**TIMBROOK WOMAN'S CLUB**

The Timbrook Woman's Club held its organizational meeting on 17 November 1959 at the Timberlake Lodge. The Club was accepted as a member of the Garden Club of Virginia in 1960. Since its organization, the Club has engaged in many civic activities, among which are sponsoring students to Girls' State, providing educational scholarships, assisting with the establishment of a new fire department, and organizing a clothing bank for citizens of the area.

The Timbrook Woman's Club has participated in programs aiding senior citizens of the area, including fuel assistance, meals, and nursing home visitation. The crisis housing program, a continuing service project of the Club, provides safe temporary shelter, food, clothing, counseling and referrals to those adults and/or children in need of such emergency services.
