WAGNERIANS in the news

President of Wagner

ELECTED: President Clarence C. Stoughton, at Wagner since 1919, and president since 1934, was elected president of the Rochester Alumni Association of Greater New York in December. He is one of two members of the Rochester '18s that became college heads; the other is Kenneth I. Brown of Hiram College, Ohio.

FIRST CO-ED GRAD: Mabel Spitzer, '35, first Wagner co-ed to receive a degree from her alma mater that was closed to women for 49 years, has forsaken athletic instructing and is now a member of the advertising staff of the New York Post.

STUDENT: Professor Milton T. Kleintop in assuming his new office of college dean, took over the worries and problems of 240 plus one student. The addition is the Dean himself who is completing his work at Mt. Airy Seminary and fulfilling requirements for a B.D.

FIDDLE-RIDDLE: Although retired for almost two years, the "Old Dean," Dr. William Ludwig, recently proved that he had not forgotten tricks of pedagogy. When the Dean's little grandson stumped his parents in devising means to get him to practice his violin, the Dean solved the problem by saying, "Jah, Jah, the violin is a beautiful instrument—I wish you would teach me to play it!" The boy now practices feverishly to give his grandfather lessons each week. Lesson fee: 5 cents.

PALLESKE WINS INTERNATIONAL OPERA CONTEST

Surpassing 220 contestants including 11 authors, 9 poets, 8 musicians, 15 conservatory directors, and 20 other professors, Professor Theodore E. Palleke, Wagner alumnus and instructor of languages, was awarded first prize in an international translation contest conducted by the Richard Wagner Society.

Professor Palleke

Entries came from 35 states and 10 foreign countries. First prize consists of \$150 and a probable position as official translator of operas for the Wagner Society, an appointment that would place the Wagner professor in a key position in the history of opera in America.

Unknown to the campus family, Prof. Palleke began the work on the translation of a scene from the second act of "Siegfried" in October, submitted the 30 pages of manuscript to the judges shortly before the contest closed on December 31. Judges were Melchoir, Ernst Lert of the Curtis Institute of Music; H. L. Editorials

Greetings

Delegates to the Lutheran Students' Convention—welcome to the Wagner campus! The members of the student body as well as the faculty wish to extend to you their sincerest welcome and hope that you will find your stay an enjoyable one.

The students in charge of this convention have been working very hard to make the necessary preparations for this convention, but there may have been some things that have been overlooked. If so—please feel free to ask us for anything that will make your stay more comfortable. The campus is yours!

It may be of interest to know that three Wagner men are the presidents of the three divisions of the L.S.A. Henry Suhr, a graduate, is the national president of the organization while Gottfried Alberti, also a graduate, is president of the North Atlantic District. Alfred Schroder, a senior, is now the president of the Metropolitan district. These men have all spent four years on our campus and they will be able to help you with any of your problems or difficulties while here at the convention. A pleasant weekend to you all!!!

Progress

Wagner College should be very proud of the recently filmed "Campus Life the Clock Around," showing actual scenes on our campus with our own students playing the major roles.

The college is indeed indebted to Dr. Frederick Brock and Mr. Frank E. Gunnel who made this movie possible. These men worked together with the students on the script for many months before the finished product was completed.

We think that we are safe in saying that we are the first college to have films of this type and we recognize the progressive step that Wagner has taken.

Lampadia Welcomes Delegates

On behalf of the Lampadia Council, our religious organization on the campus in charge of the convention, let me welcome you to Wagner College. We are very happy to see you and are glad that you could come.

May your stay this weekend be profitable and may the spirit of the conference spread to all your campuses. The need for a deeper and finer Christian fellowship is great and this conference can do much to help it along. Let us each do our part both here and at home to further this cause.

We have tried to do everything in our power to make your stay a pleasant one. If at any time you care for any information we shall be only too glad to help you out. Feel free to ask whatever you will.

Once again, let me welcome you and may the blessings of God rest upon you and this Convention that it may further the work of Jesus Christ here on earth.

Walter Bock,
President of Lampadia.

Frosh and Soph Classes Above Average Students

Dr. Marion Bartlett, head of the psychology department, has announced the results of the examinations given to the students entering in the 1936 and 1937 freshmen classes.

The average score was in the 68th percentile. This means that on the basis of 32,000 entering college students in the entire country, the Wagner score in ability to do college work is 18 per cent above the average. The records are made from the results of 185 colleges in the country that use the "Thurstone Psychological Examination" for entering Freshmen.

POET'S CORNER

A Sonnet

Drifting in the depths of the song
and the soul
Here in the mists of the hoar and
the morn
Lost in the sadness of dreams in the
dawn
The wanderer weeps in the knoll.
Wet with his tears and the spray of
the shoal
Here on the moss-covered rocks rests
the fawn.
Over the moon-splattered seas he
was borne
On soaring wings of the soul.
Yet see the mystical wonderous ray
That streaks down from stars ever
bright!
Behold the enchanted and white syl-
van bay!
Yet hear to the call in the dark to
repay
The song of mysterious night!
Weep, weep at the coming of day!

Men and Women Complete Season With Victories

Triumphs in Last Three Games Gave Men Six Wins; Women Win Six and Lose Three

Closing their current season in a blaze of glory by winning the last three scheduled games, the Wagner boys' basketball team, in their final game, decisively trounced Webb Naval in the auditorium to the tune of 37 to 27. It was the second win over Webb this year and brought the total number of victories up to 6, while the defeats remained double that number, or 12.

Two Triumphs

In its final victory surge, comparable to that of last year when the squad ended the schedule with two straight triumphs, the boys' beat Mt. Airy and Susquehanna, beside Webb. A rarity in Wagner basketball history occurred in the game with Susquehanna when the two teams engaged in a thrill-packed overtime game. At the end of the regulation game the score was 27 all. In the extra 5-minute period Wagner flashed a point-a-minute offense that completely swept the Crusaders off their feet, running up 9 counters and holding their opponents scoreless. Mt. Airy, as usual was handily defeated 36-24, as revealed by the fact that the entire squad of ten men participated, whereas only 7 men ordinarily were used by Coach Herb Sutter.

The one consolation that Wagner rooters can glean from the completed schedule is that Wagner had a team with a come-back. Many times out of the running, the team continued to fight. After auspiciously starting the season off with a pair of wins, the squad went into reverse and sustained 9 successive set-backs, undoubtedly some sort of a record. Then Arnold was beaten 28-22 and the boys went on to take 3 of their remaining 6 games.

Gott Stars

Much of the success of this year's inexperienced team must go to Captain Lew Gott who was the only starting regular this year, from last year's team, beside Hec Quintana. Other regulars this season were Johnnie Klc, Carl Sheie, Les Trautmann, and Mario Moccia. Second stringers were Lu Kirsch, Bob Burton, Carl Peterson, and Gerry Dietrich.

Girls Win Six

With an excellent record of six wins and but three defeats, the Wagner co-eds tackle the Brooklyn College co-eds this afternoon in Wagner's final game of the season. With Captain Grunow and tiny Margie Rieb leading the way, as they did in previous games, a victory is assured. Flo and Margie are the team's leading scorers this year, and they have received excellent cooperation from Dottie Heins and Louise Morris, the other forwards, as well as from the three pillars of defense: Anna Kane, Hope Juhl, and Elaine Comeforo.

SPORTS FLASHES!!

Fencing Victory

Coach Ray Miller's male fencing team won its first victory in the history of Wagner from Drew University by the score of 13-4.

Wagner won at the foils by the score of 6-3; at the sabres, 3-1; and at the epees, 4-0. The members of the team were Captain Ed Weller, Oscar Weber, Norman Kraft, Charles DeGroat and Russell Smith.

Track Team

Harold Horberger deserves a lot of credit for trying to start a track team at Wagner. The sport was abandoned several years ago because of lack of material, but certain members of the college feel that there is enough material coming to Wagner now who have had prep and high school experience to form a team.

The squad, which will begin workouts as soon as weather conditions permit, hope to participate in the Penn Relays on April 29 and 30. The invitation has already been extended the local boys and we will have a team if enough interest is shown.

New Life Guard

Charlie Hellriegel has taken over "Heck" Perneti's job of life-guard at the J. C. C. Swimming hours for Wagner students are every Friday afternoon, the same as formerly.

Football Material

Wagner also seems to have gotten some good football men if the records of past performances can be relied upon. Bob Burton, member of the Varsity basketball squad this year at Wagner, has had a great deal of experience as a backfield man at Curtis High School. Bob was offered an \$800 athletic scholarship to Syracuse but preferred to come to Wagner. Patsy Danza, also a backfield man, played formerly at Curtis and last year played at George Washington University. Both of these men will be of great help to Coach Ray Kirchmyer since Charles Hellriegel and Joe Crecca will not be back next year because of graduation.

Philip Van Tash, who saw a great deal of action for the wearers of the Crimson at Curtis, is a linesman with plenty of weight and should be a great asset to the team whose entire line will be back next year.

Some good reports have come to us from Kearney High School in New Jersey concerning the playing of Stanley Rycyk, now a dorm student here. He is a quarterback with plenty of experience on the gridiron. He also won his major letter in baseball. We are looking forward to a good team next year—at least we can hope.

Some Masculine Competition

The time—5:30 in the afternoon. The place—Cunard Hall. The occasion—the Girl's League Tea Dance.

The members of the Girl's League and their guests were all very intensely watching the outcome of the judging of the candy which the "girls" had made to surprise the boys with their best products of the kitchen. The judges: Dr. Hinman, whose "classical tooth" was sharpened for the occasion; Dr. Hefelbower, who weighed philosophically each candy in turn; and Prof. Childs who thought that as head of the "physics" department he was getting some of his own medicine.

The WINNERS: First prize: Sarah Reitan; second prize: J. CLARK MULLIN, 220-pound football man, who entered his candy because he had nothing else to do the night before. Just wait until the Fall when Kirchmyer hears about it, Clark. He'll probably make candy out of you.

— BULLETIN —

John McDermott was chosen captain of next year's football team at the Annual Football Dinner Tuesday night.

Congratulations Captain McDermott

FROSH SCORE WIN OVER JUNIOR TEAM

The Freshmen defeated the Juniors Wednesday afternoon to win the second half of the interclass basketball tournament in a very close game by the score of 26-24. Ken Rogler, star forward of the frosh, went on a scoring spree and dropped in 18 points to take high scoring honors.

Since the Juniors won the first half of the tournament, a play-off is necessary and will probably be played next Wednesday afternoon at 4 o'clock. This game will decide the winner of the tournament.

Time Marches Forward

"Swede" Nilssen, the "old war horse" of many gridiron battles here at Wagner, finally met his match on the basketball court in a preliminary game to the Wagner-Mt. Airy game between the frosh and seniors. The freshmen ganged up on Nilssen and really banged him around quite a bit.

This didn't bother Swede during the game for even though he did play a good "floor game" (for that's where he was most of the time), he managed to score 7 points for the seniors and to help his team to victory which Wally Bock won in the final seconds of play on a freak shot from the center of the court.

The day after the game, Nilssen had a swollen ankle, a half-dozen burns and a raw cheek. Said the mighty warrior: "Give me football any day." Incidentally—Swede is still limping around.

DEILY RESIGNS HIS POSITION AS LIBRARIAN

Accepts Post On Brooklyn Public Library Staff; At Wagner Nearly 4 Years

Robert Deily, college librarian since September, 1934, has announced his resignation to be effective at once, according to an announcement by President Clarence Stoughton yesterday.

Robert Deily

Mr. Deily came to Wagner in the Fall of 1934 from the Catalogue Department at Lehigh University where he did graduate work and received his Master of Arts degree in 1933. He received his Master's degree in Library Science from Columbia last October.

The Brooklyn Public Library has called Mr. Deily to work as an assistant in the Order Department of that library. The college wishes him the best of luck in his new undertaking.

Cast In Shakespearean Role

Miss Katherine Newton has been chosen by Ronald Hammond, dramatics coach, to play Celia in Shakespeare's "As You Like It." This is the first Shakespearean play to be given by the college group and is scheduled to be given March 8 and 9.

Wagner Teams Unbeaten in Four Debates; Both Squads to Go on Trips this Month

Wagner debaters are still undefeated this season!

The affirmative team, composed of Captain Donald Lathrope, Harold Haas, and Sidney Meachem, won a unanimous decision over Hofstra College of Long Island in their first debate of the season in the college auditorium. The team also met Rutgers University in a non-decision debate in New Brunswick, N. J.

The negative team of Captain Paul Carney, Norman Kraft, and Roy Holmstrup traveled to Hempstead,

L. I., to engage in their first debate of the season. The contest was a no-decision affair. This team also turned back a strong affirmative team from Muhlenberg College by a unanimous decision.

The negative team left last night on a two-day trip to Muhlenberg and Lebanon Valley where two decision debates will be held. The affirmative team is scheduled to go on its road trip to Gettysburg and Randolph-Macon on March 25 and 26.

Martin Dietrich To Give Lecture On German Trip

Speaker Will Illustrate Talk With Moving Pictures; All Co-eds Invited

The Rev. Martin Dietrich of Philadelphia will be guest speaker at the next meeting of the Deutscher Verein at Cunard Hall on Monday, March 7, at 8:15 P. M.

Rev. Dietrich, '32, a member of the Alpha Kappa Pi fraternity, will illustrate his talk on a recent trip through Germany with his own moving pictures.

— Roman Holiday —

Galley slaves, barbarians, scholars, senators, and emperors came to life again in their ancient (and very cumbersome) garments when the members of Sigma Delta Phi fraternity held a Roman Holiday dance for the entire student body.

In true Roman holiday fashion, contests of chariots, hurling of javelins, and a wrestling bout were the main attractions of the evening.

Oscar Blomquist, former Wagner student, was the winner of the javelin throw when he hurled his weighty "toothpick" to a new record of 18 feet. Fred Stoughtland defeated John McDermott in the chariot race drawn by three prancing and unbroken "student horses."

Movie Premiere Presented In College Auditorium

A world's premiere took place in the auditorium last Friday night when movies of Wagner campus life, entitled "Campus Life, the Clock Around," and "Movie Bugs," a prize amateur picture made by Dr. Brock, friend of the college, and Dr. Deal of our biology department, were shown to the many "first-nighters" and "celebrities" present. The performance was for the benefit of the Student Campaign Fund.

All those present were either dressed formally for the occasion or came as impersonators of some movie star. Among those celebrities were Martha Raye, Laurel and Hardy, Bob Burns, Shirley Temple, Snow White and the Seven Dwarfs, Greta Garbo, Robert Taylor, Gladys Swarthout, and the Dionne Quintuplets.
