FOREWORD

If you can always be sincere and gracious,
If you cooperate whole-heartedly,
If, without laying claim to privileges,
You can accept responsibility;
If you consider others when you're working,
Yet forge ahead with a glad, steady stroke;
If you are never guilty of cheap shirking,
But live up to the finest, fairest folk:

If you can play in earnest and be joyous,
If you revere a friend for his own sake,
If in defeat and victory you are generous
And know well how to give and how to take;
If you are sternly true and staunchly loyal,
If your outlook is broad and tolerant too,
Then you belong to Peabody in spirit,
For you've attained Peabody's point of view.

—Georgia Graves

THE STUDENT COUNCIL

The Cooperative Student Council of the Junior and Senior High Schools was organized in December, 1925. As the name implies the organization is cooperative; the faculty members and students working together on problems brought before the council.

Its purpose is to settle questions which involve the interests of the student body. The council also sponsors such movements as will make for the welfare and happiness of all.

The Student Council this year has been particularly interested in publishing a handbook so that new students may familiarize themselves as quickly as possible with the privileges and necessary requirements of the school. This first edition is offered with the hope that students may find it so useful that, as our school grows, revisions will be added.

The representatives for the year 1928-1929 are:

REQUIREMENTS FOR GRADUATION AND COLLEGE ENTRANCE

The Demonstration School requires sixteen quantity credits and ninety-six quality credits for graduation. A quantity credit is earned by satisfactorily completing nine months of work in one subject. Quality credits are earned as follows:

Term Grade	Quality Credits	Term Grade	Quality Credits
A	5	C	2
B	4	C-	1
C+	3	D	0

The average year's work is four quantity and twenty-four quality credits. If the student maintains a grade of "C" in four subjects for nine months, he will earn the required number of quality credits. A grade of "D" will give quantity credit but no quality credit toward graduation.

Credits made in the last four years of high school count toward graduation and college entrance. It is wise in the Freshman year to

consult the catalogue of the college one wishes to attend and to plan the four year course in accordance with the entrance requirements.

Of the sixteen quantity credits presented for graduation, there must be four in English, one in American history, one in science, and one in mathematics.

SENIOR EXEMPTIONS

Seniors will be exempt from the examinations at the close of the Spring term in those subjects in which they have not made a grade below a "C" in the Fall and Winter terms and have maintained a grade of "C" in the Spring term.

REPORTS

Reports are sent at the close of each six-weeks term. The system of grading is as follows:

A =95-100, B =85-95, C+ =80-85, C =75-80,
C- =70-75, D =65-70, F =Grade below 65.

If a pupil fails in any subject for the month or has a "D," he forfeits the privilege of leaving school before 2:30 o'clock for that term.

ABSENCE

After an absence of three days or more, a pupil must report at the nurses's office in room 108 for a brief examination. On receiving a slip permitting him to enter classes, he must show it to each teacher from whose class he has been away.

HOLDING OFFICE

Any office in Peabody should be held by a student who is representative of the high standards of the school in scholarship as well as in leadership. Hence, no student will be allowed to hold a major office who has not made 36 quality credits the previous year, or will he be eligible to be captain of any team unless he has made 24 quality credits the previous year. (This rule does not apply to officers elected before January 1, 1929.)

The classification of offices is as follows:

Major Offices	Minor Offices
Class	
President	Sec. of Junior and Senior Treas. of Junior and Senior Vice-President Sec. and Treas. of Freshman and Sophomore.
Organizations	
President of Student Council President of Girl Reserves	Representative on Student Council
Publications	
Editor-in-Chief of <i>The Volunteer</i> Art Editor Sport Editor Business Manager Correspondent for <i>The Banner</i>	Exchange Editor News Editor Circulation Manager Asst. Correspondent

Athletics

Capt. of Football
Capt. of Basketball
Capt. of Baseball
Business Mgr. of Football
Business Mgr. of Basketball
Business Mgr. of Baseball
Cheer Leader

A student may hold not more than two offices during the same scholastic year; they may be either one major and one minor or two minor offices. A student cannot hold two major offices.

THE VOLUNTEER

The Volunteer is published in five magazine numbers and an annual. These form a running commentary and permanent record of all the student activities for each year. Four numbers of the magazine and the annual are edited by the staff from the Senior class. The spring number is edited by a staff from the Junior class.

A silver pin decorated with the letter V is offered with each edition for the best contribution. Any student in Junior or Senior High may present articles to the staff.

THE LIBRARY

The Bruce R. Payne Library of Peabody Demonstration School was opened November 20, 1925.

Endowment

The library is the gift of the Parent-Teachers Association and through the generosity of Mrs. E. W. Cole and Mrs. Dempsey Weaver, chairman of the library committee, it is endowed with a fund the interest of which is used for the purchase of new books.

Use of the Library

There are thirty-five hundred volumes arranged on open shelves so that the pupils have free access to them. The Dewey Decimal system of cataloging is used. Thirty five magazines, including the **Readers Guide to Periodical Literature**, afford invaluable help in reference work, for all of these are either bound or kept on file. A full time librarian is in charge who instructs the pupils in the various uses of the library, and is ready to assist them at all times.

Gifts in Books and Pictures

Among the many gifts to the library is a noteworthy collection of American biographies from Mrs. Bruce R. Payne, and a number of exquisite copies of famous paintings from Mrs. Dempsey Weaver and Dr. Bruce R. Payne.

New Library Equipment

The library has recently received a magnificent gift of modern equipment, namely, tables and chairs built along the most approved scientific lines; these are the gift of Mr. and Mrs. J. B. Weil.

ASSEMBLY

Junior assembly meets every other Tuesday; Senior assembly meets every Friday. Students in both the Junior and Senior High School are expected to attend the general assembly on Friday.

CINEMA CLUB

Peabody Cinema Club gives its members varied opportunities for self-expression. Originality in plot construction, dramatics, lighting, and photography is developed. The club has presented **Paradise Lost and Found** and **Masque** and both plays have received complimentary notices in **Movie Makers** and **Photoplay**.

ORCHESTRA

Any student in the Junior or Senior High School may become a member of the orchestra. The orchestra is composed of eighteen pieces and is under the direction of a capable leader. It furnishes music for special occasions and the school assemblies.

THE GLEE CLUB

The Glee Club draws its membership from the girls of the Senior High School. It is under the direction of instructors in voice and in piano. In addition to receiving valuable voice training, the Glee Club girls have good times giving operettas, assembly programs, etc.

GIRL SCOUTS

There are two troops of Girl Scouts, Troop 14 and Troop 4. Troop 14 consists of girls from ten to fourteen years of age. Troop 4 is composed of the older girls in school. The purpose of the organization is to promote the highest development of the social, moral, mental, and physical capacities of each member.

GIRL RESERVES

The purpose of the Girl Reserves of Peabody is to improve the morals and standards of its members. At the end of the year Mr. Yarbrough presents a cup to the girl who has proved herself most worthy of it. This is earned on an honor basis. There are seventeen possible points a week: a kind deed each day, Bible reading daily, and attendance at Sunday School and church.

The club meets three times a month immediately after school.

BOY SCOUTS

Troop 24, Boy Scouts of America, which meets every Saturday morning at nine o'clock, was organized in November, 1923, at Peabody Demonstration School. During its nearly six years of existence it has taken its membership principally from the Junior High School; that is, boys from about 12 to 15 years of age. The purpose of the troop has always been to create high ideals, and to bring the boys to a deeper understanding of "Nature and of Nature's God."

THE VIKINGS AND THE DANES

In 1922 the girls were divided into two athletic organizations known as the Vikings and the Danes. Every girl in the junior high school is eligible for membership in one of these organizations. The purpose is to develop a good school spirit, and to set high standards of sportmanship as well as to develop such habits as will make for good health.

LABORATORIES

The Science and Home Economics departments of P. D. S. are adequately equipped with standard furnishings and necessary supplies.

The laboratory rooms are as follows:

Science	
Biology	307
Chemistry	300
Physics	302
Lecture Room	301
Home Economics	
Foods	303
Clothing	308
Manual Training	
Shop	24

RECREATION EQUIPMENT

The athletic field is equipped with six hard surfaced tennis courts, a football and hockey field, baseball diamonds, equipment for track and field events, croquet and quartz grounds, and pavement games.

The gymnasium is so arranged that bleachers may be set up when necessary to accommodate approximately 600 people. When not in use, this space is added to the forty-four by seventy-eight playing space. Ropes, stall bars, and horizontal bars are part of the permanent equipment in the gym. Dumbbells, wands, and Indian clubs are kept in the equipment room. The heavy apparatus consists of three Swedish boxes, a horse, buck, and parallel bars. Balls of all types are used.

The swimming pool is 20 by 60 feet, of white tile with blue lane markings. The shower room is equipped with a hair dryer, two mirrors, a towel, swimming suit room, and twenty rooms with shower baths. In the dressing room there are 250 lockers.

LOST AND FOUND

Articles found on the school premises should be turned in to the secretary in the office. If after a reasonable length of time the article has not been called for, the finder may claim it.

Call at the office for lost articles.

THE BOOKSTORE

All supplies needed in school, pencils, paper, notebooks, and texts, may be purchased from the bookstore on first floor. It is open from 8:00 to 9:10; from 12:15 to 12:45 at noon; and from 2:20 to 2:30 in the afternoon.

THE LOCKER ROOMS

Each student has a locker adjoining the gym and one upstairs for his wraps and books. These lockers have combination locks and are supposed to be kept locked.

The boys' upstairs lockers are in room 306; the girls', in the small rooms on the second floor opposite the library.

CAFETERIA

The cafeteria is on the third floor and is open at noon from 11:00 to 1:30. The food is carefully prepared under the direction of an expert home economics teacher, and is well cooked and wholesome. As the school is not desirous of making any profit on the cafeteria, the food is furnished at the lowest cost possible.

ASSIGNMENT BOOK

Each student is required to purchase an assignment book at the book store and to record the assignments given him by his teachers. A definite understanding of the work to be done and a definite time and place to do the work help much toward effective and economical use of one's time.

PEABODY SONG

MARGARET ROLLOW

STANFORD MOORE

Come you comrades and students all, You loyal lovers of
 Peabody—You lovers of Peabody— Come and
 answer the ringing call, Uphold our glorious
 history— Our glorious history— We will give
 and each of us will always live— We will live
 for Peabody— Fight with zeal,
 endeavor, Peabody forever And march
 on to victory— To maroon and blue we
 will e'er be true, And march on to victory—
 Onward, Onward, Peabody must go—
 Forward, Forward, Behold our spirit grow—
 Fight with zeal, endeavor, Peabody
 forever— And march on to victory.
