

Mr. N. Wayne Kahler

WHAT THE LYNCHBURG TAXPAYERS LEAGUE IS AND WHAT WE EXPECT TO ACCOMPLISH

- (1) Our ultimate aim is to safeguard the taxpayers' interests in the City of Lynchburg.
- (2) To encourage more people to register to vote in our City.
- (3) To encourage more people that are already registered to get out and vote.
- (4) Bring to the peoples attention that only 8,000 out of 22,000 registered voted in the last council election, and how the block vote year after year produces only councilmen of liberal thoughts, and never get a councilman elected that has the taxpayers' view in mind.
- (5) Keep an alert eye on all phases of the spending of our tax dollars by council, and pay strict attention to the research work of our League Historian.
- (6) We will set our goal so that by the time our next council election comes around our League will be strong enough to insist that all candidates running for election will have to come before us and state their stand on whatever issues are at hand at that time.
- (7) More people to write letters to the editor and sign with your name the ever important words MEMBER OF THE LYNCHBURG TAXPAYERS LEAGUE.
- (8) Each member should make an honest effort to appear before Council if need is critical, with a large membership, even if some can not make it there still would be a sufficient number to get our message across.
- (9) Each member should make special effort to sign up new members in the League, but please refrain from signing any one who states a desire to remain anonymous, for we do not need him or her, our League is above board and nothing can ever be gained if we have members who are not willing to go out and work and speak out for what we know is a good cause, the secret of our success will depend on how well and how willing our League members work to make it become known, and this cannot become fact if some members wish to remain anonymous.
- (10) Make special effort to see that each member displays his or her decal on car bumper or even in window of home or business place.

\$1.00 Dues broken down .10 cents for Issue receipt .25 cents Decal .65 cents in fund to be used for advertising etc.
