RALLY DAY, COURT STREET METHODIST EPISCOPAL CHURCH, SOUTH (1899)

On 15 October 1899, Court Street Methodist Episcopal Church Sunday School held its fifth annual rally day. In addition to the program of the event, the booklet contains an historical sketch of the Court Street Sunday school as well as well as a history of the efforts to construct a new church building. The latter portion of the booklet records the details of a Sunday school excursion to Niagara Falls earlier in the year. Sunday school photographs are by A.H. Plecker, a leading photographer of the area and a member of the Court Street Sunday school.
