SALE OF WAR STAMPS NEARS \$100 GOAL

The Wagnerian is cooperating with the government in the nationwide effort to promote the sale of war stamps and bonds.

Our goal is to push the sales over the \$100 mark before the end of the term. The total at press time is \$82.45. On "Jimmie Robb Day" and on the three following days, students purchased \$35.45 worth of war stamps. The investments slowed down after the initial sale and only \$47.00 worth of war stamps has been purchased since then.

What do you say, Wagnerians, everybody out and everybody prepared 100% to buy a war stamp at the Student Association Banquet. It's your last chance this semester! With everyone plugging for Uncle Sam, our goal should be surpassed. Let us do our part and buy war stamps for VICTORY.

To Sleep? — Ah, to Sleep! Yep, and New Mattresses Too!

Cheer Up; all you would-be sleepers of the men's dorm! You need no longer worry about sleeping on the tiloor come September. Otticial word has it that the new springs and mattresses will reach our campus in due time to be used on the new beds which have already been purchased for use next semester.

Freshman Advisors Selected

Dr. and Mrs. David Tyler have ben chosen by Dr. Stoughton to act as advisors for the Orientation Week to be held next September.

Wagnerian Staff Completes Year With This Issue

With this issue of the Wagnerian the present staff puts back the covers on the typewriters and closes shop. The new staff takes over at once and will publish the graduation issue. To them, we "has-beens" offer our sincere wishes for a successful year.

Uncle Sam Calls Two Wagner Profs

In the past months we have seen a number of Wagner students leave the campus to serve in the armed forces. The change in age limitations for men to be drafted into Army or Navy service now affects also the faculty.

Among those in the faculty on call for duty in the near future are Mr. Paul Kirby and Dr. Charles Foote.

Mr. Kirby has applied for naval service and will probably leave sometime this summer. His status as teacher, however, may cause a shifting of plans.

Because he only recently received notice of his position in the draft, Dr. Foote has as yet no definite plans, but it is probable that he will not be with us next semester.

Wherever their ways may lead them, we wish these faculty members, an integral part of our Wagner family, Godspeed.

STUDENTS PLEDGE \$1400 IN DRIVE

The Wagner Student Association closes the first year of its two-year effort of the College Fund with over one-halt of its pledge of \$2500 subscribed.

Pledges have averaged \$8 per student on the basis of returns to date. Over half of the Association has pledged a total of \$1468 for the Fund.

It is hoped by the Committee that the balance will be subscribed by next year. All students are urged by the Committee to make their pledge as soon as possible.

REGISTRATION SHOWS CONSIDERABLE DROP

For some time there has been a question about the extent of registration in colleges, especially since gov ernment draft is taking not only already matriculated, but also potential college men. Thus, it should be interesting to find how students are registering, especially at Wagner.

Thus far, 54 have enrolled in summer school, and 161 upper classmen recently registered for next year. Behind the normal registry, only 35 subfreshmen have signified intentions of coming to Wagner next September.

Wagner Waggery

Little did you think the last time you-whatever it was you might have been doing that near you, noticing every move, every word was the Wagner Wag.

Now, Noah Webster tells us that a wag is a humorist and wit; but my being so named is merely a guise; this is serious! Well, not really, but it may, nevertheless, lead to bloodshed.

For instance, little did the cutie who is always yelling "Floyd!" think that I overheard her way back at the Sigma Costume Dance when she, dressed as an Indian Squaw, expressed her desire for a compliment to her costume—in the form of a bundle strapped on her back.

"Twinkle Winkle starred bliss, Van is gone, but Dempsey is," because George Tampke loves to ride the ferry (from the choir banquet, for example).

The newest contract of waggery, wrigglery, or something: Marion Rappold will teach (?) Mr. Engum to dance if he gives sister Gloria vocal lessons. What will "My Howie" say?

Even though Paul Alberti realizes that where there's smoke(y) there's fire, he still wishes that Philly were nearer Rutherford-for Smokey Jr., of course!

Flashes! Marie Krumpe discovers her car has brakes . . . Bill Massa's dream goes to Swarthmore . . . Violet Boehmer is still the temperamental arteest . . . Millie Ernst has been to nightclubs!

Did you ever see a dream walking? Well, some people did the other day when Raymaley, after a sound sleep came walking out of the dorm-sans pants.

My choice for the couple of the week: Don Bautz and Irma Gramm at the fashionable Hungaria. My, my!

Rotten stuff this gossip; but duty is duty, and mine is to be nosey. This is merely a sample of what the next issues will reveal, so watch your wag . . . and your step.

SPORTS CORNER

The 1942 edition of the Wagner College baseball team will have an opportunity to keep out of the red when it faces Drew University at Madison, New Jersey today. The Hilltoppers travel to New Jersey to avenge the 4-3 defeat that Drew handed them last week.

Thus far, the Green Wave has won 3 and lost 4. The Drew encounter on Saturday will be the last game of the season, and also the last game for seniors Bob Burton, Mike Perfect, Bill Wiley, and Skip Schipani.

Review of Season

One of the highlights of the season was the ten-run inning against Webb Institute. The Green Wave pulled out of this six-inning encounter on the long end of a 20-4 count.

St. Peters then took the measure of the Wagnermen by one run, 2-1. Wagner came back to hand Stevens a 7-2 beating on the Stevens diamond.

Wagner then lost two in a row. 9-0 and 4-3 with Trenton Teachers and Drew University, going home on the short end of these counts.

The Suttermen got back in the stride and defeated Montclair Teachers 4-2 only to be defeated by Paterson two days later 5-2.

Wiley and Cawley have been carrying most of the pitching honors. Archie DeLuca has been doing nearly all of the catching. Bob Arnold took over on the mound for three innings in one game without allowing the opponents a hit, but was removed because of a sore arm. Since then he has been covering center field for the Hilltoppers.

The team batting has not been too bad so far. Wagner has collected 53 hits in 225 times at bat for an average of .238. Individual honors at the plate go to Iggie Darson who has chalked up 11 hits in 28 trips for an average of .398. The only home-run of the season was hit by Iggie in that now famous third inning of the Webb game. Two men scored ahead of

him as a result of that clout. Iggie hopes to bring his average over the .400 mark on Saturday.

Fielding on the part of the Wagner team has not been quite as creditable. In the 7 games played our boys have committed 31 errors or an average of over 4 errors per game.

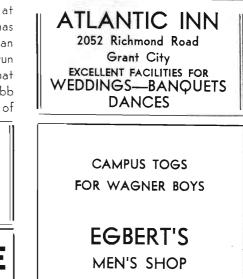

Wagner's men of the cinder track have finished their season with a good record. Under the splendid leadership of Coach Cecil Sullivan, they have participated in four competitions. Led by the sterling performances of Neil MacIntyre, the high scorer for the Hilltoppers, the trackmen have turned in a record of two wins and one defeat.

Starting off with a bang, the team took its first match with Savage to the tune of 60-31. Against top competition the squad placed fifth in their section of the Penn Relays. Traveling to Cooper Union, the team lost its first dual meet by the score of 39-48. On Wednesday the team met Newark at the Port Richmond field losing 52-38.

Among the mainstays of the squad have been Walt Boecher, Paul Sukovich, Capt. Connie Schroeder, Ken Kerwin, Jim LaHart, Moe Leber, and Bill James.

Coached by Dr. Dunham the tennis team has participated in six meets, winning two of them. Meeting tough opposition on the courts, the members of the team turned in creditable performances in each of these matches.

Ken Axelson, Ted Loos, Fred Peggs, Bob Wedemeyer, Len Schwertfager, and Floyd Buchholz comprised the squad.
