TILDEN, WINFREE, IVEY FAMILY NOTES (1762-1904)

The volume contains handwritten notes of births, deaths, and marriages for several families of Lynchburg, Va. The notes are written in a small calendar notebook from the Helme & McIlhaney Company. The writer of the notes is unknown, but perhaps is a member of the Winfree family. Thaddeus H. Ivey, treasurer of the Lynchburg Gas Light Company married Mary Cornelia Winfree. The Helme & McIlhaney Company of Philadelphia, Penn., specialized in the manufacture of natural gas meters.
