**LYNCHBURG BAR ASSOCIATION, INC.**

The Lynchburg Bar Association was organized in the 1930s and is a voluntary organization composed of attorneys practicing primarily within the 24th and 10th judicial circuits of Virginia. The main purposes of the association include the improvement of professional competence of area lawyers, to encourage and maintain congenial professional relationships and fellowship among its members, and to promote the interests and welfare of the public and members of the bar. The Association was chartered in 1989 as a non-profit, non-stock Virginia corporation. The association is administered by a fifteen-member board of directors.
