**W.D. DIUGUID, INC., BURIAL RECORDS, 1820-1980**

The DIUGUID family began a burial service in Lynchburg in 1820. The service has been in continuous operation since that time. The microfilmed records include burial records (1820-1980), records of Civil War soldier burials, records of the DIUGUID Furniture Company (1820-1830), and employee work records (1852). There is a name index for the burial records and soldier books.
