LAWRENCE INSTITUTE of TECHNOLOGY

S O U T H F I E L D M I C H I G A N

Wayne H. Beell

Dedication

The L-Book of 1965 is, we believe, properly and fittingly dedicated to Dr. Wayne H. Buell, the third president of Lawrence Institute of Technology. As the 1964 L-Book was dedicated to President E. George Lawrence completing thirty years of devotion and service to Lawrence Institute of Technology, so may this 1965 dedication herald many years of devotion and productive service to L.I.T. for Dr. Buell.

Dr. Wayne H. Buell brings to Lawrence Tech several unique and important things. He was among the first students to enroll in our college, he was among the first to participate in student government, he was a member of the Board of Trustees.

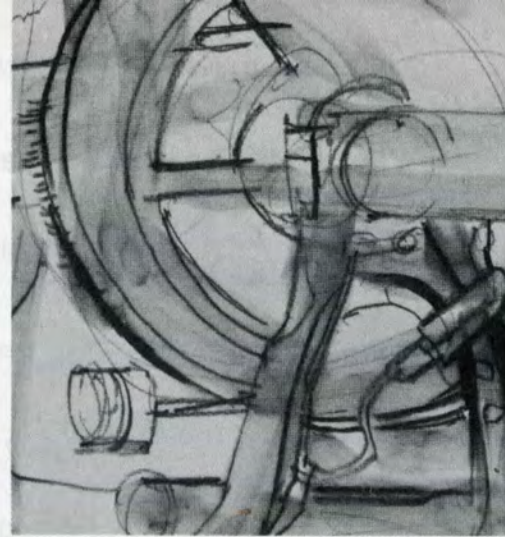

Dr. Buell knows Lawrence Tech as few men can or do. From experience he knows what it means to teach L.I.T. students. From experience he knows what the Board of Trustees expects from both students and faculty. As President of Lawrence Institute of Technology he will be able to implement those ideas and concepts he has developed through experience which will enable our college to grow, develop, and improve.

We extend to Dr. Buell our best wishes for a successful administration of Lawrence Tech. As loyal students and alumni we hold our years here close to our hearts. We are sure that Dr. Buell holds our school in the same esteem as we do, and we are sure that L.I.T. will continue under his leadership, the success story begun back in 1932.

Homecoming

Student Council's 1965 Homecoming was one of the best to date at Lawrence Tech. The evening was highlighted by the crowning of Miss Pamela Jean Kurkowski as Homecoming Queen (pictured at the right with her escort, Jim Stewart); the music of Doug Cordes and his eleven piece band; as well as the gay folk songs of the Chantones.

The Lawrence Tech Blue Devils

The Lawrence Tech Blue Devils defeated Waterloo, 68-65, in the Homecoming game at Levy Junior High School.

LAMBDA IOTA TAU

Recognition is given to the student with an excellent academic record in combination with exceptional interest and contributions in student activities.

Lambda Iota Tau recognizes that constant improvement is a necessity for any dynamic organization. Therefore, their improvement is directed toward the standards set by the national honor societies.

Frank G. Moulds
tau iota

TAU IOTA

Tau Iota is the honor society representing the Technical Institute and has the same objective as Lambda Iota Tau in the college. Tau Iota was formed to give recognition to the Technical Institute student who has excelled not only academically but in extra-curricular activities as well.

Anthony P. Frattarelli

ADVERTISING

STUDENTS

Many members of your alumni, as outstanding American citizens, have set high standards in a profession which has done so much to make this country of ours a world leader.

We need more and more engineers like that who can think straight and act vigorously to keep America the land of opportunity.

You gentlemen have the equipment for that leadership. We are depending on YOU.
