MISS LUCILE MCWANE,
Lynchburg Red Cross
C i t y

Dear Miss McWane:

I wish to quote you the following from H. Faulconer, Chief Dispatcher Southern Rry:

"Quartermaster General has increased the allowance per man per meal to seventy-five cents instead of sixty cents for all military movements. Notify all local transportation officers, dining car officials, eating house proprietors and other honoring Government meal tickets. This includes meals furnished National Army men en route to Camps. Attention should also be called to the fact that with this increased allowance per man per meal, there should be no complaint account of character of meal furnished. "

Yours truly,

AGENT
