

I want you to write to me and
let me know how you are getting along
and also what the girls are and what the
union men are doing and how they are
I have not heard from home since I
left I would write sooner but I don't
know whether the mail went to you or not
or not also how father John and Albert are
I want you to come with something
remain your loving husband until I
farewell

Direct your letter to Lynchburg
V. A. Sadler's relief hospital

Mr. Halket is still improving
but don't know when he will get

away from here ~~Jeff. Hanes~~
Hept 10th for a letter and did not get it
because his horse was in his way and
got me to write this letter to you farewell
