

WAGNER ENDS SEASON

Thespians Set Date For Christmas Production

Chesterton Cycle Play Chosen; Cast Picked by Prof. Foster

Mr. Foster, coach of the Varsity Players, announced last Monday the cast for the Christmas production which will be presented on the evening of December 13th.

Rehearsals are being conducted twice a week and plans are being made to present the play, which is taken from the Chesterton Cycle, in old English fashion. Booths will be built to hold those actors that appear in the same scene and when it comes time for their scene they will come forth from their booth and perform their parts and then return to the booth. In this way the whole cast will be on the stage from the beginning of the play to the end. The cast is as follows:

Mary	Muriel Zoll
Joseph	Harry Husted
Angel	Marie Horan
Centurion	Howard Lenhardt
1st Shepherd	Walter Morten
2nd Shepherd	Herbert Bosch
3rd Shepherd	Emil Hein
Trowle	Joseph Di Cosmo
1st King	Walter Gourlay
2nd King	Donald Bautz
3rd King	Clifford Suessmann

Frank Betancourt Heads Committee for Annual Show of Men's Dorm

The annual men's dormitory Thanksgiving party will take place on this coming Tuesday night, the night before the vacation period starts. Frank Betancourt has been appointed chairman of the program committee, which will include many original sketches by the professional thespians of the dormitory. Walter Gourlay

American International College Here for Final Game on Green Schedule Kirchmyer Men Set For Sixth Win Of Season

This afternoon, at Thompson's Stadium, Stapleton, the Green Wave of Wagner meets an inspired team from American International. The American International aggregation hails from Springfield, Massachusetts, where it has set up a commendable record for itself.

Last week, the New England team defeated Panzer College by a score of 21-0, while Wagner was handing Brooklyn a 13-0 defeat.

This game today promises to be one of the toughest on the Wagner schedule, but the Green Wave will not be handicapped by injuries. These facts should bolster the team to the peak of efficiency.

Wagner still has some plays that have not been employed so far this season, but will probably loosen up with them today. Wagner will be trying for its sixth win of the season.

The game promises to be packed with thrills from beginning to end. The type of attack that the two teams will use remains a secret, and will probably remain as such until this afternoon, when they pair off.

will take care of the refreshments for the evening, while Don Bautz is in charge of the stage committee.

Leonard Klemann, secretary of the dormitory, has already sent invitations to the faculty who live on the hill as well as to the maintenance staff, to attend this gala affair. Come early, and get a good seat in the front rows.

Substitutes—Wagner:

Vogel (34), DeLuca (6), Clody (23), Stilwell (1), Wholihan (3), Wiley (5), Johnson (10), Bakke (11), Smith (14), McCarthy (16), Grosse (17), Boecher (18), Bodien (20), Reissig (21), Sephton (22), Leber (27), Lenhardt (28), La Hart (35).

Substitutes—American International:

Cosmos (24), DiCarlo (27), Hanna (20), Chappuis (28), J. Hurley (26), W. Hurley (40), Murphy (42), Hart (45), Page (30), Kogut (38), Smist (35), Fazio (36), Zanco (31), Canavan (21), Maiewski (51).

STRETCHER GIVEN BY ALUMNI GROUP

Certain people noticed, during the football games, that the injured players have been carried off the field in such a manner as to make any slight injury serious.

Among these people were members of the Wagner Alumni Association. As reported by Instructor Bruce Carney, the Association bought a stretcher to be used at all future football games. The money for the stretcher was taken from the proceeds of the Alumni Dance.

ALPHA KAPPA PI FORMAL TONIGHT

The brothers of Alpha Kappa Pi will entertain their guests tonight at a formal dance at the Suburban Country Club, in Union, New Jersey. Leonard Klemann, chairman of the affair, announces that it is to be a grand affair. The music will be furnished by Carl Madison and his orchestra. The vocalist for the evening is to be Marion Johnson. There is still time to get your bid from the committee and to spend the evening at the Country Club, celebrating the close of a grand football season.

PROFESSOR COOLIDGE CONCLUDES STAY ON CAMPUS; KNABE GRAND PIANO PURCHASED

At a special chapel service held this morning, Professor Arlan Coolidge's visit to the Wagner Campus was brought to an end. For the past three days Mr. Coolidge has lived with Doctor Haag and has thrilled the students with his selections on the violin on many different occasions. On Thursday morning he gave an informal talk in chapel on the field of music and in the evening attended a meeting of the music club where he listened to prospective members perform and then played himself.

On Friday, he, with the help of Mr. Boardman at the piano, gave an informal concert which was highly appreciated by the students. In the evening he appeared in a formal concert, at which time a large number of Staten Islanders turned out and were greeted personally by Mr. Coolidge at a reception given by President and Mrs. Stoughton in the Cunard building.

This morning in chapel Mr. Coolidge again played for the students and at this time played a number of request numbers for his audience.

Dr. Haag was in charge of Mr. Coolidge's visit and during his stay Dr. Haag arranged ample opportunities for those students who were interested in music, to have personal interviews with him.

NEW BABY GRAND PIANO ACQUIRED FOR CHAPEL

The school is quite fortunate in being able to purchase a new Knabe Baby Grand piano for the auditorium. Doctor Haag, last Monday, arranged for the piano to be de-

livered at the school on Tuesday, November 12.

Money for the piano came from two sources; the very successful Fashion Show given by the Girls' League last year, and the Choir Concert presented at McKee Vocational High School on Staten Island.

We give a word of thanks to all those who helped in making this possible.

Any goal, no matter how great or how small, can be reached with co-operation and work. The acquisition of this piano has proven the rule.

Editorial

The Wagner campus has lost one of its best loved personalities!

Professor Herbert R. Childs has left Wagner to return to his Alma Mater, the University of Rochester, where he will teach and complete the work for his doctorate.

During his stay at Wagner, Professor Childs was active in the work of the Music Club.

The Childs' home on the campus displayed the typical Wagner spirit; it was always open to Wagner students. Professor Childs' knack for teaching and helping students was equalled only by the graciousness of his wife.

A few very close friends who were with him when he left the Wagner campus to travel upstate, felt that he knew he was leaving scores of associations he had cultivated during the last five years.

The University of Rochester will be "home" to Professor Childs, and we hope with him and pray to God that he may have a successful professorship in that institution.

We feel that the University of Rochester will surely appreciate his character, personality, and ability; the things that Wagner students will miss most through the coming years.

We are indeed grateful that we have had the opportunity of associating with Professor Childs during the past years, and now, on his way we wish him GODSPEED!!!

SNOOPINS

Helene Mueller brags that she is sweet sixteen and has never been kissed. Step up boys!

Hint: Doctor Hefelbower, that person who cracks some of those funny jokes now and then is not Howie Guhl, it's Bob Meyer. How could you miss Bob's red hair? But then, maybe the whole thing is just an illusion!

What's this we hear about Bill! It just couldn't be that W. C. T. U. Massa has unintentionally left the total abstainers ranks.

Vladdie (Killer-diller) Hibian's formula for keeping a wave in one's hair is to wear a hat at all times. Coeds, watch the fellows now!!

According to mythology there are nine Muses, but some "genius" named two more in a recent English test given by the dean. They are, of all things, Venus and Polyglot. That's ingenuity plus!

Mispronunciation: During a recent Philosophy roll call, the instructor said quite innocently, Meekinson. Well, anyone that knows Heinz will agree that there's nothing meek about his conversation, for he can bend a person's ear indefinitely!!

Some say you can't make a football, but it comes mighty close to that when your dogs bark.

They're having some sort of Thanksgiving in Europe today. They're cooking Turkey in Greece.

Have a pleasant Thanksgiving vacation! Everybody!!

SPORTS RAMBLINGS

By MELVIN E. YEARKE

This afternoon is your last chance to see the Wagner team in action, because the Panzer game has been definitely cancelled.

Last Saturday the Green Wave unleashed a powerful aerial attack against the Kingsmen from Brooklyn College and as a result chalked up its fourth victory, 13-0. This attack proved that Wagner was really effective in more ways than one.

Today's game will be a tough one for Wagner, but if the "Monday morning quarterbacks" have anything to say about it, it looks like "Wagner Will Shine Tonight."

Our hats are off to a great team!!

Whether Wagner wins or loses today, there are bound to be saddened hearts in the dressing room after the game. This afternoon's fray will draw the curtain on some brilliant college football careers. Henriksen and Smith are two of the first-string men that will see action on the college gridiron for the last time today, Bakke and Johnson are other squad members who will get their sheepskin in football today. The class of 1941 can be justly proud of these four men.

The basketball team is progressing very rapidly these days, having put impressive scrimmages behind them. Coach Herb Sutter is taking the boys

down to Curtis High School to practice a couple times a week. The team should be in excellent shape to begin a heavy 18 game schedule on Wednesday evening December 4. This opener will be against Paterson College and will be played on the Wagner court.

There are two new faces that you will probably see plenty of on the Wagner court this year. Snee and Widner are doing remarkably well in learning the "Sutter System" and in handling the sphere. Five or six of last year's varsity will be out there again sinking them with greater accuracy than Wagner has seen in some time.

The Wagner Alumni still have a great interest in their Alma Mater!! This has been shown by some of Wagner's ex-fencers who have returned to the hill to have practice meets with both the men's and women's varsity teams.
