GARLAND HILL NEIGHBORHOOD ASSOCIATION, INC.

Garland Hill Neighborhood Association, Inc., was organized in 1979 with the purpose of preserving, rehabilitating and maintaining Garland Hill Historic District as an historic and significant area in the City of Lynchburg, Va. The District is a small residential neighborhood incorporating the summit of one of the numerous hills surrounding downtown Lynchburg. The neighborhood was home to many of Lynchburg's oldest and most distinguished families. Buildings in the District represent a variety of architectural styles from the early 19th century through the early 20th century. The District was designated a Virginia Historic Landmark in 1972 and was listed on the National Register of Historic Places the same year. The District was designated a Lynchburg Historic District in 1978. Membership in the Association is open to all persons who reside or own property in the Garland Hill conservation district and to those persons who do not reside or own property in the District who have demonstrated an interest in furthering the purposes of the Association.
