

The Demon

1955

DEDICATION

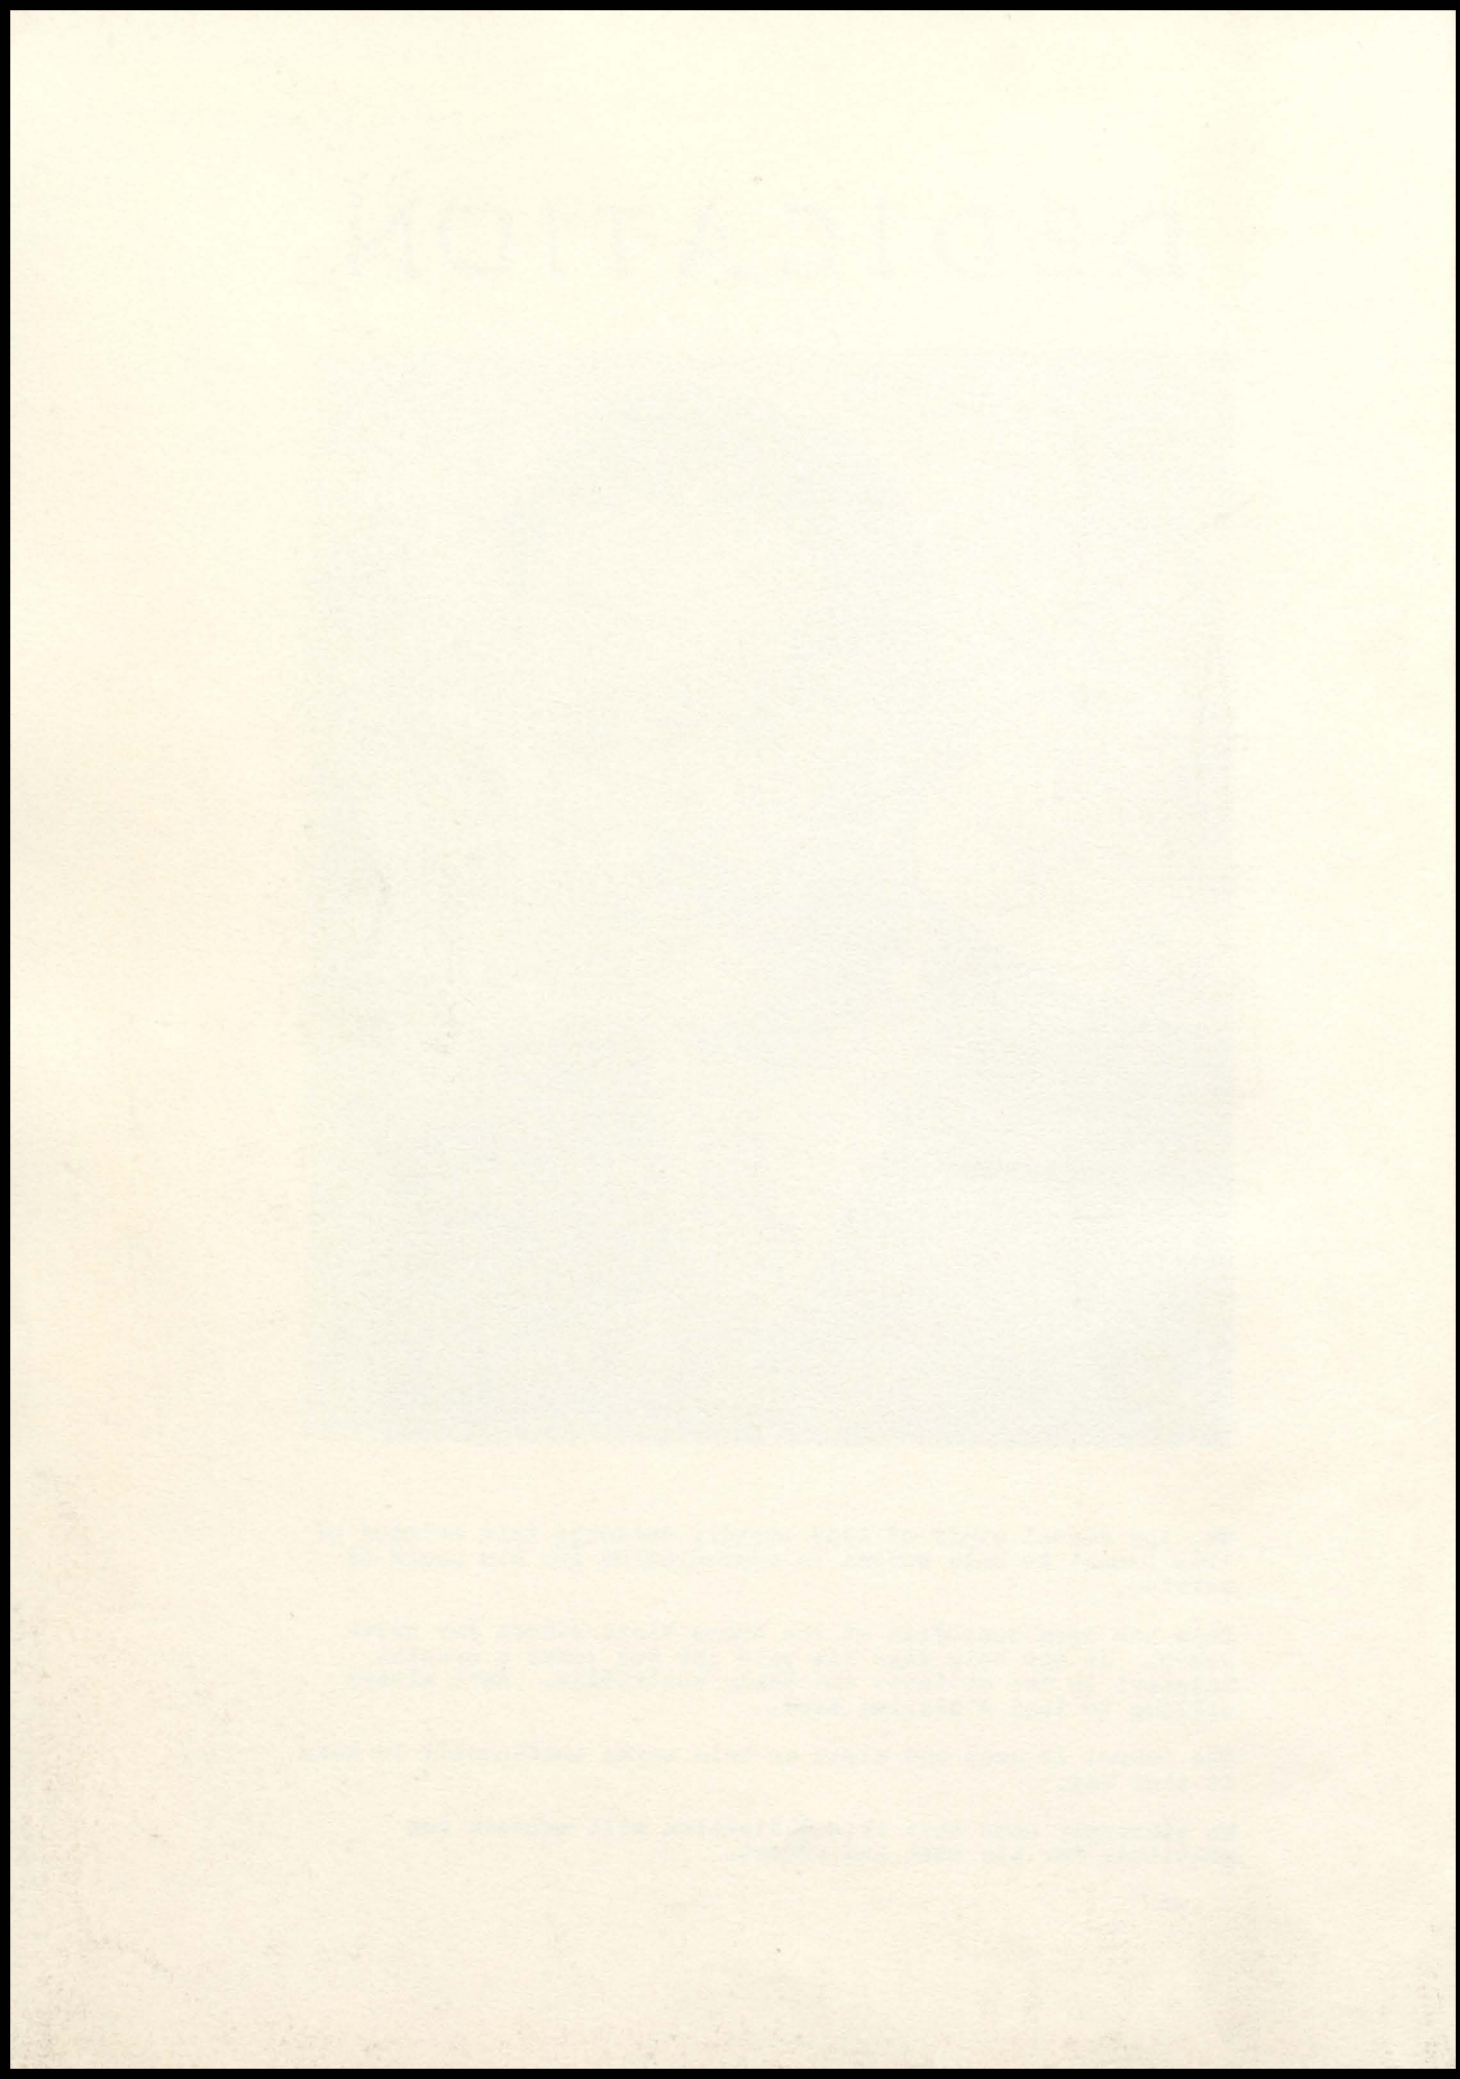

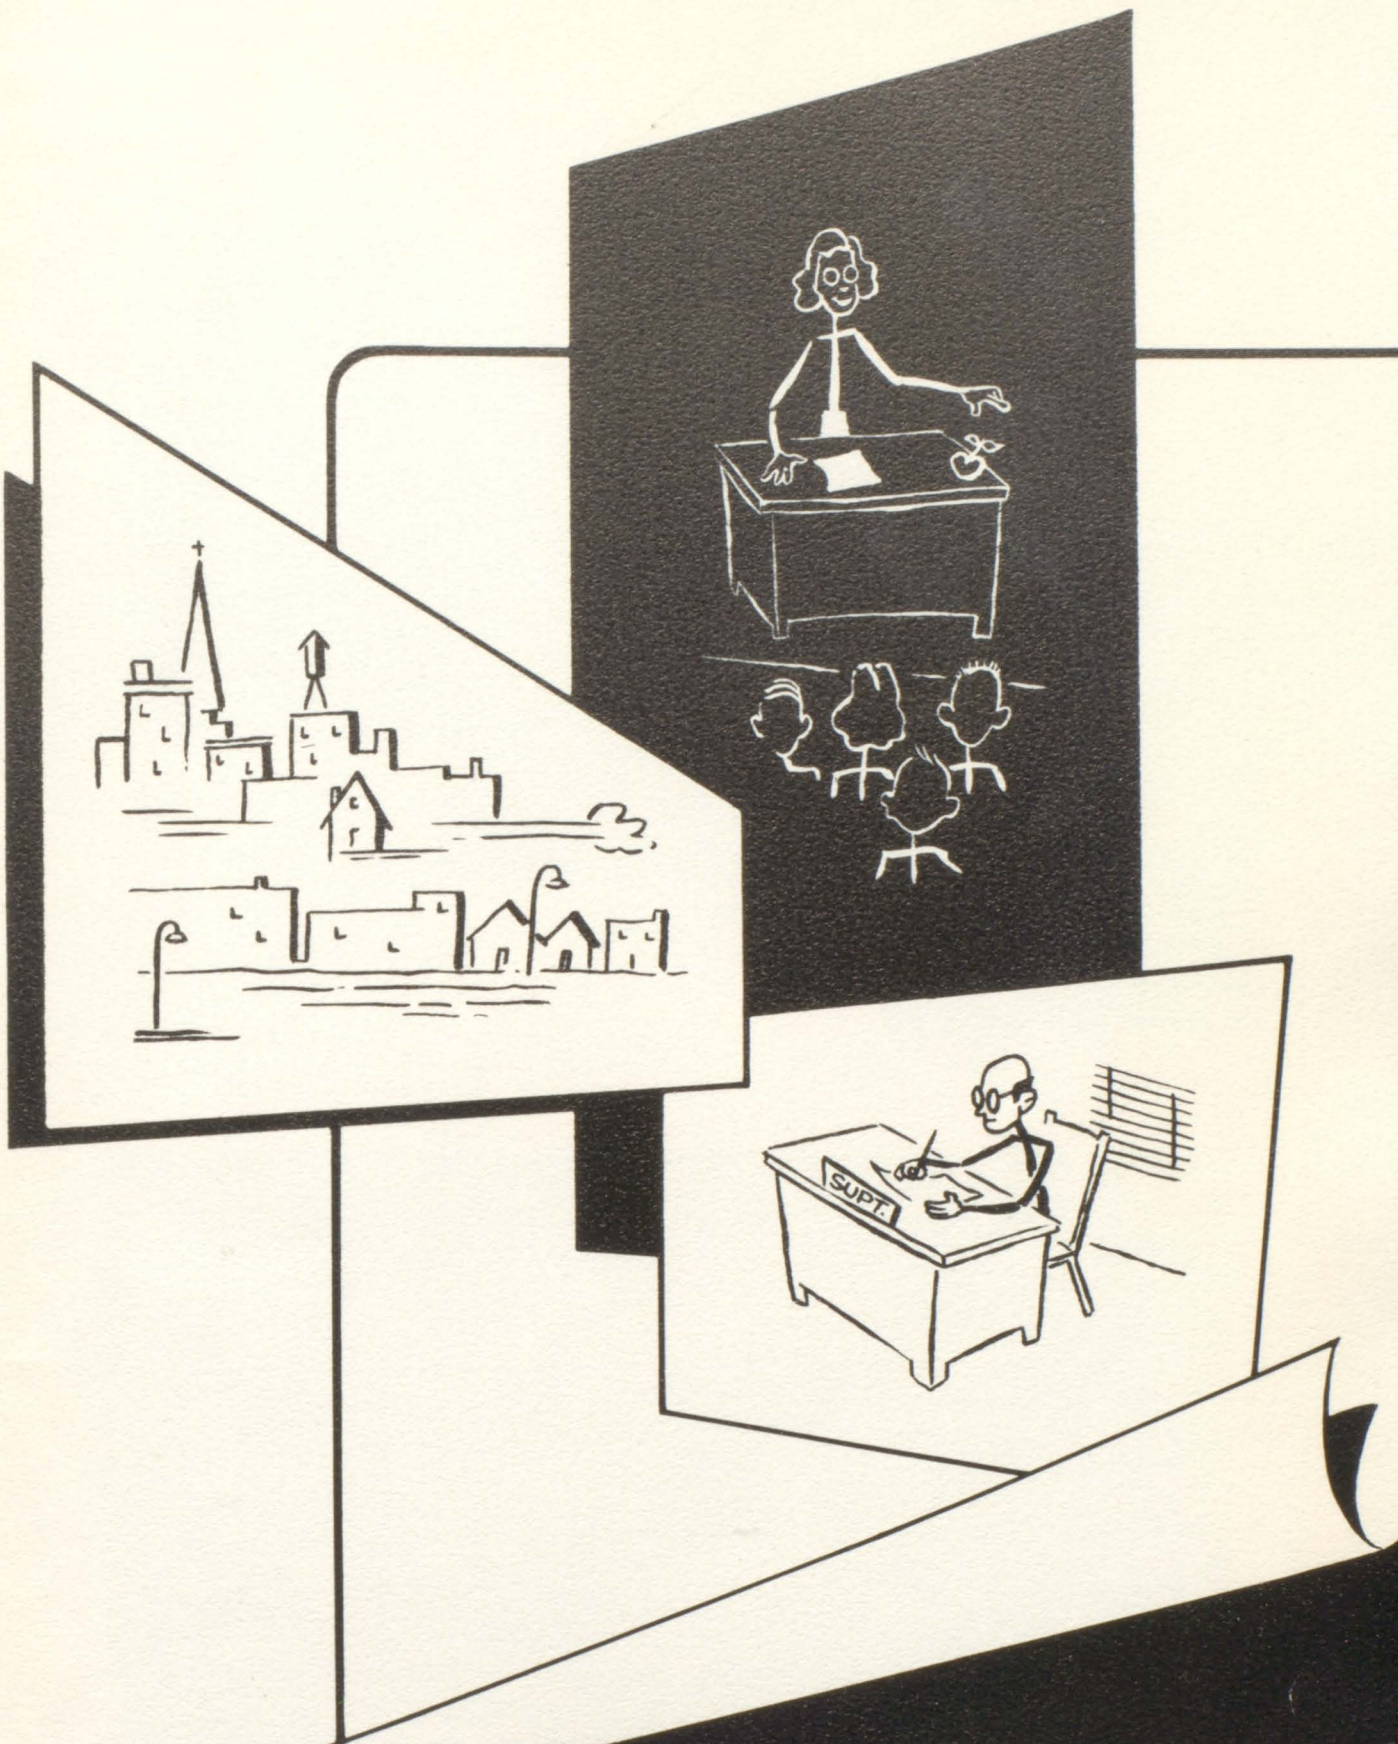

We, the annual staff of 1955 proudly dedicate this edition of 'The Demon' to Dale Morgan in appreciation for his years of service.

Dale has been custodian of the Buena Vista school for seven years. He not only does his paid job but takes a special interest in the students and their activities. He's always willing to lend a helping hand.

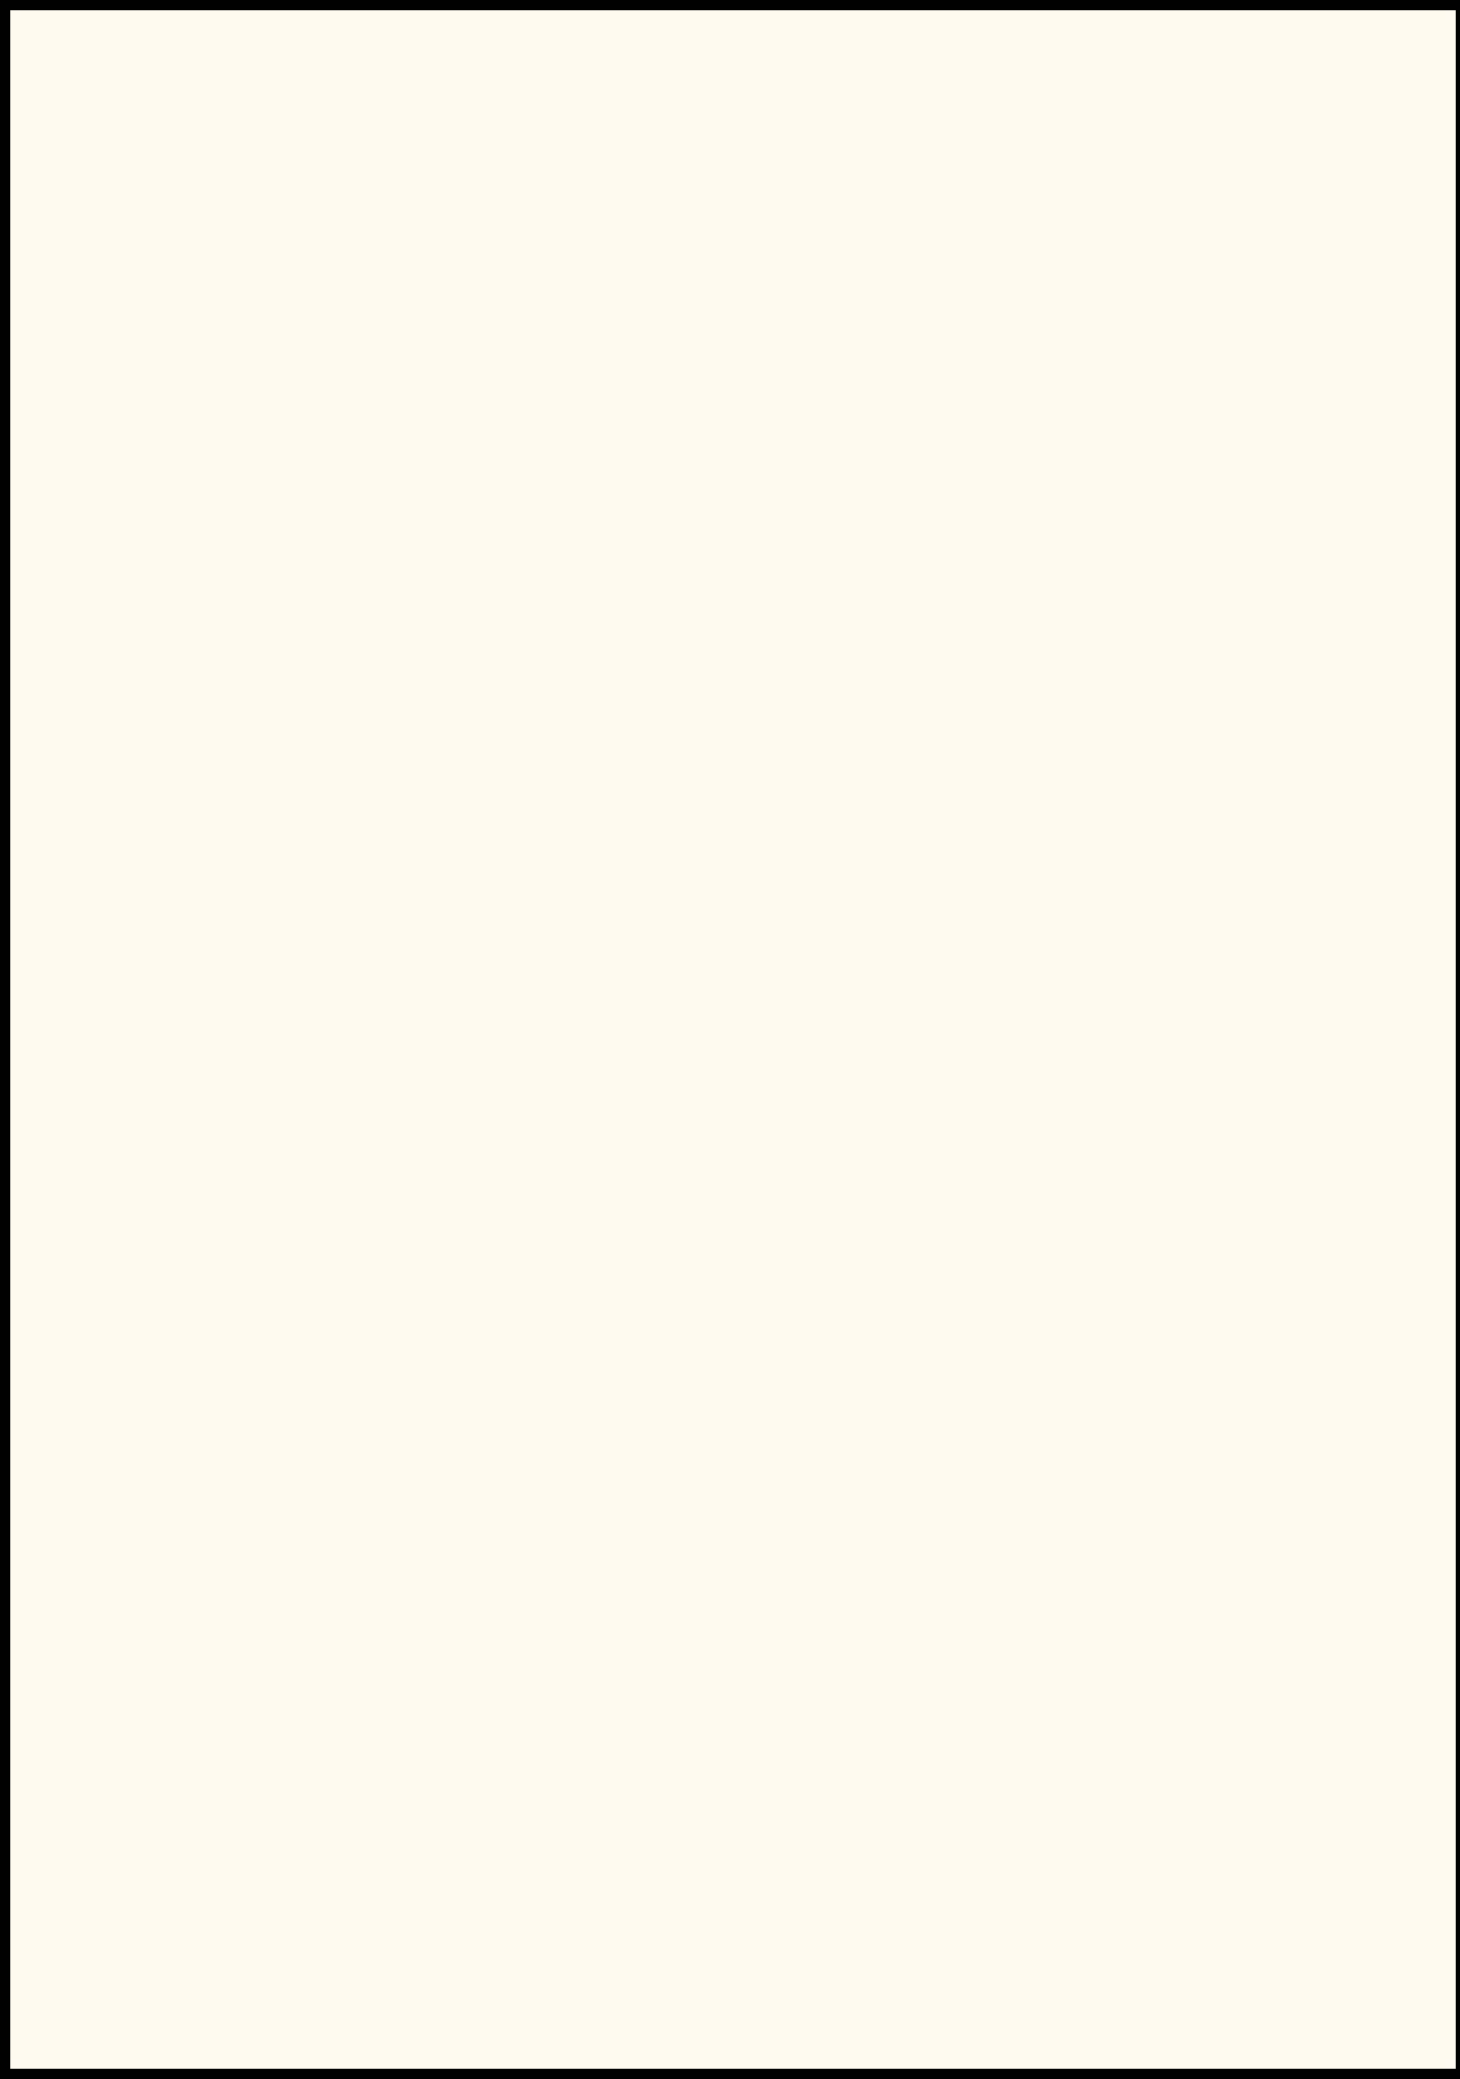

The school is neat and clean as Dale works continually to keep it that way.

We sincerely hope that this dedication will express our gratitude for his work and effort.

LUNCH ROOM

It is now lunch time!

Mrs. Evelyn Allinger and Mrs. Evelyn Schutz, our hard working cooks are here beginning the chore of serving the third grade.

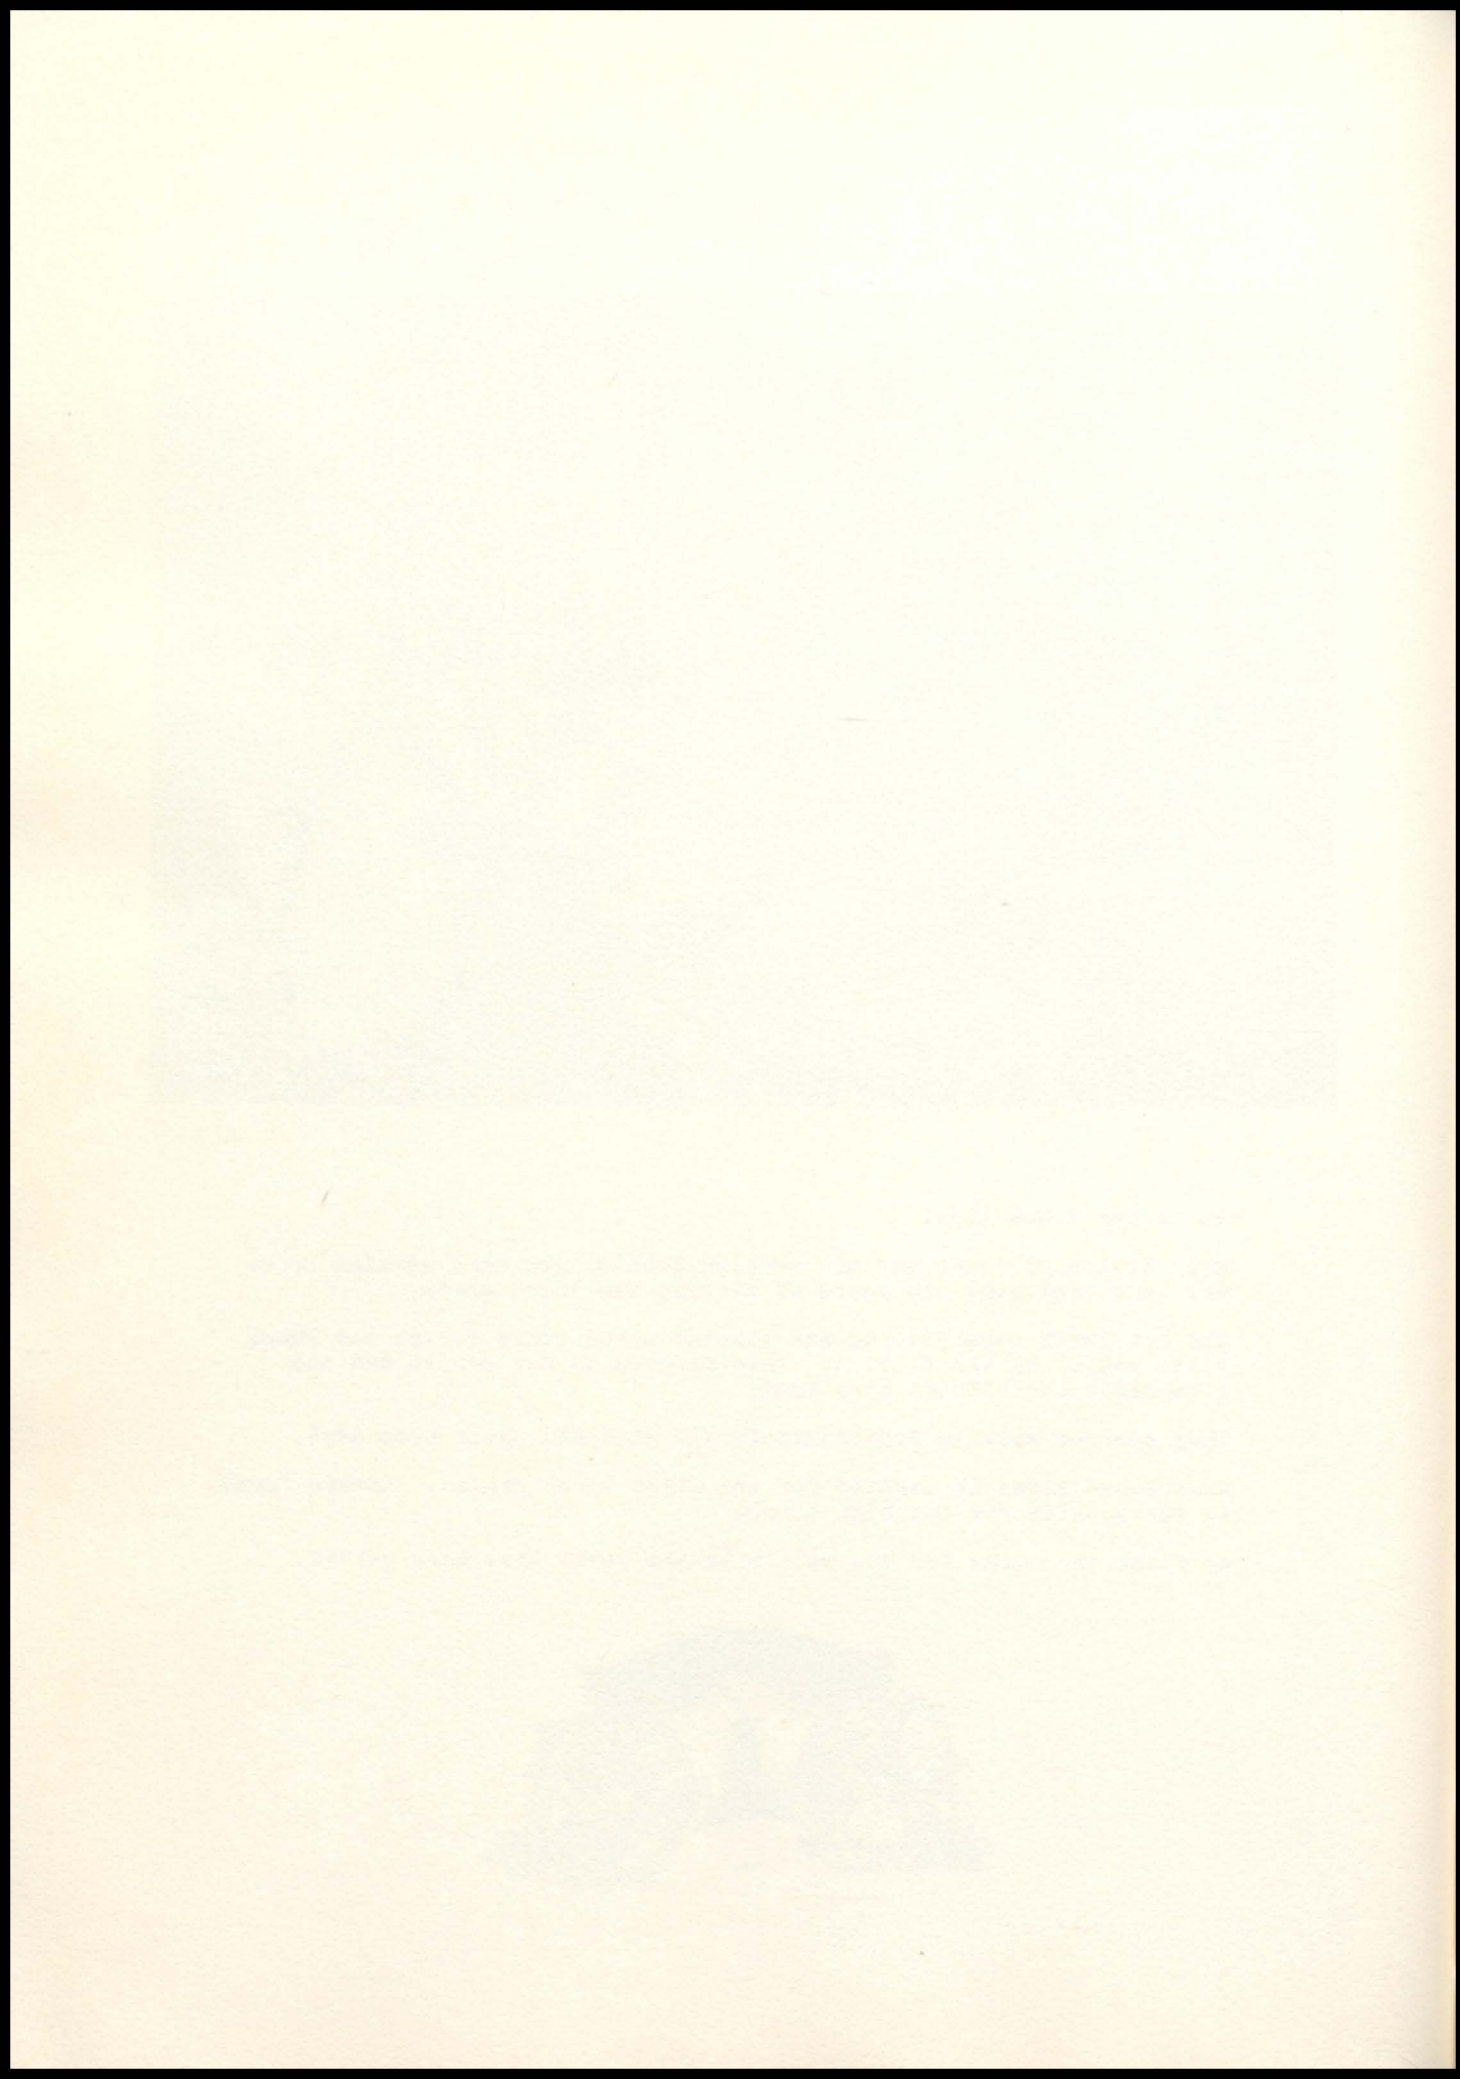

The hot lunch room program was started seven years ago in the Buena Vista school by the P. T. A. This program is non profit and the government contributes some food.

They are now serving approximately 110 students their noon meal.

Miss Norma Acree is cashier for the first seven grades. Lorene James is the cashier for the high school.

We thank the cooks for the well balanced meals they have served.
