Your superintendent is deeply appreciative of the fine spirit of cooperation and good will that has prevailed this year among the atudents, teachers, members of the board of education, and the parents in general. Success is achieved when everybody works together and on the same basis of equality. Democracy is at its best in the public school. How fortunate we are to live in a country where there are equal educational opportunities for everybodyb

The Buena Vista High School
The Buena Vista High School is an accredited institution. It is on the list of the secondary schools of Colorado accredited by the University of Colorado.

This accreditation of the Buena Vista High School means that graduates of this school may be enrolled in colleges and universities of the state without an entrance examination, provided they meet the entrance requirements of the college concerned. It means that the outstanding student in the graduating class is entitled, in accordance with scholarship rules, to a scholarship at any of the Colorado collegiate institutions.

It means that certain definite standards set by the University have been met. Among these are the employment of qualified teachers, maintaining the standard length of school, planning and carrying out a required curriculum, upholding desirable standards of scholarship and citizenship, maintaining an up-to-date library and science laboratory, and a definite relationship between the school and the community.

The fact that the school has met these requirements gives it recognized standing in the higher institutions of learning in the state and in many institutions in other states. This accreditization assures the community that their school has been managed in such a way as to meet with the approval of their state university.

TO WHOM IT MAY CONCERN:
To the high school we bequeath our brains, in alcohol, of course.
To Mr. Lauth we leave the big headache of future senior classes.
To Mr. Peavier we bequeath our superior knowledge of all business courses.
To Mr. Gould goes our ability to confuse other people.
We bequeath to Miss Jabas our line of gab.
We bequeath to Mrg. Poplin the worry of fixing the damaged typewriters.
We bequeath to Miss D Dodorico the joy of future study halls.
Joan Poplin bequeaths her way of breaking hearts to Diane Gregg.
Albert McBride wills his ability to get away with ditching to Marie Franzel.

Barbara Brichacek bequeaths her pin curls to Joe Cogan, hair by hair.
To Lucille Duncan goes Barbara Morain's typing technique.
Luanne Ranstrom bequeaths her knowledge of Indians to Marian Irwin and Rose Fink.

Pauline Watkins wills her ability to stay out late till dawn and come to school wide awake, to Alice Ann Hiltz.

To Jack Goodwin and Tom Crocombe goes Bob Hankin's way with the women.
Carol Packard bequeaths her bold ways to Marinelle oiNeil.
To Therese Horvath and Norma Acree the seniors leave their hot tempers to be used only in debates.

To Joan Nolf goes Dorothy Brownlee's ability to know what is going on in Fairplay.

The seniors bequeath to Shirley Cyr and Clara Swanson their secret formula for making trouble.
So being of sound mind, we think, we declare this will to be legal. SIGNED, SEALED, and SUBMITTED by the SENIORS.

CLASS HISTORY

## CLASS FLOWER: Gardenia CLASS COLORS: Green and White CLASS MOTTO <br> "The other fellow is sometimes right."

Fourteen little Freshmen stood at the bottom of the stairs which led to Buena Vista High School. They thought about all the good times they were going to have in high school. They decided all they had to do was to stride up the stairs and their good times would begin.

Fourteen little Freshmen lost in the halls. "Where's my classroom? Where am I supposed to be this period? What courses should I take?" they asked themselves. But at last these problems were solved. Most of the girls attended the Pep and Glee Clubs and worked on the U-Tellum. The boys were prominent in athletics.

For one of the biggest events of the year, the Jr. Carnival, Dorothy Brownlee was elected as candidate for queen and Tom Peacock was her manager. Few of these freshman will forget the class picnic, held at the end of the year, under the sponsorship of Mr. Rouse whose black coupte showed the wear of the day by having a dent in the fender and one head light missing.

During the Sophomore year, Luanne Ranstrom was candidate for Carnival queen with Bob Hankins as her manager. At one of the biggest home coming events, Joan Poplin the Soph. candidate was elected queen. The Soph. class held candy sales during the year in order to make money for the purchase of their class penant.

The Junior Carnival started the next year's events. The candidate thia year was Barbara Brichacek and Richard Fikani was her manager. The theme of this Carnival was "Chinatow". To carry out this theme pagodals and exotic decorations were used. The money received from this dance, financed the Junior-Senior prom, May 4, 1950. For this lovely spring banquet and dance the theme of Maytime was chosen.

Two new members represented the seniors the next year in the contest for Carnival queen, they were Pauline Watkins and Albert McBride as her manager. Throughout the year the seniors sold candy, and in oct. they sponsored the movie Hamlet. Several dances were given by the seniors, Sweetheart, with Carol Packard as candidate for Sweethaart queen. The other dance was a spring time night club with floor show and all. A class play, The Groom Said $\frac{N O}{}$, was presented May 28, 1951. Bacalaurate service was held may 20 , and Graduation exercies were held May 25.

Through the years some new members have been added to this class or taken the place of others, so that finallythere were nine proud seniors holding their diplomas which ended their school career in Buena Vista.

# CLASE PROPHECY 

The night was silent and dark as the old mansion on the hill watched the sleeping village below. The only sound that broke the quiet around the house was the snoring of its occupants: Barbara Brichacek, an old maid, and her devoted servant, "Robert" Hankins. Suddenly Robert was awakened by the call of his employer.
"Robert, look what has been thrown through my window!" "Why, most respected madam, I believe it is a blackmail note. Listen to what it says,

YOU WILL GIVE ME $\$ 5,000$ OR I WILL EXPOSE A LONG KEPT SECRET OF YOURS THAT I HAVE KNOWN FROM SCHOOL DAYS. IT WILL BE WORTH MUCH MORE TO HAVE IT KEPT SECRET THAN KNOWN.

A Former Classmate

"Robert, call the police--no, a detective! Stop yawning and move." This led to the summons of the Fat Man, 260 pound Albert McBride, who was given a list of all Miss Brichacek's classmates and a $\$ 100$ retainer fee.

As Albert swung his feet on the desk in his spacious office, he glanced over the list. His eye caught the name of Luanne Ranstrom. "Now where have I seen that gal's name before? Oh, yeah, she is the drip what just returned from an expedition through the solar system. She gotta go back in her rocket ship "GREG", cause she left her husband of the same name on one of the planets. As I remember from the picture, this dame is quite a good looker, I wonder why she would want to be an explorer? She could be a new Bubbles-well, that is no business of mine, and this checks her out."
"Here is another name I've heard about recently," he chuckled, "This must be that famous international detective and diplomat, Dorothy Brownlee, who exposed the Maharaja of Timbucktoo-and-a-half as a bigimist! She has not been in the states for years. Anyhow, not since he exposed her plot to have lightning-bugs used for lamp-posts.

The Fat Man spent some time investigating the record of Joan Poplin. You see, he spent most of his time reading the memoirs that Joan had dedicated her life to writing. According to Albert, they are "Ooo-la-la." Joan, who was jilted at the altar, lives in a deserted fish hatchery. Albert's favorite story in Miss Poplin's book is: "It was dark, very dark, and the moon had gone behind a cloud, leaving the park deserted, except for XXX and me. "Darling," he whispered passionately, come with me, let us go away tonight." But, dearest what will I tell Joe, Cal, Don, Dave, Glen, Johnny, and all the rest? They will never forgive me if I marry you. My love, my dream, I would do anything for you. Say yes, Oh, jump in the creek! What did you say? I said wait a week."

All this work had tired him, so he went to relax at a wrestling match of Honey Hag vs Pretty Paul. Pretty Paul, that had a familiar ring. Then he remembered. Pauline Watkins--the next name on his ilst! Can you imagine!

The next name on the list was Carol Packard. She was a Can-Can dancer at Furphy's Club, and she had been married so many times to so many millionaires, that she sometimes forgets who her present husband is!

In all his journeys, Albert visited some strange places, but none more strange than the home of Barbara Morain. She lived in a mountain-top laboratory where she could work untroubled with her fellow men--you see, she is a second Einstein.

Then Albert went back to Miss Brichacek's mansion, with the sad news that he had not found the suspect.
"Oh, foo, I'm tired of your sleuthing!" You are dismissed. Here is your $\$ 500$, and now leave this place at once.
P. S. It was never known just who wrote the note, but we suspect that it was a poor fat detective who needed money.

A weary marine, just home from the South Pacific, finds his family getting ready for his wedding. The only trouble is that he greatly objects. There is the Cameron family, Steve's old and new girl friend, and many other interesting characters in the three act comedy, "The Groom Said No". See them all in a delightful play, full of laughs, given by the Sen1or Class, April 28, 1951.

The Senior Class wishes to thank Miss Jabas and the dramatics class for their kind help and co-operation.

The Buena Vista Alumni Association is an active organization which has been in existance for nineteen years. During that time, it has been of considerable help to the Buene Vista High School, and especially to members of the graduating class each year.

Through the Stanley Tomkins Memorial Fund, it provides for those graduates who need financial aid to go to college or business school. Any high school graduate may take advantage of this fund and is urged to do so in order to further his or her education.

It is a tradition to present the McGinnis Awards each year to the boy and girl who have been most outstanding in high school. Their character is based upon scholarship, popularity, sportsmanship or any other factors which go to make up a fine person.

The association is always ready and happy to try to help solve any problems which might arise in the high school or help in any other way when called upon.

At this time, the Association wishes the members of the graduating class of 1951 endiess success and happiness in whatever they shall endeavor to do and extends a cordial invitation to each one to also become a proud member of the Buena Vista Alumni Association.

On September Fth. 1950, twenty-one shining faces greeted Miss Almita Jabas, the first grade teacher.

The first and second grade rooms have separate teachers this year for the first time in the history of the Buena Vista school. More thorough training in reading, spelling, writing, and number work can be given the pupils in these grades, since more time is available for small group recitations.

When the uniforms were passed out this year, there proved to be six letter-men on the team, but only two of these boys were experienced play-erg--these two being Bob Hankins and Jack Goodwin. Jack Klugh, whom Coach Peavler had counted on as a Backfield man, didn't come to school because his brother, Buck, broke his root and Jack wanted to play his last year with Buck. To half-way make up for thelosses of Buck and Jack Klugh, we ecquired a new boy, Cecil Brow, who proved to be a hard-charging and aggressive back.

Our first game was with Mosca. We played a good game, but in the final seconds one of the Mosca boys broke loose and went. for a touchdown. The final score was $21-14$. The two scores that the Demons made were, Cecil Brown going over the line, and Tom Crocombe catching a pass thrown by Jack Goodwin.

In the games that followed, we lost to Sanford, Moffat, and Saguache. The final game of the year, Saguache here, proved to be a very good game, also. Jack Goodwin got the kick-off two different times and went for a touchdown, about 70 to 75 yards each time.

We lost only one boy this year, Bob Hankins, our center, but Jack Acree is going to make a very good center.

Next year, we hope to have a larger and more experienced team than we had at the beginning of this year.

Stemding: L to R. Cecil Brown, Bob Hankins, Richard Tinsley, Tom Orocombe, Donald Hoover, Coach Peavier.
Kneeling: Roy Little, Jon Burke, Jack Goodwin, Buck Klugh, Fred Little.
At the beginning of the season we found out that we had six lettermen, with the average height of about $5^{\prime} 10^{\prime \prime}$. We used the same slow-break style of ball and it still proved to be very good. Again we worked on defence, and more defence, holding most of the teams to an average of about 30 to 35 points per game. The Climax team, who scored 76 points against Cotopaxi, made only 43 points against the Demon's ball-handling and defence.

Buck Klugh, one of the guards from the year before, had broken his ankel and couldn't play, so Tom Crocombe was switched to guard. Cecil Brown, a newoomer, proved to be very good at getting rebounds and a pretty fair shot under the backboards.

In the tournament at Fairplay, we thought we had a pretty good chance of taking a trophy, but again we didn't have our rabbit's foot and could not get going. We won our first game with Woodland Park, beating them to the tune of 48 to 35. The next day we played Fairplay. We led them all the way through the game but in the last quarter, they came from behind to beat us by 2 points, 47 to 45 . Then Redcliffe beat us and we came home with nothing in the line of trophies.

Since we had won three League games and were in third place in the League, we mere entitled to go the District Tournament at Alamosa, the 8th, 9 th , and 10th of March.

The outcome of the District Tournament was not known at the time this Annual was published; therefore, we do not know whether we came home with a trophy, but are hoping that we do.

Kneeling: Roy Little, Billy Irein, Gary Merrifield, Charles Jordan, Kenneth Franzel, Fred Little.

The junior high squad consisted mostly of Freshmen and one or two of the eighth graders and upper classmen. They had a very good team, winning nine out of thirteen games, for a 69.2 percentage.

Most of the games were not very high scoring games, the highest being about 40 points. Jsually the average points was about twenty or thirty in each game.

There was a lot of height for a junior high team, and the boys used it to a good advantage. The average height was about $5^{\prime} 7^{\prime \prime}$, with Hoover and Hankins $5^{\prime} 8^{\prime \prime}$ and $5^{\prime} 11^{\prime \prime}$ respectively. Consequentiy there were a large number of the rebounds that came our way for a change.

The boys worked mostly on handing the ball and working the slow break that the varsity used again this year. The junior high boys are looking very good and will strengthen the team imensely next year, especially Hoover who will be around 51 11" or $6^{\prime \prime}$.

Since we only loose one man on the varsity squad there willbe a very good "B" team again next year.

After endeavoring several years, the girls, who were interested in athletics, finally succeeded in finding two terrific and clever sponsors to conduct their gym periods---Almita Jabas and her "delightful" friend Martha.

It was impossible to have gym during school hours, so the group was ready and willing to meet in the evening.

The first few evenings, we simply learned the rules for playing girls basketball. That took quite some time as it is a much different game from boys' basketball. However, one evening after the Pep Club served the fellows at one of their Pot Luck Suppers, the girls chailenged the boys to a game. Miss Jabas consented----if the boys would play girls' rules. The game was very exciting since a number of the kids either got scratched or knocked out. The masculine group won. Everyone had a glorious time, even the spectators.

The girls decided to choose teams and really have competition. The first team was namedthe "Sparkplugs", with Ruth Brown as captain, and the second team was named the "Speedballs", with Diane Gregg as captain. Six league games were played, which were humorous, exciting, end very much fun. The Speedballs were the victors in the league games.
"Thanks" to Marty and Almita for the time you gave us; you were and always will be loads of fun. We hope to see you again next year.

The U-Tellum Staff was organized at the beginning of the year with nineteen members on the staff.

Carol Packard, Assis tant Editor last year, was Editor this year. Therese Horvath will be the Editor next year as she is Assistant Editor this year.

Mrs, Poplin was in charge of the organization of the paper and Mr. Gould was in charge of the production of the paper.

The U-Tellum is published once every six-
weeks. It is published by a very co-operative staff. It is hoped that these papers may be bound, as in the pre vious years, for future records.

The Staff wishes to take this opportunity to thank the B.V. business houses for their advertising, which helps to support the U-Tellum.

The U-Tellum has con tained articles of interest to the students, faculty, Alumni, and the friends of Buena Vista Hifgh School. The Steff wishes to thank all sub scribers for their help.

As Sponsors of the $U$ Tellum, we should like to extend our sincere thanks to the members of the Staff for their co-operation in gathering material and advertisements, planning and publishing the paper.We are certain that we have learned more from them about running a School Newspaper, than they have learned from us. We should also like to extend hearty congratulations to the Seniors on the Staff and wish them lots of luck in the future.

The band director, Mr. Gould, met 21 members at the beginning of the year. The band has been very active throughout the year. They took part in the Homecoming Football Parade at Gunnison and in the Knight Tompler's Parade in Salida. Two concerts were presented by the band and they also played at several basketball games.

It was decided to send some sololsts to the Pueblo Band Concert, this year, instead of sending the entire band.

There is also a Junior Band, composed of students from the third grade through the seventh. They also played several numbers at the High School Band Concert. In March, this band appeared publicly with the High School Band.

The Glee Club, directed by Mrs. Orest Roman, is composed of a number of girls who have fine musical talent. All of our songs this year have been three or four part harmony, and included popular favorites such as, When I Grow Too old To Dream, Who, Green Grow The Lilacs, and Wagon Wheels.

We sang some annuai Christmas Carols for the Fortnightly CIub, at their request. The Glee Club and the grades gave a joint-Christmas Program, on December 21. Besides being a musical program, it featured coral speaking.

On Valentine's Day, we gave an assembly program, in which romantic songs were sung by the group and individuals, too. Valentine readings were also given.

In March, we performed in a Musical Festival with the Band. Later in the spring, we had the wonderful opportunity to attend the Salida Invitational Clinic Festival, in Salida. We all looked forward to attending this Festival, because we were unable to attend last year.

The Glee Club sang several numbers for the Commencement Exercises, May 25, 1951.

> Order of Rainbow for Girls Instituted June 2,1945 Buena Vista Assembly No. 47 Sponsored by the Buena Vista Chapter No. 18, Order of Eastern Star

The Order of Rainbow for Giris is an International Organization. The governing body of the Order of Rainbow is the Supreme Assembly, whose of ficers are outstanding leaders in the Masonic Fraternity and Order of the Eastern Star.

A stipulation of the Supreme Assembly requires that a legally constituted Masonic Lodge or Eastern Star Chapter sponsors an Assembly before it can be organized or instituted.

There are no paid organizers, deputies, or leaders in the Order of Rainbow.

Reverend W. Mark Sexson, a Thirty-third degree Mason, and a past Grand Master of the Grand Lodge of Oklahoma, is the Founder of Rainbow and author of its Ritual, as well as Supreme Recorder of the Order.

Rainbow is not just a social order, but it teaches lessons, which tend to the building of a better womenhood. In no way does it take the place of her Church in the ilfe of a girl, because Rainbow urges sound religious education and affiliation with some Church. It teaches her to love her home, her school, her country, and its flag.

Far off on some horizon,
Where the Rainbow colors part, You'll find Rainbow Treasures hidden, Deep in a young girl's heart.
KONKEV NOM NONESS

The end of this year marks the third succesaful year of the hot lunch project in the Buena Vista Schools. The Board of Education has installed all necessary equipment and utensils in the past two years, whioh make this lunch room a modern up-to-date establishment. It is one of the best equipped hot lunch departments in small schools of this state.

The department is in charge of Mrs. Ben James and Mrs. Carl Schutz. Mr . Lauth is supervisor in charge. The sponsoring agency is the Board of Education.

An average of 100 pupils and adults has eaten their lunch every day since the project started. The state contributes considerable surplus commodities each month and pays seven cents for each meal served to the students. The children pay twenty cents for each meal and this makes it possible to serve a very excellent and well balanced meal to all who can arrange to take advantage of this worth while project.

We wish to thank and show our appreciation to Mrs. James and Mrs. Schutz for their fine work and kindness to all.

Success and Happiness to the Class of 1951
