MAMMOTH MINING COMPANY, INC., STOCK CERTIFICATES

The collection consists of four stock certificates from the Mammoth Mining Company, Inc., issued to Frank C. Foster, Lynchburg, Va.

MAMMOTH MINING COMPANY, INC.

The Mammoth Mining Company was incorporated in Lynchburg, Va., on August 31, 1917, with a capital stock of \$250,000 (Certificate 16014). The company was involved with pyrite mining in Paulding County, Georgia. Pyrite was used in the manufacture of sulphuric acid. The principal officers were Emanuel Goodman, president, D. M. (Dennie M.) Thomasson, secretary, with Thomas Marcom of Hiram, Georgia, manager. The company held options on 120 acres of land near the Little Bob Mine in Paulding County. According to the Virginia State Corporation Commission, the Mammoth Mining Company, Inc., allowed its charter to be revoked as of May 31, 1924, for failure to pay the annual registration fee assessed against it for the two preceding years.
