A card will be mailed to you each six weeks of the school year. If the grades are not satisfactory to you, please feel free to call the principal or teacher about the matter. We shall be glad for you to visit the school at any time.

It is very necessary that you provide a definite time and place for your child to prepare his lessons. The study period should not be interrupted.

A student is required to have sixteen quantity credits and ninety-six quality credits for graduation. A quantity credit is earned by satisfactorily completing nine months of work in one subject. Quality credits are earned as follows:

TERM GRADE QUALITY CREDITS	TERM GRADE	QAULITY CREDITS 2
B 4	C	lourama
C+3	D	0

The average year's work is four quantity and twenty-four quality credits. If the student maintains a grade of C in four subjects for nine months, he will earn the required number of quality credits. A grade of D will give quantity credit but no quality credit toward graduation.
