**HISTORIC PRESERVATION SURVEY OF RIVERMONT AVENUE,  
LYNCHBURG, VIRGINIA**

The survey includes forms and photographs of buildings (mostly homes) on Rivermont Avenue, numbered 301-2721.

The forms for each building include address, lot numbers, owners and occupants (both current and previous), the building use and the year of construction. The forms may include notes about the architecture, additions made to the building, a history of the building, previous buildings on the same site and when they were demolished, and in some cases notes about prominent owners or occupants. Deeds are listed in reverse order, beginning with the most recent property transfer.

The survey was conducted in 1979-80. There is nothing to indicate who prepared the survey and where.

<b>BOX 1</b>	<b>1-1</b>	300 block of Rivermont Avenue
