Curtain Goes Up On V.P. Comedy In Auditorium Tomorrow Evening

Bill Schneider, Anne Pierce, and Sid Wolansky in a scene from the comedy 'Once In A Lifetime', which is being presented in the auditorium this week.

Tomorrow night the Varsity Players will give their first presentation of the Kaufman & Hart comedy 'Once In A Lifetime' at 8:30. The play, scheduled for a three-night run, has a cast of 33 and a production staff of nearly the same number. The admission is \$.75 for students and faculty and \$1.25 for all others. This will be the 30th Anniversary show of the club.

The play is being directed by Mr. Vincent J. Zangara, who directed the V.P.s in 'Liliom' last December. It is being staged by Anton Thumhart, who designed and directed the construction of all the sets.

Featured in the leading acting roles are Anne Pierce as May, a veteran Broadway actress; Sid Wolansky as Jerry, a vaudeville comedian; Bill Schneider as George, Jerry's 'straight man,' and George Reswik as Hollywood movie mogul Herman Glogauer.

The plot of the comedy which takes place in 1928 centers around the three vaudeville performers who hope to cash in on the advent of talking pictures by opening a Voice School in Hollywood.

Also cast in major roles are Elaine DiPasca as Helen Hobart; Elaine Banfi as Miss Leighton; John Young as Lawrence Vail; Pat Perry as Susan Walker, and Ed Rutmayer as Rudolph Kammerling. The main supporting roles are held by Molly Gillam and Wanda Schweizer, who portray Mrs. Walker and Miss Chasen, respectively.

The sets, built under the supervision of Mr. Thumhart, were finished well ahead of schedule. Most of them are combinations of curtain drops and flats 'flown' on the pulley system. Working on the stage are John Mlynar as Assistant Stage Manager; Bill Schneider as Flyman, and Stagehands Charles Weening, Jerry Mraz, and Folkers Freimanis. Lighting effects are by 'Skip' Nuernberger, and the Wardrobe is being executed by Doris Riker. Graduate student Irwin Canon, former V.P. standout, will return as Makeup Man for this show.

Nursing Students Conduct Program

The senior students of the Wagner School of Nursing will conduct a diabetic institute on May 6, 13, 20, and 27 at Farrar Nurses' Residence at the Staten Island Hospital. The program is supervised by Assistant professor Genevieve Millett, Nutritionist in the School of Nursing.

The program will include film strips and recordings which explain what diabetes is, insulin and its use, insulin reaction, diabetic coma, tests in diabetes, planning good meals, personal hygiene, etc.

Dr. Lewis D. Foote, who is a member of the New York Diabetic Association, and past president of the Medical Board of the Staten Island Hospital, will lead group discussions. Senior Nursing Students will instruct persons interested in the various phases of diabetes.

There will be no charge for registration, which should be made with Dean Mary Burr, of the School of Nursing.

Summer Employment Listed By N.Y. State

It's spring, and in spring a young man's (and woman's) fancy turns to -- a summer job. The New York State Division of Employment has just sent a complete listing of summer camp openings to the College. This listing includes jobs in the New England states, New York, Pennsylvania, and New Jersey, and in boys', girls', and co-ed camps. Jobs are on all levels for both men and women. Principal demand is for all-round general counselors. Specialists are needed in athletics, drama, dance, arts and crafts, music, photography, and nature study. Also in water sports (with Red Cross certificate), work with handicapped children (orthopedic or blind), head counselors, and dieticians.

The general requirements are that applicants be over 18 and with at least one semester of college and some group leadership. Particular requirements vary in relation to the position. Salaries range from \$100 to \$1,000 for the season, including full maintenance.

Jobs start July 1 and last until the end of August. Applicants must register immediately as employers are already listing their job openings with the Camp Unit. For fuller information, see Mr. Stephen Botsford of the College Placement Bureau.

New York S.C.A. Plans Lakeside Conference

Campers are present and potential members of Student Christian Associations in this state.

Loyalty Or Integrity?

Fraternity life, to mouth a well-worn cliché, is an integral part of college life. We do not deny the advantages. For the youth it offers fellowship, gives him a grounding in the social graces, and inspires in him a spirit of loyalty to the group. This loyalty is an admirable thing, but when it spreads into affairs connected with affairs of the school as a whole, a stand should be taken.

Last Thursday the nominating committee for Student Association officers was announced. This committee is chosen by the presidents of the senior, junior, and sophomore classes. The senior class president appoints three people, the junior and sophomore presidents, two each.

When the list first came in, the senior class was represented by three fraternity brothers. Before the list was read and approved by the Student Council, one of the names was hastily changed. Was this done because the second man was a better choice? No! By the class officer's own admission, it was "just to give another fraternity a chance." The inference

was that was drawn was that it might look bad if three men from one fraternity were on the committee.

This motive for changing the selection was bad enough, but why was the reason "just to give another fraternity a chance?" It seems to us by this that if you are not a fraternity man you are outside the pale of respectability. Does it make a man more capable if he wears greek letters on his sweater? Are there not non-fraternity men on this campus who have worked hard for the school, taken part in its activities, and shown real school spirit?

The situation now seems to point to a re-organization of the policy used in selection of the nominating committee. One suggestion would be to have it chosen during a meeting of the Student Association.

Let us have no more of this business of choosing a man for a responsible office just because he is a brother, or because he is a "good guy." Let us allow a person to stand or fall on his own accomplishments.

Question: What courses do you think should be added to the college curriculum?

Elaine Banfi, Senior; I'd like to see a course in acting added to those presently available in the Speech Dept.

Rae Coder, Senior; In the freshman year they should have a course in learning how to study; along with plans of time scheduling, correct not taking and aids for studying. It takes a normal freshman about a year to learn the correct method of studying.

Lucille Kalpakjian, Freshman; I think it would be a great idea if we could have some courses in advertising and journalism. This wouldn't only add to the variety of subjects, but it would also help in enlarging the enrollment of the prospective students.

Jim Kelly, Sophomore; Courses in salesmanship would enable students to sell themselves as well as their products. Courses in sex education would be an aid for preparing young people for marriage and the responsibilities of life.

Harvey Fein, Sophomore; I would like to see courses given on the relations of the U.S. and other nations, such as U.S. foreign policy with Russia etc. More sections of required courses should be added to the program, because too many students have to take night courses because the required courses given in the day-time are closed out.

The English Professor Who Almost Wasn't

by Rudi Oudheusden

Familiar to all who frequent the Ad. Building, Dr. Ida Everson serves as a Professor in our English Dept. Teaching many classes from freshman to graduate courses, she is known by many students, but, like so many of the faculty members, we know little about her. In speaking with her, one is able to catch a colorful glimpse of her interesting life.

A native Staten Islander, Dr. Everson was graduated from the Staten Island Academy. She received her A.B. degree from Barnard College, where she majored in English. While an undergraduate, she was a avid sports participant. She recalls having spent most of her free time in the gym., taking part in many activities from hurdling to basketball.

Dr. Everson took her Masters Degree in Philosophy at Columbia University. Earlier in her undergraduate years, she considered becoming a physical education instructor, but while she was studying at Columbia and working as a library assistant, literature became her greatest interest and she chose it as her major study. She received her Ph.D. in English, specializing in American literature, and writing her dissertation on George Henry Calvert (1803-1889), a Maryland author, known for his pioneer work in introducing Goethe and Schiller to American readers.

Before beginning her teaching activities, Dr. Everson did editorial work for the American Book Company. Later she acquired a position with the New York Tribune, writing "fillers"

Dr. Ida G. Everson

for the Sunday edition. The "fillers" consisted of items of general information which she translated into English from foreign periodicals, in French, German, Italian and Spanish.

Dr. Everson has done extensive traveling abroad, visiting the British Isles five times, taking colored slides of places which are well known in English literature. She has also visited many of the western European nations and spent one summer in Perugia, Italy, where she studied the Italian language and literature at the University of Perugia. She has seen much of her own country, having traveled to the west coast three times and once made a visit to Alaska. Before coming to Wagner, she taught English at Hunter College and at Brooklyn College.

Harriers Lose Second Meet To St. Peter's

Coach John "Bunny" Barbes' Wagner College track team lost its second straight meet of the season last Wednesday as they were walloped by St. Peter's College of Jersey City, 96 1/4-33 3/4, at Lincoln Park, Jersey City, N.J.

The top scorers for the Green and White were Charlie Harreus and Robert Hicks, with 7 1/4 points each. Right behind them were Gordon Sieg with 6 1/4 markers and Michael Fahey with four. The top point getter for the Peacocks was "Jake" Jakobowski as he racked up 27 1/4. An unusual occurrence took place in the high jump, as Harreus, Hicks, and Sieg of Wagner, and Jakobowski of St. Peter's all jumped five feet, six inches for a four-way tie for first place.

Harreus garnered his points with his tie for first in the high jump, second place in the javelin throw, and third places in the shot put and discus throw. Hicks garnered his points by winning the pole vault, clearing the bar at eight feet, tying for first in the high jump, and finishing third in the broad jump.

Sieg notched 6 1/4 points with a tie for first in the high jump, second place in the 220 yard run, and third in the 120 yard high hurdles.

St. John's Squeaks By Seahawks 6-4

Last Monday afternoon the Wagner College Seahawks lost their third straight Metropolitan Collegiate Baseball Conference game as they were edged 6-4 by St. John's University at home.

St. John's jumped off to a 4-0 lead in the early innings, the Hawks tied it up with a three run cluster in the sixth, but the Redmen scored single tallies in the eighth win, and take undisputed possession of first place with a record of 4-1 in the Met Conference.

Jeff Safford started on the mound for Coach Herb Sutter's charges, but after giving up eight hits in four innings he had to be relieved by Fred Viebrock, who allowed no hits in the two innings. This gives the former New Dorp High School hurler six and two-thirds innings of hitless relief chucking in the last two games. Roy Gartrel finished up and was tagged with his first defeat.

St. John's scored in the opening inning on two singles and an error in the infield. In the third Mat Sczesny was hit by a pitched ball, and promptly stole second. Marty Satalino and Gil Brady then followed with singles, and with the help of another error it was 3-0 St. John's. In the fourth the Redmen made it 4-0. Jack Mullee singled over short, was sacrificed to second, and scored when Bruce Windorf singled up the middle.

In the fifth the Seahawks began to peck away at this lead. They picked up one run when Joe Martin reached second on the center fielders two base error, and scampered home on Sal Vindigni's single. In the sixth they tallied three times to knot the count 4-4. George (The Claw) Lewis doubled following a walk to Bob Scariato, and Bill Carluccio drove a one base hit to right to make it 4-2 with men on first and third. At this point Charles (Buddy) Heerlein, a product of Staten Island, came in to relieve for the Redmen. After striking out Bob Piela, Willy May greeted him with a single to center which made it 4-3 with men still on first and third. Bob Wilson then pinch hit a single to tie it at 4-4. Sal Vindigni ended the inning by grounding to second.

Gartrel then came in to try to hold the visitors at bay. He succeeded in doing this through the seventh, but in the eighth Brady belted a home run over the right field fence to put St. John's one up. They added another in the final inning on singles by Sczesny, Satalino and Bob Bohner, and a sacrifice fly by Brady.

Hoop Committee Drops 1 And 1 Foul Rule

The National Basketball Committee held their annual meeting a few weeks ago and decided to do away with the controversial one-and-one foul shooting rule. The new rule will reward accuracy, whereas the old rule rewarded inaccuracy from the 15 foot line.

The now defunct regulation stated that on all one shot fouls in the first 37 minutes of play the shooter would get a second chance if he missed on the first try. The new rule is the direct opposite of this. On any common foul committed in the first 37 minutes of a game the player is allotted another shot if he sinks the first. The old rule stating that any foul in the last three minutes gets two shots was kept intact.

For years the basketball bigwigs have been attempting to cut down on the number of personal fouls by monkeying with the rule book every now and then. Back in the good old days the player was simply given one free throw if he was fouled anywhere on the court, and two of the same if he was fouled in the act of shooting. Then they came up with the brilliant idea that the number of fouls would decrease if they gave the fouled player two chances to make the point. Now, after two years they have decided that this isn't what they wanted at all. So what do they do? They take the old rule and turn it inside out.

In my opinion they should follow the cue of the men who play for pay. The professionals have left the foul rule as it was in past years except for the backcourt foul and the two minute rule. From what I've seen this arrangement has come closer to the solution than anything the school boy officials have come up with.

Another change which will place in the college game this year will be the returning of the game to halves. In the 1951-52 season the four quarter system was installed in order to give the players more rest from the torrid pace set throughout the game. The thought is that by playing the game in two halves there will be less stalling in the closing moments of each period.

German Clubs Support European Youngster

Wagner's two German societies, the Deutscher Verein for men and the Deutsche Kreis for women, have undertaken the sponsorship of a needy child in Germany through the Save The Children Federation.

Announcement of the sponsorship was made at a meeting of the Verein held at the college yesterday. The two groups will contribute \$96 for one year, which will enable the Federation to send the child, Peter Wilhelm, a complete outfit of warm clothing and shoes, two all-wool blankets, textile and yarn goods, sewing materials, household linen, soap and other personal hygiene supplies, and writing materials.

'Hawks Drop 4th Straight League Game

The Wagner College Seahawks suffered their fourth consecutive loss last Friday afternoon as they were buried under a 14-hit barrage, 11-3, by Hofstra College, in a Metropolitan Collegiate Baseball Conference game at Hempstead, L.I.

The loss sinks the Hawks further into last place in the conference with a record of one victory and five defeats, and gives them an overall record of four victories and six losses. Lefty Clem Bosco started for Coach Herb Sutter's charges, but was yanked in favor of Freshman Fred Viebrock in the sixth when the Dutchmen scored four times to ice the game.

Viebrock, after pitching six and two thirds innings of hitless relief in the two previous games was touched for four base knocks in the one and two thirds innings he worked. Roy Gartrel finished up for the losers, and yielded three hits and two runs in the eighth.

Righthander Bill Sanford went all the way for the winners, giving up only five hits, and striking out seven. Wagner scored all three of their runs in the fourth frame on Bob Piela's home run with two men on. George (The Claw) Lewis led off the inning reaching first on an error. Bill Carluccio then walked to put men on first and second. Piela smashed a 2-1 pitch to deep left centerfield between the outfielders and raced around the bases for Wagner's only scoring of the day. Bob Wilson and Billy May followed with singles, but Sanford got out of hot water by inducing Fred Hornbuckle to pop to center to end the inning.

The Dutchmen tallied two in the first on a walk and three singles. They made it 3-0 with an unearned run in the second. The way Sanford was chucking this seemed to be enough, but Piela knotted the count with his four bagger in the fourth. The Long Islanders jumped back into the lead in the fifth as first sacker Earl Everett blasted a run producing triple. Besides this triple Everett picked up three singles to give him four for five. In the sixth the victors took an 8-3 lead with a four run cluster off Bosco and reliever Viebrock.

A double, a single and two Wagner errors gave Hofstra a run in the seventh, and in the eighth three singles and a hit batsman produced the final pair. This was the second game in a row in which the Hawks' pitching staff gave up 14 saeties last Monday off Jeff Safford, Viebrock and Gartrel.

Harriers Drop Third Meet In Row

The Wagner Track Team dropped its third meet of the season last Saturday when it lost to the Queens College trackmen by a score of 86-44. Charlie Harreus was again the high scorer for the Harriers, picking up a total of 16 points in four field events including three first-place finishes. Second highest in point-scoring for Wagner was Bob Hicks with 5 1/2, followed by Gordon Sieg with 4 1/2 and Dave Schildwachter with 4.

The Queens meet had some other unpleasant aspects aside from the defeat, as it resulted in injuries to four Wagner trackmen. Hicks and Bud Vincent came up with sore legs, Jim Costie strained his back while throwing the discus, and Hank Gerdes caught his spikes and fell while running the 440 (quarter-mile), bruising his legs, arms, and hip.

Other point-getters for the Harrier included Ray Alexis, 3, Bill Gerdes, Jerry Wesowlowski, 2, and Jim Costie, 2. The mile-relay team of Fred Lindewurth, Alexis, and Wesow picked up another 5 points by out the Queensmen.

Markham Papers Given To College

A collection of manuscripts and letters of Edwin Markham was presented last week to Wagner by the Edwin Markham Memorial Association. The presentation was made in celebration of the 102nd anniversary of the poet's birth.

Among the items is what is believed to be the first attempt to crystallize the poet's thoughts on "The Man With The Hoe." The same notebook contains the names of Markham's pupils in California where he was teaching in 1886.

Among literary cultural and political figures represented in the collection are Presidents Franklin D. Roosevelt, Theodore Roosevelt and Calvin Coolidge. Other famous names include William Dean Howells, Edwin Arlington Robinson, Arthur Brisbane, Ambrose Bierce, Edna Ferber, Andrew Carnegie, William James, Norman Thomas, and Eugene V. Debs.

The transfer of the Markham collection is part of the Association's efforts to make Wagner the center of the study of Markhamiana in the East.

Associated with the transfer of the documents, were Dr. Vernon B. Hampton, president and founder of the Association; Dr. David M. Delo, president of the College; and various other officials of both the college and Association including Mrs. Sophie K. Shields, curator of the Edwin Markham Library at the College where the poet's collection of 15,000 volumes is housed.

What makes
a Lucky
taste better?

"IT'S TOASTED"

to taste better!

WHY do thousands of college smokers from coast to coast prefer Luckies to all other brands?

BECAUSE Luckies taste better.

WHY do Luckies taste better?

BECAUSE Lucky Strike means fine tobacco. And that tobacco is *toasted* to taste better. "*It's Toasted*"—the famous Lucky Strike process—brings fine tobacco to its peak of flavor... tones up this light, mild, good-tasting tobacco to make it taste even better—cleaner, fresher, smoother.

SO, Be Happy—Go Lucky. Enjoy the better-tasting cigarette—Lucky Strike.

LUCKIES TASTE BETTER Cleaner, Fresher, Smoother!
