, Boyd, Burke, Stranahan and Wilcox, have played the 1 r last game, the presence of nine more experienced lettermen will be wearing the "Cherry and Cream" at the first kick-off in September.

# BASKE TBALL 

Back Row: L. To R. Coach Peavler, Jack Klugh, Tom Crocombe, Bob Hankins, George Wilcox, Richard Tinsley, Richard Fikani, Bob Burke.
Front Row: Roy Klugh, Jack Goodwin, Jon Burke.
With only two lettermen, George Wilcox and Jack Klugh, on hand, and with an average height of $5^{\prime} 7^{\prime \prime}$, it was obvious that the 1950 squad was going to get few rebounds; consequently, it was decided to use a ball control, slow break offense. Just how well this was accomplished is indicated by the fact that league opponents managed to average but 26.7 points per game. Even the fast breaking, high scoring league champions, Climax averaged only 27.5 points per game over the ball hawking Demons. When it is considered that Climax scored 40 points in their game against the towering state champions Sanford squad, the Demon feat was no mear accomplishment.

Offensively, the Demons did not do so well. Handicapped by lack of height and experience, the Demons won but two of their first twelve games, losing their first four league games, winding up the first round with a won percentage of . 160 .

In the first game of the second round the cellar dwelling Demons defeated unbeaten and untied Cotopaxi 32 to 31 on Cotopaxi's home court

After the 'Paxi game, Fairplay and Westcliff fell victim to the smooth working Demons, Westcliff losing to Buena Vista at Westcliff for the first time in thirteen years, by a score of 33 to 20.

The final regular league game of the season saw the Demons defeated by Climax, but a post season play-off with Fairplay at Salida resulted in a Demon win, and vactories over Cotopaxi and Fairplay in the Fairplay Tournament gave the Demons seven victories to six defeats over league opponents, and proved definitely that Buena Vista was the second best team in the league. The Demons took third place in the tournament, losing only to the second place Salida Freshman. At this point the Demons had won six out of their last ten for a .600 percentage-quite an improvement over their first half record!

Having qualified for the District play-off, the Demons went to Alamosa, where they took a valuable basket-ball lesson from Sanford's State Champions, then came bakk to fight consolation Champions Saguache to a standstill before finally losing, 33-30. Just how near the Demons came to winning a trophy at the District play-off is indicated by the fact that Saguache won the finals by 10 points, whilelPaxi, who had dropped their last two games to Buena Vista, swept their bracket and took second place in the tournament, losing to Sanford in the finals 68 to 20.

All in all, it was not a good season, but never-the-less one that might well give the Demons courage. They showed constant improvement, and despite the loss of senior George Wilcox, and older, bigger, and much more experienced club will take the floor next fall, boasting seven letter-men and with every reason to expect a better season next year.

Eack Row: L. To R. Coach Peavler, Roy Little, Vance Kowaluk, Donnie Hoover, Gerry Merrifield.
Front Row: Billy Irwin, Jon Burke, Fred Little,
The Jr. High squad, consisting mostly of eighth graders, spent a large part of their time in perfecting fundamentals, but never the less, won all three of their games against other funior high teams, defeating Fairplay twice, (20-16) and $(26-13)$ and Leadville once, 15-13.

Owing to lack of reserves on the varsity squad, the junior high played most of their games against other schoolls "B" squads. Perhaps the best game of the year was played against the Cotopaxi "B" squad at Cotopaxi, when the much larger and older Cotopaxi high school "B" squad had to come from behind to win from the little Demons, $14-12$.

The Junior High used the same ball control, pivot post system as was employed by the high school varsity, and before the season was over were handiling the ball and working plays like veterans. The fact that they held their junior high opponents to an average of 14 points per game is evidence of the tight defensive work of the squad. Even including the scores of four games played against high school "B" squads, the little Demons gave up but 18 points per game.

Since six members of the Junior High squad are eighth graders, including the entire starting line-up of Fred and Roy Little, Ronnie Schutz, Donald Hoover and Gary Merrifield, the high school varsity is going to receive a fine crop of much needed reserves next year. In fact, it may well be that some of this year's varsity will have to fight hard to hold on to their positions against the hard driving, eager, and very capable Freshmen of next year.

Standinc: L. to R. Norma Acree, Luanne Ranstrom, Diane GregE, Pat Shields, Priscilla Gregs, Tomny Crocombe.
Seated: Geraldine Kritzmire, Dorothy Randall, Elizabeth Cogan, Elsie German Sylvia Gregg, George Wilcox.

## Innual Staff

We, the members of this year's Annual staff, wish to take this opportunity to thank all who participated and helped to make our Annual a success. We wish, especially, to thank the business men and establishments of Buena Vista, Salida, and Leadville for their co-operation by advertising in our book. Their kind generosity made this publication possible.

## U.0.ECLUTH

## YEHRLY.STAFF-NEWS.

The U-Tellum Staff organized at the beginning of the year with twenty-four on the staff.

Dorothy Randall, who was Assistant Editor last year, automatically became Editor, she chose Carol Packard as Assistant Editor.

A new mineograph machine was purchased at the beginning of the year, which added much to the production of the paper.

The U-Tellum is put out once every six weeks.

Mrs. Poplin, who was sponsor of the paper for several years, was replaced by Mr . George Gould.

We wish to thank the business houses of Buena Vista, for their splendid co-operation in advertising, to support the U-Tellum.

Nineteen hundred and fifty marks the Silver Anniversary of the U-Tellum. It began twenty-five years ago with Eula Jones Roberg as Editor.

We hope B. V. H. S. will see the Golden Anniversary of the U-Tellum.

## SPDNSDR'S "THANKS"

As Sponsor of the $U$ Tellum, I shhould like to extend my sincere thanks to the members of the Staff for their co-operation in gathering material and advertisements, planning and publishing the paper. I am certain that I have learned more from them about running a School Newspaper than they have learned from me. I should particularly like to extend hearty congratulations to the Seniors on the Staff and wish them the best of everything in the future.

The band, under the direction of Mr. Gould, was active all during the summer of 1949. Its first program was a forth of July parade and park concert. Rehersals were held every week day during the summer and several parades were staged advertising dances and other events. The band went to Fairplay and advertised the Head Lettuce Day Rodeo and later to Breckenridge to aid in their "No Man's Land" Celebration. To climax the summer program, the band took over the responsibility of furnishing all of the music for Rodeo. This was the first time that the High School Band had ever tried such a iarge project. It was well received by all with the band playing both afternoons, a park concert, and a parade.

At the beginning of the fall term, new music was purchased, and the band performed at the home football games. Music for the Fall drive for the local foundation for Infantile Paralysis was furnished by the band. The band then began working on the program for a January Concert. Since ail overtures and marches were new, this required a considerable amount of effort. In the meantime the band performed at several home basketball games.

Since the concert the band has started preparing for the spring music contest at Pueblo and a spring concert, both to come some time in April.

The Tonette Band, under the direction of Mr . Gould, began work in the latter part of November. The first few weeks were spent in learning the fundamentals of readint music and manipulation of the Tonette. After that the group began working on simple tunes and were able, by January, to appear with the high school band at the concert, playing three numbers. These were well recelved by all.

At the present time the group is engaged in learning new music and learning how to play two and three part harmony.

Martha Dunn accompanies the group at the piano.

The Girls' Glee Club of 1949-1950 has reached levels of musical accomplishment not attained by previous groups, chiefly because of the increased percentage of girls who are skilled at reading music. All of our songs this year have been three and four part harmony, and included such popular favorites as $\frac{01 d}{\text { Galwan River, Haunted Heart, Bali Hai, The Best Things In Life Are Free, }}$ Galway Bay

Richard Fikani appeared with us as soloist in two of our favorite arrangements.

We gave a Thanksgiving assembly for the school and sang carols for the Christmas program. We presented two groups of songs for P.T.A. Fathers' Night in February. A full evening concert is scheduled for March 6, and we are expecting to sing an assembly program for Fairplay High School soon.

In late spring we will take part in the Music Festival here, and also in Commencement Exercises.

We have had one keen disappointment. The Salida Invitational Clinic Festival, which we attended last season with such profit and pleasure, will be held in our last week of school this spring, their evening concert date is the same as our Commencement night, and so, to our very deep regret, we have been compelled to decline their invitation to join them again this year.

The Home Economics I Class, twenty in number, under a new teacher, Mrs. Peavler, and in new quarters, started off the year with some honest to goodness hard work. All of the three rooms assigned to them, (the old living quarters in front of the lunch room) were scrubbed by the girls. Then Dale Morgan did a nice job of interior decorating by painting the rooms in harmonlzing colors chosen by the class.

After the rooms were painted, the class decided they must have curtains. A dance was given by the class to finance the curtains, and food to be cooked by the girls during the year. The girls were divided into three groups, each group drawing up plans and choosing curtain styles, materials, and colors to be used in their room. After the class had made and hung the new curtains, the rooms looked so nice that Mr . Lauth decided to get a new linoleum for the kitchen. By now the Home Economics department had a very homey look.

Once the work of cleaning up the quarters was completed, each girl worked four embroidery pleces, crocheted the edges on them, and made an apron for first semester work.

After the beginning of the second semester, the girls were divided into groups, four girls cooked one day, while the rest sewed. Foods cooked during the first six weeks were breakfasts, second six weeks, luncheons, and the last six weeks, dinners. Articles of clothing made during the second-semester consisted of blouses, gowns, skirts, and pajamas.

The girls are enthusuastic about their work, and are hoping that next year they can enroll in second year home economics, and go forward in the most important work of the female sex, that of feeding a hungry male and managing a home efficiently, pleasantly, and economically.

## PEP CLUB

Pep Club officers are as follows: President, Dorothy Randall; Vice President, Geraldine Kritzmire; Secretary, Patsy Shields; Treasurer, Diana Rogers; Publicity, Margaret Fowler, Carol Packard; Sponsor, Mrs. Peavler; Cheer Leaders, Diane Gregg, Priscilla Gregg, Clara Belle Swanson, Ginger Shields.

The Pep Club has been very active this year. The first project was selling basketball schedule pencils, the proceeds from this and selling pop and candy at the games, were spent on a new scoreboard, which was a much needed device in the gym.

The Cheerleaders have been doing a wonderful job. They made uniforms for football season, and when basketball season rolled around, they were sporting another beautiful set of uniforms.

The Pep Club girls are looking forward to a banquet again this year.

> Order of Rainbow for Girls Instituted June 2, 1945 Buens Vista Assembly No. 47 Sponsored by the Buena Vista Chapter No. 18, Order of Eastern Star

The Order of Rainbow for Girls is an International Organization with Assemblies in nearly every state in the United States, many provinces of Canada, Australia, Hawai1, Puerto Rico, Alaska, the Philippines, the Canal Zone, and Mexico. In the state of Colorado there are sixty-five assemblies.

We have a Grand Assembly which convenes once each year. All Rainbow Girls are priviledged to attend these meetings.

The governing body of the Order of Rainbow is the Supreme Assembly, whose officers are outstanding leaders in the Masonic Fraternity and Order of the Eastern Star.

A stipulation of the Supreme Assembly requires that a legally constituted Masonic Lodge or Eastern Star Chapter sponsors an Assembly before it can be organized or instituted.

There are no paid organizers, deputies, or leaders in the Order of Rainbow.
Reverend W. Mark Sexson, a Thirty-third degree Mason, and a past Grand Master of the Grand Lodge of Oklahoma, is the Founder of Rainbow and author of its Ritual, as well as Supreme Recorder of the Order.

Rainbow is not just a social order, but it teaches lessons, which tend to the building of a better womenhood. In no way does it take the place of her Church in the life of a girl, because Rainbow urges sound religious education and affiliation with some Church. It teaches her to love her home, her school, her country, and its flag.

We stumble over rocky trails
Where storm clouds glare,
But let us gaze beyond--
A Rainbow's there,
Then, thank God for
His promised Light above
And bless the shining Rainbow,
Sign of Love.

Left: Helen James Right: Mae Stauffer
This is the second year for the hot lunch project in the Buena Vista schools. During the vacation months, the board of education had installed a large two oven Magic Chef gas stove and a large gas blower with which to heat the room. Also a new concrete floor was laid in the hot lunch room. Cooking utensils and other equipment was added until now we have one of the best equipped hot lunch department in the small schools of the state.

The department is in charge of Mrs. Helen James and Mrs. Mae Stauffer. Mr. Lauth is supervisor in charge. The sponsoring agency is the board of education.

An average of about 100 pupils and adults have eaten their lunch every day since the project started two years ago. The state contributes considerable surplus commodities each month and pays seven cents for each meal served to the students. The children pay twenty cents for each meal and this makes it possible to serve a very excellent and well balanced meal to all who can arrange to take advantage of this worth while project.
