Campus Carnival Climaxes Community Chest Drive; Receipts To 15 Charities

The annual Campus Community Chest Carnival was held last Friday night in the college gymnasium. The Carnival, climax of the annual Community Chest drive on the campus, had sixteen booths manned by college organizations. Prizes were awarded for the most original ideas and, as a result, the booth themes were blanketed in secrecy until just before the carnival.

The annual Chest drive began March 15 and ended with the carnival. During that period all students and faculty members were solicited in behalf of the 15 agencies which share in the receipts.

One half of the Chest funds will be divided between the Staten Island Community Chest and the World University Service. The remainder will be pro-rated to 13 other agencies.

It is unofficially reported that the Carnival netted \$337 from an estimated 500 crowd. Although the official tally of the total drive is not yet complete, it has been established that the returns are very disappointing; falling far short of the \$1,500 goal.

The prize for the most original booth was won by the campus sorority of Alpha Delta Pi. The Alpha booth had a Hawaiian theme featuring a girl on a swing with a not-so-obliging neck around which leis were to be thrown. The "Kismet" booth of Delta Lambda sorority won honorable mention. The award for the booth making the most money went to Sigma Delta Phi fraternity. The booth collected \$37 with a baseball booth along the lines of the popular amusement park knock-the-bottles-down concessions. Running close seconds for the latter award were the faculty and Student Christian Association booths. Judging was done by Dr. Adolph J. Stern, Dean of the College; Miss Heimtraut M. Dietrich, Dean of Women; and Ian A. Morrison, Dean of Men.

Miss Anne Pierce was chairman of the Chest drive, with Dean John R. Baehner of the Graduate School heading

Dr. Hiebel Speaks On

"Poems" At Vassar

Dr. Frederick Hiebel, a member of Wagner's Modern Languages Department, spoke before the German Department of Vassar College in Poughkeepsie, N.Y. last week.

Dr. Hiebel spoke on "What is a poem," with illustrations and interpretations of about ten poems from early medieval times up to the present.

His talk, which was entirely in German, was heard by about 200 Vassar girls.

Dr. Hiebel is the author of an article, "The Modern View of Hellas and German Romanticism," which appears in the current issue of The Germanic Review, published by the Columbia University Press.

Guild Hall Women Painting Dormitory

Last month the college Board of Trustees approved the painting of a trial room in Guild Hall. As anticipated, the consent to paint the entire dormitory by the girls followed soon after inspection of the trial room. It is hoped that gradually the entire dorm will be completed this year.

The project was put into operation last month, when, in two weekends, two rooms were painted by their six tenants and two off-hill men. The trial painting was done in pale green.

John Burry, of the Burry Paint Corporation, has contributed all the paint. Mr. Burry and Ernest Nelson, superintendent of grounds and buildings, supervised the work. They also supplied rollers, brushes, and the rest of the equipment.

To date, five suites have been completed. The girls have a choice of different shades of green or yellow depending upon the color of the bathroom tile.

The dormitory has not been painted since it was occupied three years ago, to allow the plaster to dry thoroughly. "It really looks much more homey, and since they are proud of their building, the girls are looking forward to doing all the painting," reported Dean Heimtraut M. Dietrich.

Rabbi At Wagner

Enlightens Students

Rabbi Irwin Blank of Temple Emanuel, Manhattan, visited the Wagner campus last Monday and Tuesday, April 26 and 27 as representative of the Jewish Chataqua Society.

Rabbi Blank visited the classes in religion and in each he described the nature of the Jewish faith and answered questions about it.

On Monday night he addressed an open meeting sponsored by Ichthus, a college organization of students intending to enter the field of full time church work.

Yesterday morning Rabbi Blank presided over a question and answer period on Judaism.

The National Federation of Temple Brotherhoods sponsors the Jewish Chataqua Society, which sends rabbis to colleges as part of an educational program to disseminate authentic information concerning Judaism.

One More Voice!

Senator Joseph McCarthy, (Rep., Wisc.) is a name that is very much in the news today. Nearly everyone has formed an opinion on him and this opinion, almost without exception, is a violent one.

After much study and reflection, I have come to the conclusion that Senator McCarthy is a bad thing. By this statement I am laying myself open to a charge of communism, if not by the gentleman himself, by his supporters. For, by his own reasoning, if you are not for him, you are ipso facto a red. This was nicely illustrated when he appeared on the Edward R. Murrow Program a few weeks ago.

Communists are a great threat to our lives as free Americans, and I am just as enthusiastic about getting rid of them as the next person. However, I don't think Senator McCarthy, with his publicity seeking demagoguery is the one to do it. It appears that he is simply out for his own po-

litical aggrandizement. The job of ridding the country of reds should be done quietly and thoroughly. Senator McCarthy, with his half-truths and freely thrown accusations, is getting few, if any, results.

Most pro-McCarthyites with whom I have talked don't seem to be too well informed on him. This is the insidious thing, for if you don't know the facts, he seems to be a patriot, and, with most people, all they have to hear is that he is against communists and they are for him.

Since his controversy with the army came up, more and more people are finding out just what this man is and what he has done. The public opinion that was so overwhelmingly with him, is slowly rising against him. Let us hope that when he next comes up for reelection, the voters of Wisconsin will do the right thing and vote him out of office.

Question: Do Wagner students dress properly for campus life?

Barbara Campbell, Freshman; On the whole everyone dresses all right. The fellows should not wear dungarees. They wouldn't go to work that way and college is their job. A lot of people dress like high school students and are not collegiate enough.

Judy Russell, Senior; I definitely think so. For this type of campus casual clothes are more appropriate. For the most part, students dress in a collegiate fashion and only occasionally do you see the extremes.

Colleen Stemel, Junior; Yes. I don't think it really matters what students wear. Clothes don't make the person. As for myself, I would find dungarees and sneakers very comfortable but I suppose a certain amount of femininity should be preserved.

Mickey Mullaly, Senior; My only objection is that blue jeans and shirts hung outside of them should not be worn to classes. One good feature is that students don't try to outdo each other as they do in other colleges. White bucks and crew haircuts add to the collegiate atmosphere.

Eric Lachmansingh, Freshman; Being a foreign student it is quite unusual to see boys and girls dressed as they are. Their clothes add much color to campus life because there are many seasons here. At home it is more uniform because of the continued warm climate. Students dress freer. They dress as they please. There are many styles to choose from.

An Open Letter To Wagnerians

During the past year I have had the pleasure of serving as your president. This honor and opportunity will always carry with it the very fine memories of the capable and industrious people with whom I have had the pleasure to work.

To those people who have consistently shown an interest in the Student Association and who have frequently worked in the various committees I would like to extend my thanks.

Our Vocational Guidance Committee performed their duties excellently; their ability for planning and producing are to be highly appreciated. Other committees as the May day committee and the Student Association should be shown every possible consideration by you. The best means to show this appreciation is participating in the functions and by backing the particular aim of this committee.

On this point, participation, there is a great laxity in our group. This progress, for which we are to be complimented, is performed by a very few. You, as a collective group, have not participated even though the opportunities have often been shoved on you.

At such functions as the Student

Union dance and Student Union Concert the student attendance was embarrassing. The parents have carried almost the entire burden of financing our student Union. It is hard to see how a policy of just expecting gifts can be at all a constructive influence on college students. This lack of wanting to build is our weakness.

One hundred and sixty students constitute a quorum at school, for a student body of 800. This morning 118 attended our meeting. An agenda was covered incompletely since an informal meeting was held. Very little can be done under such circumstances.

Our Student Council can cover the agenda, but it is a representative group, and in a small college of this sort we have the time and space for all of you to participate in your government.

May 5 is the last Student Association meeting of this year; our functions and activities warrant an "active" agenda. You as college students who are preparing to participate in life as fully as you can, must learn to accept your responsibilities in your student government, for this is an important practical phase of your education.

Faculty Profile Of The Week: W.T. Young

by Wm. de Heyman

If there is a more popular room in the Administration Building than the Art Studio, Professor Young's students don't know it. Reason number one for this is Professor Young himself. His modest, helpful approach to his work, in fact to life itself, is an inspiration.

He was born in Huntington, West Virginia. At the age of fifteen he was awarded a scholarship to the John Herron Art Institute at Indianapolis, Indiana. Professor Young later attended the University of Cincinnati, the University of Alabama, Ohio State College and the University of Southern California.

His work since completing his formal education has been varied and interesting. He was a graduate asst. Professor of Art at the Alabama State College in Florence, Alabama.

During World War II, he was a fighter pilot and did murals for the U.S. Army Air Force.

While still in high school, he was an advertising illustrator for a chain store. A year before coming to Wagner, he was an illustrating artist for the Douglas Aircraft Corp.

Professor Young is a golf enthusiast and spends even more time as an auto racing and hunting fan, although a duck hunting trip is likely to end as a sketching expedition.

W. Thomas Young

Professor Young's "lovely to look at" wife, Bobbie Lee, is also an artist. They have one child named Christopher Robin who is three years old. Professor Young has exhibited in many galleries.

Mr. Young received 1st Honorable Mention at the National Water Color Show of 1953. He was commissioned to do a portrait which is now hanging in a Frank Lloyd Wright home.

Briefly Professor Young's concept of art education is not only the training of professional artists but also the creation of understanding in the aesthetic expression as a means of providing a richer life for all.

Lenten Worship Drama; A Review

by Arthur Sforza

Come Unto Him, an original drama by Anton Thumhart was typed as a religious worship service. All who saw it fully received the message brought to the audience.

This drama was composed of five scenes, each preceded by a soloist and "The Voice of the Bible." The actual scenes, as such, were not to my liking. Each showed the progression of a man and his wife as they went to Calvary to see the Crucified Christ. The first three scenes were particularly bad since they were dull and merely snatches of a story that it itself was hardly complete for writing technique. Thumhart had the material from which he could have produced a fine play but time, I believe, prevented him from fully developing his theme. The result was a "drama."

The soloists accompanying each scene were excellent, the best of the

lot being Anne Pierce, who, despite a touch of nervousness sang very well. Other soloists included Olivia Brewer, Geraldine Ulrich, and Donald Snyder. Organ accompaniment was adeptly handled by Hyacinth Mordey.

Elaine Banfi, veteran Varsity Player, as usual, gave a smooth performance as a rather obnoxious woman. Her pious husband was very poorly played by James Qualben. Rolf Eschke, as the "Voice of the Bible," gave his quotations in a flawless tone and clear voice. John Young was, I believe, the only one cut out for his part, playing the stern Pharisee capably. William Schneider and Edward Rutmayer were the Blind Man and Centurian respectively. Compliments to Rutmayer who was so much of an actor, that he even looked and sounded like he was acting; a fine voice though

Harriers Lose To Fairleigh-Dickenson

The Wagner College track team, under the direction of Coach John (Bunny) Barbes, opened its 1954 season on a sour note last Wednesday afternoon as they were trounced by Fairleigh Dickinson College of Rutherford, N.J., 94-37, at Passaic High School stadium.

Charlie Harreus was outstanding for the Green Wave with 11 1/2 points. Harreus took first place in the shot put with a distance of 40 feet, eight inches, first in the discus throw with a toss of 119 feet, five inches, third in the javelin throw, and a tie for third in the high jump. Gordon Sieg collected 8 1/2 points with a first place finish in the 120 yard high hurdles in the time of 16.7, second in the 120 yard low hurdles, and a tie for third in the high jump. Dave Schildwachter was third high in the point department for the Green and White. He won the javelin throw with a distance of 158 feet and 3/4 inches for five points.

The next meet for the Seahawks is this coming Saturday with Queens College, away.

N.Y.U. Shuts Out Wagner Racqueteers

Despite the fact that the Wagner Tennis team was trounced 9-0 last Monday by N.Y.U. in their first meet of the season at the latter's home court, Captain Cyrus Ghani is looking forward to an improvement over last year's record of 4-6. However, he was quick to point out that the Green and White have lost Bob Snedeker, who

was one of the best tennis players ever to compete for Wagner. One of the reasons he gives for last year's record is the fact that they faced such tough squads as N.Y.U., Fordham, and Hofstra. Despite this kind of competition Snedeker finished with a record of 8-3.

Playing in the number one position this year will be Bob Morris who is much improved since last year. Captain Ghani, who was right behind Snedeker last year with a 7-5 record will play in the all-important second spot.

He will be followed by Leon Tudor, Lon Rankin, Art Kappler, Hal Markert, and Carl Borchers in that order. Kappler and Tudor are the only ones of these five men who played last year. Rankin, Markert, and Borchers are all making their college tennis debuts. Two more men will be added to the squad. They will be chosen from the trio of Dick Stevens, Bob Price, and Herb Pieler.

K.S.A. Edges Delta; Captures Interfrat Basketball Crown

In a hard fought basketball game, played just before the Easter vacation, Kappa Sigma Alpha edged Delta Nu 40-39, to capture the Interfraternity Basketball League Crown. During Regular league play Kappa finished in a three way tie for first place with Delta and Sigma Delta Phi, each team having a 3-1 record.

In a game which was close most of the way, Delta turned back Sigma 48-32, to enter the finals with Kappa. Despite the final score, the outcome of the game was in doubt until the closing moments of the fourth quarter.

The championship game was a tense and exciting battle all the way. Neither team led by more than four points at any time during the game. Delta threw up a strong zone defense in the first period, but good outside shooting by Kappa gave them a 13-11 lead at the end of the first period. In the second period Kappa's shooting fell off, and Delta was able to tie it at 22 all at half time.

In the third quarter Delta switched to a man to man defense, and Kappa immediately proceeded to build up the largest lead of the game. As the two teams took the floor for the final quarter, Kappa had a 33-29 advantage. Two quick baskets by Bob Goetz and Larder at the outset of the stanza, knotted the score. From this point on the lead changed hands often. With 30 seconds remaining to play Delta had a one point lead. They elected to freeze the ball for the remaining time, but Kappa got possession on a jump ball, and worked the ball very carefully, gambling on a last shot. They made this strategy look good when with seven seconds to go Richie Peterson threw in a short jump shot to give Kappa a 40-39 victory and the league championship.

Baseball Squad Wins 4, Loses Four; Conference Record 1-3

The Wagner College Seahawks opened the 1954 baseball season on April 5, at home against Pratt Institute. As reported in the April 7 issue of the WAGNERIAN they won 14-0 behind the two hit pitching of Clem Bosco. Since that time they have played seven games, winning three and losing four. They have beat Fordham, St. Lawrence, and St. John's. They bowed to Kings Point, Brooklyn College, City College, and Manhattan. Four of these contests make up the first third of their Metropolitan Collegiate Baseball Conference schedule. The win over St. John's and losses to Brooklyn College, City College, and Manhattan give them a conference record of 1-3. Following is a brief summary of each game.

KINGS POINT 9 - WAGNER 4

Kings Point, L.I., April 8 (WP) Wagner suffers initial loss of season to Kings Point Mariners 9-4, despite a pair of home runs by their all-star catcher George "Claw" Lewis. Gus Merkel starts on the mound for the Suttermen but is blasted out in the first inning on Harry Smith's three run circuit clout. Bob Wilson also outstanding for the Green and White with two hits including a homer.

BC 4 - WAGNER 1

Brooklyn, April 10 (WP) Wagner College Seahawks drop second in a row as they are turned back by Brooklyn College 4-1 in the opening game of the Metropolitan Collegiate Baseball Conference. Hawks are held to just six hits by Bill Anderson, one of the best choppers in the conference last year. Bob Pieler collects half of these hits with a double and two singles. Clem Bosco is charged with his first loss while going the distance on the hill for Herb Sutter.

WAGNER 5 - FORDHAM 1

Staten Island, April 12 (WP) Jeff Safford holds Fordham Rams to four hits while mates collect eight safeties in 5-1 upset victory. Bob Scariato and George Lewis belt doubles to help knock starting pitcher Bill Hanrahan out of the box. Bob Pieler and Fred Hornbuckle also show power with two hits each. This breaks Wagner's two game losing streak, and brings them up to the .500 mark.

Staten Island, April 14 (WP) Clem Bosco shuts out St. Lawrence 10-0 for his second and Wagner's third win of the season. Bob Pieler leads Hawk's attack with a double and two singles, while Fred Hornbuckle and Bob Scariato knock out two singles each. Visitors contribute to the cause generously with six errors, all in the infield. Besides being his second win, this is also Bosco's second shut-out.

WAGNER 5 - ST. JOHN'S 3

Woodhaven, L.I., April 19 (WP) Clem Bosco wins his own game with three run homer in seventh inning as Wagner edges St. John's 5-3 for first conference win. This gives Bosco three wins in four starts. His single made him the only Seahawk with more than one hit. Bob Scariato, arriving just in time for game, blasts a triple for Wagner's first run in the opening inning. Dick Eichhorn suffers loss for Redmen.

CCNY 4 - WAGNER 3

Bronx, N.Y., April 21 (WP) City College continues its mastery over Wagner as they push the winning run across in the tenth inning to hand the Seahawks their second conference loss against one win. Jeff Safford pitches one hit ball for the first six innings, but is rapped for bases loaded homer in the seventh by Nat Baretz. Homers by Bill Carluccio, George Lewis, and Fred Hornbuckle, all with the bases empty, lead the Wagner attack.

MANHATTAN 5 - WAGNER 4

Staten Island, April 23 (WP) Wagner loses second extra inning conference game in three days as Manhattan scores in top of ninth for 5-4 victory. Coach Herb Sutter uses four pitchers including Don Perry for the first time this season. Perry was charged with the defeat. Bosco started on the mound for the Hawks but was knocked out in 2 1/3 innings. He was followed by Fred Viebrock who pitched 4 2/3 innings of hitless relief. Roy Gartrel pitched the eighth and ninth innings holding the visitors scoreless. Then Perry came in and yielded the winning run.

Quintana Appointed To Athletic Staff

Gilbert (Jay) Quintana, former Little All-American football star, has been named to the Wagner College athletic staff it was announced last Monday by Herbert E. Sutter, Director of Athletics.

Quintana will assume the post of instructor of physical education September 1, 1954, and will act as assistant to head football coach John (Bunny) Barbes and basketball coach Sutter.

In 1949 Quintana was a member of the Seahawk gridiron squad that posted the best won-lost record (7-1-1) in the history of the college. A fullback, he was named to the first string Little All-American team that year. As a junior, he captained the Wagner basketball team, and was a member of the 1949-50 squad that won 19 out of 24 games, a record that has never been matched or beaten by a Seahawk cage squad. The Seahawk team of last season rang up a 18-6 final standing. Mr. Quintana received his bachelor's degree from Wagner in 1950 with a major in mathematics.

Sorority Acts Out Magazine Story

The campus sorority of Alpha Omicron Pi acted out a series of pictures last Saturday, April 24, for Pageant Magazine.

The magazine is presently working on a pictorial story about a winsome co-ed that wants to go to an important college dance, but does not have the proper dress to wear. The Sorority to which she belongs gets together to help her.

The setting for the photographing was set in Guild Hall. Dean Heimtraut M. Dietrich chose Alpha Omicron Pi by placing slips with the names of the three campus sororities in a hat and picking one.

Student Soloist Gives Vocal Recital

The Wagner College Department of Music presented Miss Alice Klumpe, soprano, in a recital last night in the college auditorium.

Miss Klumpe, in her recital included songs of four countries; Italy, Germany, France, and the United States.

She was accompanied by Miss Anne Morris at the piano.

Upwards of 175 persons attended a dinner in "The Cellar in the Clouds," Manhattan, Wednesday night, April 21. The dinner was sponsored by the Parents Committee of Wagner.

The guests toured the winery on the sixth floor of an office building. Those attending a dinner there for the first time were inducted into the "Order of Cellar Rowdies."

Walter Van Nostrand is chairman of the Parents Committee, which was organized last fall. Jacques Noel Jacobses was chairman of the dinner committee. Victor Dumbra, a member of the committee, was host for the evening.

IT'S ALL A MATTER OF TASTE

*They're all the rage with college kids,
With gals and men alike.
So round, so firm, so fully packed—
I speak of Lucky Strike!*

When you come right down to it, you smoke for one simple reason...enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco...light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better...always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

*The cigarette that really tops
The campus hit parade
Is Lucky Strike. Enjoy the taste
Because it's better made!*

*When buddies ask me for a smoke,
What do they get from me?
"Here's finer smoking, pal," I say,
"Cause L.S./M.F.T.!"*
